Breezestival G30058

Breezestival 10x12FT Hardtop Gazebo Instruction Manual

Model: G30058

INTRODUCTION

Thank you for choosing the Breezestival 10x12FT Hardtop Gazebo. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor structure. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

This gazebo features a durable metal frame with a double galvanized steel roof, designed for permanent outdoor use. It includes integrated curtains and netting for enhanced comfort and versatility in your backyard, patio, or garden.

SAFETY INFORMATION

- **Read All Instructions:** Ensure you understand all assembly steps and safety warnings before installation.
- **Two-Person Assembly:** Assembly typically requires 3-4 people for safety and efficiency. Do not attempt to assemble alone.
- **Secure Anchoring:** Always anchor the gazebo securely to the ground using the provided bolts and stakes to prevent wind damage.
- **Weather Conditions:** While designed for all-weather use, exercise caution during extreme weather. Remove snow accumulation from the roof to prevent structural damage.
- **Clearance:** Ensure adequate clearance around the gazebo for safe use and to prevent obstruction of curtains and netting.
- **Fire Safety:** Keep all heat sources and open flames away from the gazebo fabric (curtains and netting).

PACKAGE CONTENTS

Your Breezestival 10x12FT Hardtop Gazebo ships in two separate packages. Please verify all parts are present and undamaged before beginning assembly. Refer to the parts list in your included printed manual for detailed component identification.

Key components include:

- Galvanized Steel Roof Panels
- Powder-Coated Galvanized Steel Frame Components (posts, beams, connectors)
- Curtains (thermal, zippered)
- Mesh Netting (insect-proof)
- Assembly Hardware (bolts, screws, stakes, tools)

SETUP AND ASSEMBLY

Assembly of the Breezestival Hardtop Gazebo requires careful attention to detail. Follow the step-by-step instructions provided in the printed manual. It is recommended to have 3-4 people for efficient and safe assembly, which typically takes under 6 hours.

Key Assembly Steps:

1. **Unpack and Identify Parts:** Lay out all components and verify against the parts list.
2. **Assemble the Frame:** Connect the main posts and beams, ensuring all connections are secure. The powder-coated galvanized steel frame uses triangular reinforcements for stability.
3. **Install Roof Structure:** Attach the roof support beams and central structure.
4. **Attach Roof Panels:** Carefully install the galvanized steel roof panels. Ensure proper overlap for water drainage.
5. **Install Curtains and Netting:** Hang the mesh netting and thermal curtains on the integrated double track system.
6. **Anchor the Gazebo:** Securely fasten the gazebo to your chosen surface using the provided anchor bolts for hard surfaces or ground stakes for lawns.

OPERATING INSTRUCTIONS

Double Galvanized Steel Roof

The double-layer galvanized steel roof is designed for optimal air circulation, UV protection, and weather resistance. The sloped design facilitates water drainage, and the robust construction can withstand up to 6 inches of snow and winds up to 38 mph.

Curtains and Netting

The gazebo includes a double-layer curtain system with breathable mesh netting and zippered thermal curtains. These can be operated independently on a double track for versatile protection and privacy.

- **Mesh Netting:** Use the mesh netting to keep insects out while maintaining 360° visibility and airflow.
- **Thermal Curtains:** Deploy the zippered thermal curtains for privacy, sun protection, or warmth during cooler weather. They can be tied back when not in use.

Integrated Hooks

The gazebo roof structure includes J-hooks and U-hooks for hanging lights, fans, or other decorations. Ensure any hung items do not exceed the weight capacity specified in the detailed product manual.

MAINTENANCE

- **Regular Cleaning:** Clean the roof panels and frame periodically with mild soap and water. Rinse thoroughly and dry to prevent water spots and maintain finish.
- **Fabric Care:** The curtains and netting are made from high-precision woven fabric. Clean them with a damp cloth and mild detergent. Avoid harsh chemicals. Ensure they are dry before storing or zipping up for extended periods to prevent mildew.
- **Hardware Inspection:** Periodically check all bolts and connections to ensure they remain tight. Tighten as necessary.
- **Winterization:** While the roof is designed to withstand snow, it is advisable to clear heavy snow accumulation

to prolong the lifespan of the structure. Consider removing curtains and netting for storage during harsh winter months.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Gazebo feels unstable.	Loose connections or improper anchoring.	Ensure all bolts are tightened. Verify the gazebo is securely anchored to the ground using all provided stakes/bolts.
Water leakage from the roof.	Roof panels not properly aligned or sealed.	Inspect roof panel overlaps and connections. Ensure all screws are tight and panels are correctly seated.
Curtains/netting do not slide smoothly.	Debris in the track or damaged hooks.	Clean the curtain tracks of any dirt or obstructions. Check hooks for damage and replace if necessary.
Difficulty during assembly.	Incorrect part orientation or missing hardware.	Refer to the detailed assembly manual and diagrams. Ensure parts are oriented correctly. Contact support if hardware is missing.

SPECIFICATIONS

- **Brand:** Breezestival
- **Model Number:** G30058
- **Product Dimensions (L x W x H):** 114.96"L x 118.1"W x 112.2"H (approximately 10'x12' footprint)
- **Item Weight:** 200 Pounds
- **Frame Material:** Metal (Powder-Coated Galvanized Steel)
- **Roof Material:** Double Galvanized Steel
- **Color:** Brown
- **Water Resistance Level:** Waterproof
- **Ultraviolet Light Protection:** Yes
- **Assembly Required:** Yes (Recommended 3-4 people)

WARRANTY INFORMATION

For specific warranty details regarding your Breezestival Hardtop Gazebo, please refer to the warranty card included with your product packaging or contact Breezestival customer support directly. Generally, warranties cover manufacturing defects under normal use and maintenance.

SUPPORT

If you have any questions, require assistance with assembly, or need to report missing or damaged parts, please contact Breezestival customer support. Our dedicated support team is available to assist you.

Please have your model number (G30058) and purchase information ready when contacting support.
