MAINTENANCE

To ensure the longevity and appearance of your Nifeliz CLX Racing Car model, follow these maintenance guidelines:

- **Cleaning:** Gently dust the model regularly with a soft, dry cloth or a soft brush to prevent dust accumulation. Avoid using abrasive cleaners or harsh chemicals, as these can damage the plastic components and painted surfaces.
- **Storage:** Store the model in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause discoloration or warping of the plastic.
- **Handling:** Handle the model with care, especially when moving or adjusting parts, to prevent accidental detachment of pieces.

TROUBLESHOOTING

Should you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** In the rare event of missing pieces, please contact Nifeliz customer support with details of the missing part(s) and your purchase information.

- **Tight-Fitting Pieces:** Some pieces may fit very snugly. Apply firm, even pressure to connect them. Avoid excessive force, which could damage the parts.
- **Loose Connections:** If parts feel loose, double-check the instruction manual to ensure they are correctly oriented and fully pressed into place.
