

DSNAPÉ 060-X01

DSNAPÉ 8' x 6' Grill Gazebo Instruction Manual

Model: 060-X01 | Brand: DSNAPÉ

1. IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembling, operating, or maintaining this product. Failure to follow these instructions may result in injury or product damage.

- Always assemble and disassemble the gazebo with care, following the provided instructions.
- Keep sharp objects away from children during assembly and use.
- Do not overload the side shelves. Refer to the specifications for weight limits.
- Secure the gazebo to a stable foundation using appropriate anchors (not included) to prevent it from tipping over in windy conditions.
- Do not hang heavy objects from the ceiling hook that could cause the roof to collapse. The hook is intended for lightweight items like lanterns or small fans.
- Always supervise children when they are near the gazebo.

2. PRODUCT OVERVIEW

The DSNAPÉ 8' x 6' Grill Gazebo is designed to provide a shaded and functional outdoor space for grilling and entertaining. It features a durable construction and thoughtful design elements for enhanced usability.

Key Features:

- **Spacious 8' x 6' Hardtop Design:** Provides ample space to accommodate most standard grills and guests, creating an ideal area for outdoor cooking and relaxation.
- **Double-Layer Ventilated Galvanized Steel Roof:** Enhances airflow, reduces heat buildup, and offers superior protection against UV rays. The sloped design ensures efficient rainwater drainage.
- **Rustproof Aluminum Frame:** Constructed with a powder-coated aluminum frame, reinforced beams, and pre-drilled base holes for exceptional stability and resistance to various weather conditions.
- **Dual Side Shelves:** Convenient steel shelves on both sides provide extra counter space for grilling tools, plates, seasonings, and beverages, improving organization and safety during use.
- **Multi-Purpose Ceiling Hook:** A sturdy hook is integrated into the ceiling for hanging lightweight items such as lanterns, small fans, or decorative elements.

Product Dimensions (L x W x H)	81.6"L x 60"W x 102"H (8' x 6' footprint)
Floor Area	48 Square Feet
Item Weight	116 Pounds

Attribute	Detail
Roof Material	Galvanized Steel
Frame Material	Powder-Coated Aluminum & Iron
Water Resistance Level	Water Resistant
Ultraviolet Light Protection	Yes
Assembly Required	Yes
Shape	Rectangular

4. SETUP & ASSEMBLY

The DSNAPE Grill Gazebo requires assembly. Please follow the detailed, step-by-step instructions provided in the separate assembly manual included with your product. Ensure you have all components before beginning assembly.

Before You Begin:

- **Check Package Contents:** The product ships in two boxes. Please confirm receipt of both boxes and all parts listed in the assembly manual before starting.
- **Tools Required:** Gather any necessary tools as specified in the assembly manual (e.g., wrenches, screwdrivers).
- **Location:** Choose a level and stable surface for assembly and permanent placement.
- **Assistance:** Assembly may require two or more people for safety and ease.

Assembly Tips:

- Do not fully tighten all bolts until the entire frame is assembled to allow for minor adjustments.
- Ensure the powder-coated aluminum frame with triangular reinforced beams and pre-drilled base holes are correctly aligned for optimal stability.
- Secure the gazebo to a stable foundation using appropriate anchoring hardware (expansion screws are not included) to prevent movement in windy conditions.

2 Side Shelves

Built-in shelves on both sides, add extra counter space for barbecue accessories, drinks and food.

5. OPERATION

Once assembled and securely anchored, your DSNAPÉ Grill Gazebo is ready for use. It is designed to enhance your outdoor grilling experience.

Using the Side Shelves:

The dual steel side shelves are designed to provide convenient access to your grilling essentials. Place grilling tools, plates, seasonings, and beverages on these shelves to keep your main grilling area clear and organized. Do not exceed the recommended weight capacity for each shelf to prevent damage.

Utilizing the Ceiling Hook:

The multi-purpose ceiling hook can be used to hang lightweight items such as battery-operated lanterns, small decorative lights, or a small, portable fan. Ensure that any item hung does not exceed the hook's weight limit and does not interfere with the roof structure or ventilation.

U Shaped Hook

The ceiling hook is used to hang lights, fans or decorations to enrich your grill gazebo according to your needs.

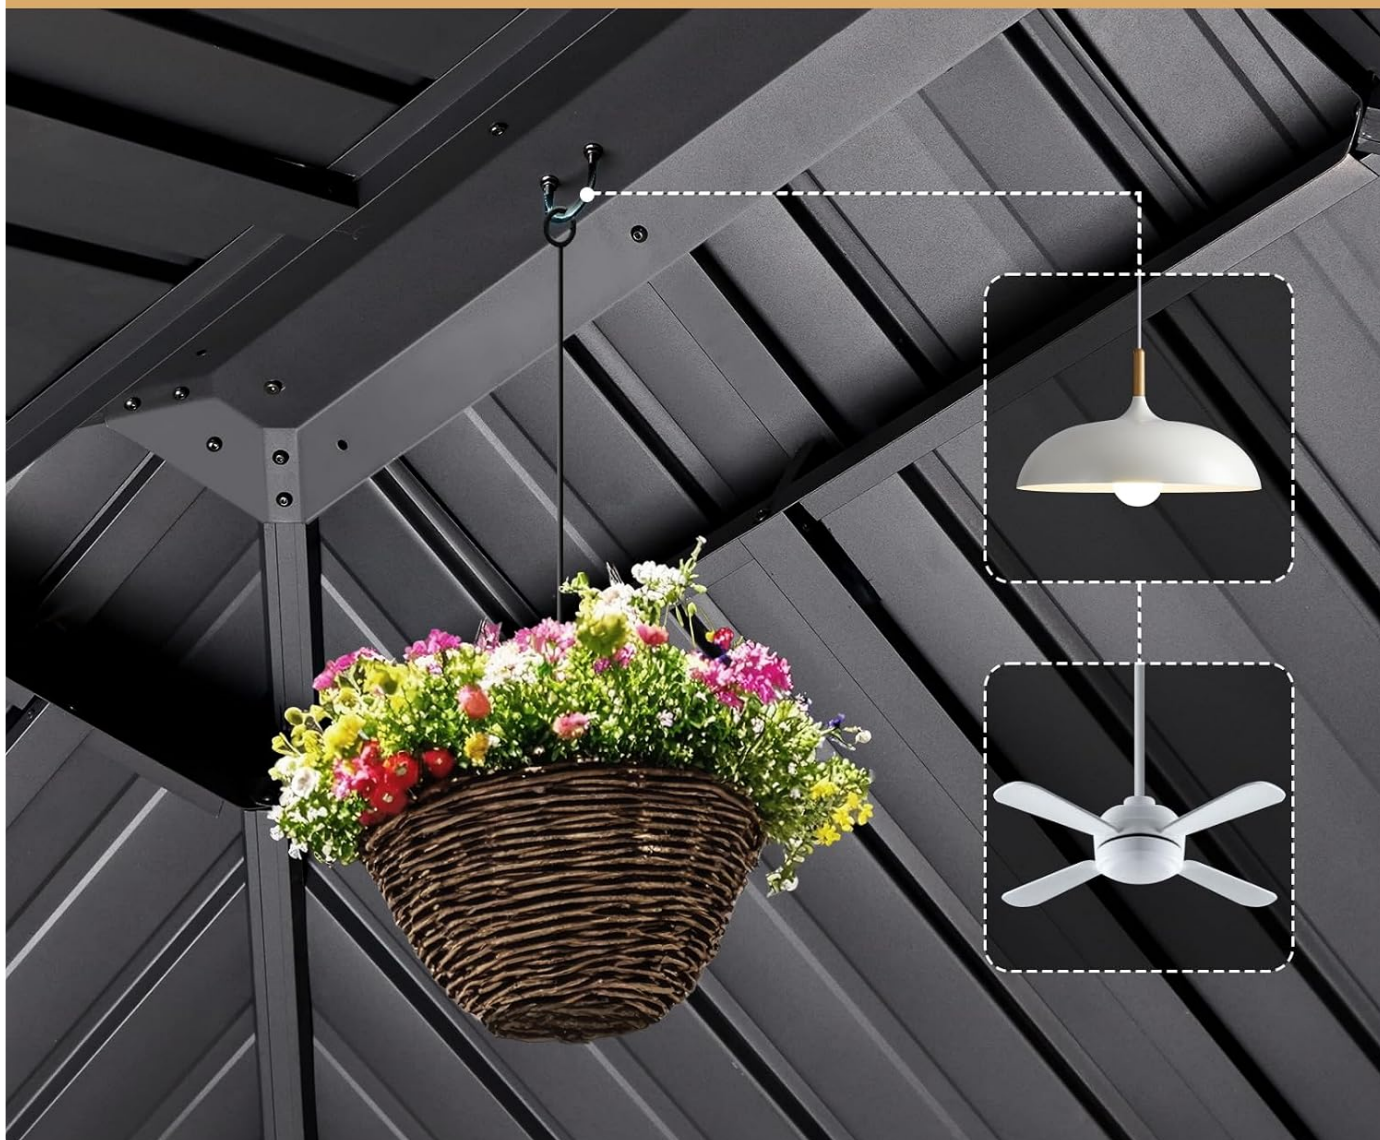

Image: A close-up view of the U-shaped ceiling hook, demonstrating its use for hanging lights or decorations.

All-Weather Use:

The galvanized steel roof provides protection from sun, rain, and light snow, allowing for extended outdoor use. The double-layer design promotes ventilation, keeping the area underneath cooler. In conditions of heavy snow or extreme winds, it is recommended to take additional precautions or disassemble the gazebo to prevent damage.

All Weather Use

Grill in any season, sunny, rainy or snowy for endless outdoor fun.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your DSNape Grill Gazebo.

- **Cleaning:** Clean the galvanized steel roof and aluminum frame periodically with a soft cloth, mild soap, and water. Avoid using abrasive cleaners, steel wool, or harsh chemicals, as these can damage the finish. Rinse thoroughly with clean water and dry to prevent water spots.
- **Inspection:** Regularly inspect all bolts, screws, and connections to ensure they remain tight and secure. Tighten any loose fasteners. Check the roof panels for any signs of damage, corrosion, or wear.
- **Drainage:** Ensure the roof's sloped design is clear of debris (leaves, branches) to allow for proper water drainage and prevent pooling.
- **Winter Care:** While designed for all-weather use, in regions with heavy snowfall or extreme winter conditions, it is advisable to remove accumulated snow from the roof to prevent structural stress. For prolonged off-season storage, consider disassembling the gazebo and storing components in a dry, protected area.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your grill gazebo.

Issue: Gazebo instability in windy conditions.

Solution: Ensure the gazebo is securely anchored to a stable foundation using appropriate expansion screws or weights. Check all frame connections for tightness. If high winds are expected, consider temporary disassembly or additional reinforcement.

Issue: Water pooling on the roof.

Solution: The roof is designed with a slope for drainage. Verify that the gazebo is assembled on level ground. Clear any debris from the roof that might obstruct water flow. Ensure all roof panels are correctly installed and sealed.

Issue: Difficulty with assembly.

Solution: Refer to the step-by-step instructions provided with the product. Ensure all parts are accounted for and correctly oriented. Do not force parts together. If parts are missing or damaged, contact customer support.

8. WARRANTY & SUPPORT

Warranty Information:

This DSNape product comes with a standard manufacturer's warranty. Please refer to the specific warranty documentation included in your product packaging for detailed terms, conditions, and coverage periods. Keep your proof of purchase for warranty claims.

Customer Support:

For any questions, assistance with assembly, missing parts, or to report any issues, please contact DSNape customer support. Our team is dedicated to providing reliable support.

Return Policy: This product is eligible for 30-day easy returns. Please consult the retailer's return policy for specific instructions and conditions.
