### Assembly Steps:

1. Unpack all components and verify against the included parts list. Ensure all numbered parts are present.
2. Follow the step-by-step instructions provided in the accessory kit. Each part is labeled for easy identification.
3. Assemble the base first, ensuring it is stable on a flat surface.
4. Progress upwards, attaching posts, platforms, and cat caves as indicated in the manual.
5. For optimal stability and safety, especially for taller sections, use a flashlight to align bolt holes if visibility is limited.
6. Once fully assembled, attach the cat tree to the wall using the provided anti-tip kit. This is crucial for preventing accidental tipping, particularly with active or large cats.

## 3. Operating Instructions

The Feandrea Large Cat Tree is designed for your cat's enjoyment and safety. Encourage your cat to explore and utilize all features of the tower.

### Usage Guidelines:

- Place the cat tree in a location where your cat feels comfortable and can observe its surroundings, such as near a window.
- Encourage use of the scratching posts and boards to deter scratching on household furniture.
- Allow your cats to freely climb, jump, and rest on the various platforms, perches, and in the cat caves.
- If your cat shows interest in chewing or eating the pompom or elastic band toys, remove them immediately to prevent ingestion and potential choking hazards. Keep these items out of reach.

## 4. Maintenance

Regular maintenance will ensure the longevity and cleanliness of your Feandrea Large Cat Tree.

### Cleaning and Care:

- **Cleaning:** The plush surfaces can be hand washed. For general cleaning, easily remove hair, dust, and debris using a lint roller or a vacuum cleaner with a brush attachment.
- **Damage Inspection:** Periodically inspect the cat tree for any signs of wear or damage, especially to the cat caves, scratching posts, and platforms.
- **Repairs:** If any part of the cat cave or other components are scratched or damaged by your cat, repair or replace them promptly to avoid the risk of injury to your pet.

## 5. Troubleshooting

This section addresses common issues you might encounter during assembly or use of the cat tree.

- **Difficulty Aligning Parts During Assembly:** If you find it tricky to align support posts or other components, use a flashlight to illuminate the bolt holes. This can help ensure proper alignment before tightening screws.
- **Missing or Damaged Parts:** If you discover any missing or damaged components upon unboxing, please contact Feandrea customer support for assistance and replacement parts.
- **Instability After Assembly:** Ensure all screws are tightened securely. Verify that the anti-tip kit is correctly installed and anchored to a wall. The cat tree should be placed on a flat, level surface.
- **Cat Not Using Scratching Areas:** Encourage your cat by placing catnip on the sisal posts or boards. You can also gently guide their paws to the scratching surfaces.
- **Cat Chewing on Toys/Bands:** Immediately remove any pompoms or elastic bands if your cat attempts to chew or ingest them. These are not designed for consumption and pose a choking hazard.
