GarveeHome Farmhouse Dining Table 63-inch (Natural) Instruction Manual

Model: GH_63IN_Dining_Table_Natural_4R

1. IMPORTANT SAFETY INFORMATION

Please read this entire instruction manual carefully before assembling or using the GarveeHome Farmhouse Dining Table. Failure to follow these instructions may result in injury or damage to the product.

- **Assembly Requirement:** Two adults are required for safe and proper assembly of this dining table.
- **Tipping Prevention:** Always ensure the table is placed on a flat, stable surface. Avoid leaning heavily on the edges or applying uneven weight, which could cause tipping.
- **Movement:** When moving the table, lift it rather than dragging to prevent damage to the table legs and your flooring.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 350 pounds on the tabletop.

2. PACKAGE CONTENTS

Before beginning assembly, verify that all components and hardware are present and undamaged. Each screw and accessory is labeled with a corresponding number for easy identification.

3. SETUP AND ASSEMBLY

Follow these steps for assembling your GarveeHome Farmhouse Dining Table. A screwdriver (not included) is recommended in addition to the provided tools.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Match each part to the corresponding labels in the assembly guide.
3. **Attach Support Beams:** Secure the support beams to the underside of the tabletop using the designated hardware. Ensure all connections are firm.
4. **Install Legs:** Attach each of the four table legs to the tabletop assembly. The V-shaped leg design provides enhanced stability. Ensure all screws are tightened securely.
5. **Final Check:** Once assembled, gently lift and place the table in its desired location. Verify that all connections are tight and the table is stable.

5. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your dining table.

- **Cleaning:** The tabletop features a wood grain finish that is waterproof and easy to clean. Wipe spills immediately with a damp cloth. For general cleaning, use a mild, non-abrasive cleaner and a soft cloth. Avoid harsh chemicals or abrasive materials that could damage the finish.
- **Scratch and Stain Resistance:** The laminate finish is designed to resist scratches and stains from everyday use. However, using placemats, coasters, and trivets is recommended to protect the surface from hot items, sharp objects, and prolonged exposure to liquids.
- **Sunlight Exposure:** Avoid placing the table in direct, prolonged sunlight to prevent fading or discoloration of the wood finish.

6. TROUBLESHOOTING

If you encounter any issues with your GarveeHome Farmhouse Dining Table, consider the following common solutions:

- **Wobbling Table:** Check all leg and support beam connections. Ensure all screws are fully tightened. Adjust the non-slip foot pads if necessary to level the table on uneven floors.
- **Scratches on Floor:** The table is equipped with non-slip foot pads to protect your floor. If scratches occur, verify the pads are correctly installed and undamaged.
- **Difficulty Assembling:** Refer to the detailed assembly guide provided. Ensure all parts are correctly oriented and matched to their corresponding numbers. If issues persist, contact customer support.
