## HOOBRO BF75XG01-BB52UXG01G1

# HOOBRO Narrow Console Table Instruction Manual

Models: BF75XG01 & BB52UXG01G1

## INTRODUCTION

Thank you for choosing the HOOBRO Narrow Console Table bundle. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. This bundle includes two distinct tables: a 29.5" entryway table (Model BF75XG01) and a 39.4" skinny sofa table with an integrated power strip (Model BB52UXG01G1). Please read these instructions thoroughly before beginning assembly and retain them for future reference.

## SAFETY INFORMATION

- Always follow the assembly instructions carefully. Incorrect assembly can lead to instability and injury.
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Do not overload the tables. Refer to the specifications section for weight limits.
- For the table with the power strip, ensure the power cord is not pinched or damaged. Do not expose the power strip to moisture.
- Use only in dry indoor environments.
- Periodically check all screws and connections to ensure they remain tight.

## PACKAGE CONTENTS

Please verify that all components are present before assembly. If any parts are missing or damaged, contact customer support.

- Tabletop Panels (for both 29.5" and 39.4" tables)
- Metal Frame Components (legs, support bars)
- Integrated Power Strip (for 39.4" table only)
- Assembly Hardware (screws, bolts, Allen wrench)

- Adjustable Feet
- 

## SETUP AND ASSEMBLY

Assembly typically requires two people. Lay out all parts on a soft, clean surface to prevent scratches.

### General Assembly Steps for Both Tables:

1. **Unpack Components:** Carefully remove all parts from the packaging and identify them using the provided parts list.
2. **Assemble Metal Frame:** Connect the metal leg frames and support bars using the provided screws and Allen wrench. Do not fully tighten screws until all components are aligned.
3. **Attach Tabletop:** Place the tabletop panel onto the assembled metal frame. Align the pre-drilled holes and secure the tabletop with the appropriate screws.
4. **Tighten All Screws:** Once all parts are aligned and loosely assembled, fully tighten all screws to ensure stability.
5. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the table legs. Adjust them as needed to level the table on uneven floors.

### Specific Steps for 39.4" Skinny Sofa Table (Model BB52UXG01G1) with Power Strip:

6. **Install Power Strip:** After attaching the tabletop, carefully place the integrated power strip into its designated slot on the tabletop. Ensure it sits flush and secure it with any provided fasteners.
7. **Route Power Cord:** Route the 4.9-foot power cord neatly to a wall outlet, ensuring it is not a tripping hazard or pinched by furniture.

## OPERATING INSTRUCTIONS

### Using the Integrated Power Strip (Model BB52UXG01G1):

The 39.4" skinny sofa table is equipped with a convenient power strip to enhance functionality.

- **Power Connection:** Plug the table's 4.9-foot power cord into a standard wall outlet.
- **AC Outlets:** The power strip includes two standard AC outlets. Use these for devices requiring wall power, such as lamps or small electronics.
- **USB Ports:** One USB-A port and one USB-C (Type-C) port are available for charging compatible devices like smartphones, tablets, or other USB-powered accessories.
- **Overload Protection:** The power strip is designed with basic overload protection. Avoid plugging in

high-power appliances that exceed the strip's rated capacity.

Always ensure devices are properly connected and the power cord is securely plugged into a functional wall outlet.

## MAINTENANCE

- **Cleaning:** Wipe the table surfaces with a soft, damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be used. Avoid harsh chemicals that may damage the finish.
  - **Dusting:** Regularly dust the table to prevent buildup.
  - **Stability Check:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability.
  - **Power Strip Care:** Keep the power strip clean and dry. Do not attempt to disassemble or repair the power strip yourself.
- 

## TROUBLESHOOTING

- **Table is Wobbly:**  
*Solution:* Ensure all screws are fully tightened. Adjust the leveling feet on the bottom of the legs to compensate for uneven floors.
  - **Power Strip Not Working (Model BB52UXG01G1):**  
*Solution:* Check if the power cord is securely plugged into a functional wall outlet. Test the wall outlet with another device. Ensure the power strip itself is properly seated in the tabletop. If issues persist, discontinue use and contact customer support.
  - **Missing Parts or Damaged Components:**  
*Solution:* Do not proceed with assembly. Contact HOOBRO customer support immediately for assistance and replacement parts.
