3. MAINTENANCE

3.1 General Care

- Keep the tablet away from extreme temperatures, direct sunlight, and liquids.
- Use a soft, lint-free cloth to clean the screen and body. Avoid abrasive cleaners.
- Protect the screen with a screen protector and the body with a case to prevent scratches and damage.

3.2 Battery Care

- Avoid fully discharging the battery frequently. Charge it before it drops below 20%.
- Do not leave the tablet connected to the charger for extended periods after it's fully charged.
- Use only the provided or certified charging accessories.

4. TROUBLESHOOTING

4.1 Common Issues and Solutions

- **Tablet not turning on:** Ensure the battery is charged. Connect to the charger and try powering on after a few minutes.
- **Screen unresponsive:** Restart the tablet by holding the Power button for about 10 seconds.
- **Wi-Fi connectivity issues:** Check if Wi-Fi is enabled. Restart your router and the tablet. Forget the network and reconnect.
- **Apps crashing:** Clear the app's cache and data in Settings > Apps. If the issue persists, reinstall the app.
- **Slow performance:** Close unnecessary background apps. Clear system cache. Consider a factory reset as a last resort (back up your data first).

If you encounter persistent issues not covered here, please refer to the support section for further assistance.
