Safety Information

Please follow the user manual carefully during assembly and handling. This product contains small parts and is recommended for ages 12-80 years. Keep small pieces away from young children to prevent choking hazards.

Assembly Instructions

Follow these steps to assemble your Succulent Skull Planter:

1. **Step 1: Unpack Components**
   Carefully remove all pieces from the package. Organize them by type or color to facilitate assembly.
2. **Step 2: Separate Parts**
   Separate the building pieces for the skull base from those for the succulent plants.
3. **Step 3: Assemble Skull Planter**
   Refer to the included building instructions booklet to assemble the skull planter base. Follow the diagrams and step-by-step guidance provided.
4. **Step 4: Assemble Succulent Plants**
   Assemble the artificial succulent plants according to their individual instructions.
5. **Step 5: Place Succulents in Planter**
   Once the skull base and succulents are assembled, carefully arrange and place the artificial succulent plants into the skull planter.

Care and Maintenance

This building set is designed for display and requires minimal maintenance. To keep your Succulent Skull Planter looking its best:

- **Cleaning:** Gently dust the model with a soft brush or cloth to remove any accumulated dust. Avoid using harsh chemicals or abrasive materials.
- **Handling:** Handle the assembled model with care to prevent pieces from detaching.
- **Placement:** Keep the model indoors, away from direct sunlight or extreme temperatures, which could affect the plastic material over time.

Troubleshooting

If you encounter any issues during assembly or with your product, please refer to the following:

- **Missing Parts:** If you discover any missing parts upon receiving your package, please contact our customer service immediately for prompt replacement.
- **Difficulty Assembling:** Double-check the instruction manual diagrams and ensure all pieces are correctly oriented and connected. Building block sets sometimes require firm pressure to secure pieces.
