Merax YYBF697AAK

Merax Space-Saving Queen Size Murphy Bed

MODEL: YYBF697AAK

Introduction

Thank you for choosing the Merax Space-Saving Queen Size Murphy Bed. This multifunctional foldable wall bed is designed to maximize your living space while providing a comfortable sleeping solution. It features adjustable storage shelves for added convenience. This manual provides essential information for the safe assembly, operation, and maintenance of your new Murphy bed. Please read all instructions carefully before beginning assembly or use.

Safety Information

- **Wall Mounting is Mandatory:** This Murphy bed must be securely anchored to a wall stud or solid wall structure to prevent tipping. Failure to do so can result in serious injury or death.
- **Two-Person Assembly:** Assembly requires at least two adults due to the size and weight of the components.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 600 pounds.
- **Mattress Thickness:** Use a mattress with a maximum thickness of 8 inches. Thicker mattresses may prevent the bed from folding correctly or safely.
- **Clearance:** Ensure adequate clearance around the bed when folding and unfolding to avoid obstructions or damage.
- **Children and Pets:** Keep children and pets away from the bed during folding and unfolding operations.
- **Regular Inspection:** Periodically check all fasteners and connections to ensure they remain tight and secure.

Package Contents

Your Merax Murphy Bed is shipped in 3 separate packages. Please ensure all packages have been received before starting assembly. Carefully unpack all components and verify against the parts list provided in the included installation manual. If any parts are missing or damaged, please contact customer support.

- Queen Size Murphy Bed Frame components
- Adjustable Storage Shelves components
- All necessary hardware (screws, bolts, connectors)
- Detailed Installation Manual

Specifications

Brand	Merax
Model Number	YYBF697AAK

Setup and Assembly

Assembly of the Merax Murphy Bed requires careful attention to detail and the assistance of at least one other person. The product comes with a detailed installation manual and all necessary hardware. Please follow the step-by-step instructions provided in the physical manual for accurate and safe assembly.

General Assembly Steps:

1. **Preparation:** Clear a spacious area for assembly. Lay out all parts and hardware, verifying against the parts list in your manual.
2. **Assemble Cabinet Frame:** Follow the instructions to construct the main cabinet structure and the adjustable shelving unit.
3. **Install Bed Mechanism:** Carefully install the dual piston metal folding mechanism according to the manual. This mechanism assists in lifting and lowering the bed.
4. **Assemble Bed Frame:** Construct the bed frame, including the flexible slats for mattress support.
5. **Attach Bed Frame to Cabinet:** Securely attach the bed frame to the cabinet using the provided hardware and following the specific steps for the folding mechanism.
6. **Wall Anchoring:** This is a critical step. The entire unit **must be securely anchored to a wall stud or solid wall** using the provided anti-tip hardware. Ensure the wall can support the weight of the unit.
7. **Install Adjustable Shelves:** Place the adjustable shelves into the desired positions within the shelving unit.
8. **Final Checks:** Before placing a mattress, test the folding mechanism to ensure smooth operation. Verify all connections are tight.

Operating Instructions

Folding the Bed (Cabinet Mode):

1. Remove all bedding, pillows, and the mattress from the bed frame. Ensure no items are left on the bed that could obstruct folding.
2. Grasp the handles located on the front of the bed frame.
3. Carefully lift the bed frame upwards, guiding it into the cabinet opening. The dual piston mechanism will assist in this movement.
4. Ensure the bed frame is fully retracted and securely latched into the cabinet.

Unfolding the Bed (Bed Mode):

1. Ensure the area in front of the cabinet is clear of any obstructions.
2. Release any latches or locks securing the bed in the folded position.
3. Grasp the handles on the front of the cabinet and gently pull the bed frame downwards. The dual piston mechanism will control the descent.
4. As the bed lowers, extend the support legs to their full upright position, ensuring they are firmly on the floor.
5. Once fully extended and supported, you can place your mattress and bedding on the frame.

Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections. Tighten any loose hardware to ensure stability and safety.
- **Mechanism Lubrication:** If the folding mechanism becomes stiff or noisy, apply a small amount of silicone-based lubricant to the moving parts. Do not use oil-based lubricants as they can attract dust.
- **Avoid Overloading:** Do not place excessively heavy items on the adjustable shelves or the bed frame when folded or unfolded.
- **Environmental Conditions:** Keep the unit in a dry environment. Avoid prolonged exposure to direct sunlight or extreme temperature changes, which can affect the wood materials.

Troubleshooting

- **Bed is difficult to fold/unfold:**
  - Ensure no items are obstructing the mechanism or the bed's path.
  - Verify the mattress thickness does not exceed 8 inches.
  - Check if the dual piston mechanism is properly installed and functioning. Refer to the assembly manual.
  - Lubricate the moving parts of the mechanism if necessary.
- **Bed feels unstable:**
  - Confirm that the unit is securely anchored to the wall.
  - Check all assembly hardware for tightness and re-tighten if loose.
  - Ensure the support legs are fully extended and locked into place when the bed is unfolded.
- **Missing or damaged parts:**
  - Contact Merax customer support immediately with photos or videos of the issue and the part numbers.

Warranty

Merax products are designed for quality and durability. For specific warranty information regarding your Merax Space-Saving Queen Size Murphy Bed, please refer to the warranty card included with your product or visit the official Merax website. Keep your proof of purchase for warranty claims.

Support

If you have any questions, require assistance with assembly, or need to report missing/damaged parts, please contact Merax customer support:
