EBELLO Faux Leather Power Living Room Furniture Set User Manual

Model: 38"+38"+85"(1+1+3)

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your EBELLO Faux Leather Power Living Room Furniture Set. This set includes two 1-seat reclining chairs and one 3-seat reclining sofa. Please read this manual thoroughly before use to ensure proper function and safety.

SAFETY INFORMATION

Always follow the assembly instructions carefully to avoid injury. Be cautious around sharp metal trim details and keep fingers away from built-in springs during assembly and use. Ensure all power cords are routed safely to prevent tripping hazards and damage. Do not allow children to play on or operate the reclining mechanism unsupervised.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package should contain:

- Two (2) 1-Seat Reclining Chairs (Backrest, Seat Base, Armrests, Power Cord)
- One (1) 3-Seat Reclining Sofa (Backrests, Seat Base, Armrests, Power Cord)
- Assembly Hardware Kit
- Instruction Manual

SETUP AND ASSEMBLY

Assembly of the EBELLO Power Living Room Furniture Set is designed to be straightforward. It is recommended to have two people for assembly, especially for the larger sofa components.

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent damage.
2. **Attach Backrests:** Align the metal brackets on the backrest with the corresponding slots on the seat base. Slide the backrest down firmly until it locks into place. Repeat for all seats.
3. **Connect Power Cords:** Locate the power cords extending from the seat bases. Connect them to the power supply unit, then plug the power supply into a standard electrical outlet. Ensure connections are secure.
4. **Verify Functionality:** Before final placement, test the reclining function of each seat and the USB charging ports.

OPERATING INSTRUCTIONS

Your EBELLO Power Reclining Furniture Set offers independent power recline and convenient USB charging.

Power Recline Function

Each seat features an independent power recline mechanism. Locate the control buttons on the side of the armrest.

- Press and hold the **recline button** (usually an arrow pointing outwards) to extend the footrest and recline the backrest to your desired position.
- Release the button to stop the recline at any angle.
- Press and hold the **return button** (usually an arrow pointing inwards) to bring the footrest back and return the backrest to the upright position.

USB Charging Port

A USB charging port is integrated into the control panel on the armrest. Simply plug your compatible device's USB cable into the port to charge it while you relax.

Additional Features

The 3-seat reclining sofa may include a center console with storage and cup holders. Lift the center cushion to access this feature.

MAINTENANCE

Proper care will extend the life and appearance of your EBELLO furniture set.

- **Cleaning Faux Leather:** For general cleaning, wipe the faux leather surface with a soft, damp cloth. For tougher

stains, use a mild soap solution and wipe immediately with a clean, damp cloth, then dry thoroughly. Avoid harsh chemicals or abrasive cleaners.

- **Mechanism Care:** Periodically check all connections and moving parts for tightness. Do not lubricate the reclining mechanism unless specifically instructed by customer service.
- **Power Cords:** Inspect power cords regularly for any signs of damage. If a cord is damaged, discontinue use and contact customer service for replacement.

TROUBLESHOOTING

If you encounter issues with your furniture set, refer to the following common solutions:

- **Recliner Not Operating:**
 - Ensure the power cord is securely plugged into both the furniture and the wall outlet.
 - Check if the wall outlet is functional by plugging in another device.

- Verify that all internal connections within the furniture are properly seated.

- **USB Port Not Charging:**

- Confirm the recliner's power is on and the main power cord is connected.
- Try a different USB cable or device to rule out cable/device issues.

- **Unusual Noises During Recline:**

- Inspect for any obstructions in the reclining mechanism.
- Ensure all assembly hardware is tightened.

If problems persist after attempting these solutions, please contact EBELLO customer service.
