SETUP AND ASSEMBLY

Follow these steps for quick and easy assembly of your bed frame. An Allen key is included for convenience.

Illustration of the three-step assembly process for the bed frame, highlighting snap-on slats, snap-fit center support, and quick-install legs.

Step-by-Step Assembly

1. **Snap-on Slats:** Connect the bed slats to the frame by aligning and snapping them into place.
2. **Snap-fit Center Support:** Secure the center support beam by snapping it into its designated fittings.

3. **Quick-install Legs:** Attach the bed legs to the frame.
4. **Secure All Connections:** Ensure all parts are tightly fastened using the provided Allen key. Double-check all connections for stability before use.

USAGE AND FEATURES

Stable and Noise-Free Design

The bed frame is constructed with 8% thicker steel, reinforced center support, and 6 sturdy steel legs to ensure exceptional stability and support for up to 550 lb. Noise-reducing connectors are integrated to prevent squeaks, contributing to a quiet sleep environment.

Detailed view of the heavy-duty reinforced legs, designed for wobble-free and noise-free performance.

Mattress Retainers

Innovative mattress retainers are included to prevent your mattress from sliding or shifting. Simply insert and turn the retainers to lock them securely in place, ensuring an undisturbed sleep.

Heavy-Duty Reinforced Legs

- Reinforced at key points
- Wobble-free
- Noise-free

Ours

- No reinforcement
- Easy to wobble
- Prone to squeaking

Others

MAINTENANCE

To clean the bed frame, wipe it with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish. Regular dusting will help maintain its appearance.

TROUBLESHOOTING

If you encounter issues during assembly or use, refer to the following common solutions and video guide.
