Hasbro Gaming MINERO Card Game Instruction Manual

Model: G3605

INTRODUCTION

Welcome to the exciting world of Hasbro Gaming MINERO! This strategic card game offers fast-paced fun for the whole family. The objective is to collect the most valuable treasures from the mine before it explodes.

Designed by Ken Gruhl and Quentin Weir, MINERO combines quick thinking with simple rules, making it an excellent choice for game nights and gatherings. This manual provides all the necessary information to set up, play, and enjoy your game.

Safety Warning:

- Recommended for ages 8 and up.
- Suitable for 2 to 5 players.

COMPONENTS

The Hasbro Gaming MINERO game includes the following components:

- 69 Game Cards
- 1 Last Round Card
- Instruction Manual (this document)

SETUP

1. **Prepare the Cards:** Carefully unwrap all game cards. Separate the 69 game cards from the single Last Round card.
2. **Shuffle the Deck:** Thoroughly shuffle the 69 game cards to create the main draw pile.
3. **Integrate Last Round Card:** Insert the Last Round card into the bottom third of the shuffled draw pile. This card signals the end of the game.
4. **Form the Draw Pile:** Place the combined draw pile face down in the center of the playing area, accessible to all players.
5. **Player Seating:** Players should sit around the playing area, ensuring everyone can easily reach the draw pile and the cards that will be placed on the table.

GAMEPLAY INSTRUCTIONS

The game is played in turns, with players aiming to collect valuable treasure cards while avoiding dynamite.

Game Objective:

Collect the most valuable Gem, Gold Nugget, and Diamond cards by the end of the game.

Playing a Turn:

1. **Flip a Card:** On your turn, flip the top card from the draw pile and place it face-up on the table, next to any previously flipped cards.
2. **Identify Card Type:**
 - **Treasure Cards:** These include Gem, Gold Nugget, and Diamond cards. These are valuable.
 - **Dynamite Sticks:** These are dangerous.
3. **Claiming Treasures:** At any point after a card is flipped, any player can quickly place their hand on any face-up Treasure cards on the table to claim them. The first player to cover a card claims it.
4. **Dynamite Explosion:** If the fourth Dynamite Stick card is revealed on the table, the mine explodes! All

Treasure cards currently face-up on the table (not yet claimed by players) are immediately removed from the game and cannot be collected. Players who have already claimed Treasure cards keep them.

5. **Continue Play:** If no explosion occurs, the next player takes their turn by flipping a new card.

End of Game:

1. The game ends immediately when the Last Round card is drawn from the pile.
2. Players then count the total value of their claimed Gem, Gold Nugget, and Diamond cards.
3. The player with the highest total value wins the game!

MAINTENANCE

To ensure the longevity of your Hasbro Gaming MINERO card game, please follow these simple maintenance guidelines:

- **Storage:** Always store the cards in their original box in a cool, dry place away from direct sunlight.
- **Cleaning:** If cards become slightly dirty, gently wipe them with a soft, dry cloth. Do not use water or chemical cleaners, as this may damage the card material.
- **Handling:** Handle cards with clean, dry hands to prevent oils and dirt from accumulating. Avoid bending or creasing the cards.

TROUBLESHOOTING

If you encounter any issues while playing Hasbro Gaming MINERO, consider the following common solutions:

- **Missing Components:** If any game cards or the Last Round card are missing from your new game, please contact Hasbro Gaming customer support for assistance.
- **Rules Confusion:** If there is a disagreement or confusion about a specific rule, refer back to the "Gameplay Instructions" section of this manual. For further clarification, you may visit the official Hasbro Gaming website.
- **Card Damage:** If cards become damaged through normal play, they may affect gameplay. While individual card replacements are not typically offered, you may contact customer support for options.
