## Nifeliz NF10358

# Nifeliz CLX Racing Car Model Kit NF10358 Instruction Manual

Model: NF10358 | Brand: Nifeliz

## IMPORTANT SAFETY INFORMATION

---

**Warning: Choking Hazard.** This product contains small parts and small balls, which may pose a choking risk. Not suitable for children under 3 years. Adult supervision is recommended during assembly and play.

## PRODUCT OVERVIEW

---

This Nifeliz CLX Racing Car Model Kit (NF10358) allows you to construct a detailed racing car replica. The kit features 1587 pieces made from durable Acrylonitrile Butadiene Styrene (ABS) material, designed for enthusiasts aged 16 and above. The model captures the essence of a racing car with its dynamic design and intricate details.

## ASSEMBLY INSTRUCTIONS (SETUP)

---

Follow the included detailed instruction manual for step-by-step assembly. Each step is clearly illustrated to guide you through the construction process. Ensure all pieces are correctly identified and connected as shown.

### Key Features during Assembly:

#### Modular Design for Two Versions

The kit includes modular roof components, enabling you to build either a street version or a racing version of the CLX car. This offers flexibility in display and an interactive building experience.

## ZWISCHEN STRASSE UND RENNSTRECKE WECHSELN

Figure 2: The Nifeliz CLX Racing Car model can be configured in two distinct versions: street and racing.

### Dynamic Internal Structure

The design allows for the removal of upper body panels, revealing the fully mechanical construction, including detailed engine components and intricate internal mechanisms. This provides insight into the car's engineering.

## Butterfly Doors

The model features functional butterfly doors that open smoothly, providing access to the detailed cockpit and highlighting the mechanical craftsmanship.

## TRETEN SIE DURCH DIE FLÜGELTÜREN EIN

Figure 4: The butterfly doors open to reveal the intricate cockpit.

### Realistic Metallic Finish

The model incorporates metallic-painted panels and printed elements to enhance its realism. These finishes accentuate the car's body lines and underlying structures, giving it an authentic automotive presence.

## AUTHENTISCHER LOOK MIT METALLIC-LACKIERTEN TEILEN

Figure 5: The metallic finish adds to the model's realistic appearance.

### Racing Details

Racing-style decals are applied to the bodywork, complementing the printed dashboard details in the cockpit. These elements add visual depth and a realistic touch to the model.

## OPERATING THE MODEL

Once assembled, the Nifeliz CLX Racing Car Model is primarily a display piece. However, certain interactive elements are present:

- **Modular Roof:** The roof components can be interchanged to switch between the street and racing configurations. Handle with care when swapping parts.
- **Butterfly Doors:** Gently open and close the butterfly doors to view the detailed interior. Avoid forcing them to prevent damage.
- **Wheels:** The wheels are designed to roll, allowing for minor repositioning on display surfaces.

## MAINTENANCE

Proper care will ensure the longevity and appearance of your Nifeliz CLX Racing Car Model.

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the model. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive materials, as these can damage the plastic.

and painted surfaces.

- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation. Extreme temperatures can also affect the plastic components.
- **Handling:** Always handle the model by its main body to avoid putting stress on smaller, delicate components. Avoid dropping the model or subjecting it to strong impacts.

## TROUBLESHOOTING

---

### Missing or Damaged Parts:

In the event of missing or damaged parts during assembly, please refer to the contact information provided in the original packaging or the Warranty and Support section of this manual. Nifeliz aims to provide replacement parts promptly to ensure a complete building experience.

### Assembly Difficulties:

If you encounter difficulties during assembly, carefully re-examine the instruction manual for the specific step. Ensure all pieces are correctly oriented and fully connected. Do not force pieces together, as this can cause damage. If problems persist, contact customer support for guidance.
