## 1. INTRODUCTION

---

The Festina Connected Full D hybrid smartwatch combines traditional watch aesthetics with advanced smart technology. Designed for individuals seeking a balance between classic style and intelligent features, this manual provides essential information for setup, operation, and maintenance of your device.

Key features include a 44mm titanium case, sapphire crystal, and a comfortable blue rubber strap. It offers notifications for calls and messages, music and camera control, customizable digital watch faces, and comprehensive health tracking.

## 2. SETUP GUIDE

---

### 2.1 Unboxing and Initial Charge

Upon unboxing your Festina Connected Hybrid Smartwatch, ensure all components are present: the smartwatch, charging base, and charging cable.

- Connect the charging cable to the charging base.
- Place your smartwatch onto the charging base, ensuring the charging pins align correctly.
- Connect the charging cable to a suitable USB power source.
- Allow approximately 2.5 hours for a full charge.

## 2.2 App Installation and Pairing

To unlock the full functionality of your smartwatch, download and install the 'Festina Connected' application on your smartphone.

1. Search for 'Festina Connected' in your smartphone's app store (compatible with iOS and Android).
2. Download and install the application.
3. Open the app and follow the on-screen instructions to create an account or log in.
4. Ensure Bluetooth is enabled on your smartphone.
5. Within the app, select 'Add New Device' and choose your Festina Connected F23305/3 from the list of available devices.
6. Confirm the pairing request on both your smartphone and smartwatch if prompted.

## 2.3 Initial Configuration

After successful pairing, the app will guide you through initial settings, including:

- Setting your personal profile (age, height, weight) for accurate health tracking.
- Customizing watch faces and notification preferences.

- Setting daily activity goals.

### 3. OPERATING INSTRUCTIONS

---

#### 3.1 Basic Navigation and Controls

Your Festina Connected Hybrid Smartwatch features physical buttons for interaction. Refer to the diagram below for button functions.

Image: Side view of the Festina Connected Hybrid Smartwatch F23305/3, highlighting the control buttons.

- **Crown:** Typically used for navigating menus or confirming selections.
- **Pushers:** Assigned to quick actions such as launching specific features or controlling media. Customizable via the Festina Connected app.

#### 3.2 Smart Features and Functions

The F23305/3 offers a range of smart functionalities:

- **Notifications:** Receive alerts for calls, messages, and app notifications directly on your watch.
- **Health Tracking:** Monitor heart rate, sleep duration and quality, calories burned, and step count.
- **Activity Tracking:** Utilize connected GPS for tracking distance, pace, and elevation during workouts. Features include VO2 max and fitness level assessment.
- **Time Management:** Access alarm, timer, stopwatch, and world time functions.
- **Music Control:** Control music playback on your smartphone directly from your watch.
- **Camera Control:** Use your watch as a remote shutter for your smartphone camera.
- **Phone Finder:** Locate your misplaced smartphone by triggering an alert from your watch.
- **Quick Actions:** Customize buttons for quick access to frequently used features.

### 3.3 Battery Management

The smartwatch offers up to 10 days of battery life in standard mode. A power-saving mode can extend this to up to 3 months by limiting certain smart features.

- Monitor battery status via the Festina Connected app.
- Enable power-saving mode through the app settings when extended battery life is required.

## 4. MAINTENANCE

---

### 4.1 Cleaning Your Smartwatch

Regular cleaning helps maintain the appearance and functionality of your device.

- Wipe the watch case and strap with a soft, damp cloth.

- Avoid using harsh chemicals, abrasive materials, or solvents.
- Ensure the charging contacts on the back of the watch are clean and dry before charging.

Image: The rear of the Festina Connected Hybrid Smartwatch F23305/3, displaying the heart rate sensor and charging contacts.

## 4.2 Water Resistance

The Festina Connected Hybrid Smartwatch F23305/3 has a water resistance rating of 5 ATM (50 meters). This means it is suitable for splashes, rain, and brief immersion in water, such as washing hands. It is not recommended for swimming, diving, or high-pressure water activities.

- Do not operate buttons while the watch is submerged in water.
- Avoid exposing the watch to hot water or steam, as this can compromise the seals.

## 4.3 Battery Care

To prolong battery life:

- Avoid extreme temperatures.
- Do not leave the battery fully discharged for extended periods.
- Charge the watch regularly, even if not in daily use.

## 5. TROUBLESHOOTING

---

If you encounter issues with your Festina Connected Hybrid Smartwatch, refer to the following common solutions:

Problem	Possible Cause	Solution
Watch not turning on	Low battery	Charge the watch for at least 30 minutes.
Cannot pair with smartphone	Bluetooth off, app issue, watch not in pairing mode	Ensure Bluetooth is on. Restart the Festina Connected app and your phone. Restart the watch. Try re-pairing through the app.
Notifications not received	App permissions, Bluetooth connection lost, notification settings	Check app permissions on your phone. Ensure the watch is connected via Bluetooth. Verify notification settings in the Festina Connected app.
Inaccurate health data	Improper fit, sensor obstruction, incorrect profile data	Ensure the watch is worn snugly on your wrist. Clean the sensor on the back of the watch. Update personal information in the app.
Short battery life	Frequent use of power-intensive features, old battery	Reduce usage of features like continuous heart rate monitoring. Enable power-saving mode. If the issue persists, contact support.

### 5.1 Resetting the Device

If issues persist, a factory reset may resolve them. Consult the Festina Connected app or the official Festina website for specific instructions on how to perform a factory reset for your F23305/3 model, as this process can vary.

## 6. SPECIFICATIONS

---

Below are the technical specifications for the Festina Connected Hybrid Smartwatch F23305/3:

Feature	Detail
Model Number	F23305/3
