2. ASSEMBLY (SETUP)

Follow the step-by-step instructions provided in the included full-color manual. The assembly process is divided into

sections, with pieces organized in numbered bags corresponding to these sections. Utilize the three foldable storage boxes to sort and hold pieces, enhancing organization and reducing the chance of losing small components.

Key Assembly Tips:

- **Review the Manual:** Before starting, familiarize yourself with the instruction manual, including the images of the finished model and any background information.
- **Organize Pieces:** Open numbered bags only as instructed. Use the provided sorting boxes to keep pieces for the current step readily accessible.
- **Patience is Key:** This model contains 1402 pieces and requires careful attention to detail. Take your time to ensure each connection is secure.
- **Check Connections:** Ensure all bricks are firmly pressed together to prevent the model from becoming unstable during later stages.

3. DISPLAY AND FEATURES

Once assembled, the Nifeliz Nina Sailing Ship is designed for display. Its detailed construction allows for appreciation of its historical design and internal structure.

Key Features:

- **Hull Design:** The hull features compact, flowing lines characteristic of 15th-century caravel ships.
- **Interior Details:** The deck can be opened to reveal interior spaces, including the captain's cabin and supply areas, showcasing layered details of daily life aboard.
- **Deck Elements:** The deck includes rotating winches and a rescue boat, adding to the realistic nautical details.
- **Textured Sails:** The triangular sails are made with reinforced stitched edges and weathered-style prints, providing a tactile and authentic appearance.
- **Display Base:** The model comes with a stable base featuring the 'Nina' nameplate, suitable for display on shelves, desks, or in display cabinets.

4. CARE AND MAINTENANCE

To ensure the longevity and appearance of your Nifeliz Nina Sailing Ship model, follow these care guidelines:

- **Cleaning:** Gently dust the model regularly with a soft, dry cloth or a soft brush. Avoid using abrasive cleaners or solvents, as these can damage the plastic bricks.
- **Handling:** Handle the model with care, especially when moving it. Support the base and avoid putting pressure on delicate parts like the masts and sails.
- **Storage:** If disassembling for storage, keep all pieces organized in sealed bags or containers to prevent loss. Store in a cool, dry place away from direct sunlight to prevent material degradation or color fading.
- **Environmental Conditions:** Avoid exposing the model to extreme temperatures or high humidity, which can affect the integrity of the plastic components.
