

## Kappesberg T268

# Kappesberg T268 6-Drawer MDP Chest of Drawers User Manual

Model: T268

## 1. INTRODUCTION

---

This manual provides essential information for the assembly, proper use, and maintenance of your Kappesberg T268 6-Drawer MDP Chest of Drawers. Please read these instructions carefully before beginning assembly or using the product to ensure safety and longevity.

The Kappesberg T268 is a functional and stylish chest of drawers featuring six spacious drawers, designed for organized storage in your home. It is constructed from MDP (Medium Density Particleboard) and equipped with telescopic drawer slides for smooth operation and MDF coated handles for durability.

## 2. SAFETY INFORMATION

---

- Always follow the assembly instructions precisely. Incorrect assembly can lead to instability and potential injury.
- Ensure all hardware is securely tightened. Periodically check and re-tighten as necessary.
- Do not overload drawers. Distribute weight evenly to prevent tipping.
- For safety, it is recommended to secure the chest of drawers to a wall using an anti-tip kit (if provided or purchased separately) to prevent accidental tipping, especially in homes with children.
- Keep small parts and assembly hardware out of reach of children during assembly.
- This product is intended for indoor use only.

## 3. COMPONENTS LIST

---

Before starting assembly, verify that all components and hardware are present. Refer to the included hardware list in your product packaging.

- Chest of Drawers panels (MDP structure)

- 6 Drawers with MDF coated handles
- Telescopic drawer slides
- Assembly hardware (screws, dowels, cam locks, etc.)

## 4. SETUP AND ASSEMBLY

Assembly of the Kappesberg T268 Chest of Drawers is required. It is recommended that two adults perform the assembly. Please ensure you have adequate space and the necessary tools (e.g., screwdriver, hammer) before beginning.

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a clean, soft surface (like a blanket or cardboard) to prevent scratches.
2. **Identify Parts:** Refer to the assembly diagram provided in your product packaging to identify each panel and hardware piece.
3. **Assemble Frame:** Begin by assembling the main frame of the chest of drawers according to the step-by-step instructions. Ensure all connections are secure.
4. **Install Drawer Slides:** Attach the telescopic drawer slides to the interior of the chest frame and to the sides of each drawer. Ensure they are aligned correctly for smooth operation.
5. **Assemble Drawers:** Construct each of the six drawers, attaching the MDF coated handles to the drawer fronts.
6. **Insert Drawers:** Carefully slide the assembled drawers into the frame, ensuring they operate smoothly.
7. **Final Checks:** Verify that all screws and fasteners are tight. Place the chest of drawers in its desired location.

**Note:** This product does not include assembly services. Any costs associated with assembly are the

responsibility of the customer.

## 5. OPERATING INSTRUCTIONS

The Kappesberg T268 Chest of Drawers is designed for storing clothing, linens, and other household items. To ensure proper function and longevity:

- **Drawer Use:** Open and close drawers gently. Avoid slamming them shut.
- **Weight Distribution:** Distribute the weight of items evenly across the drawers. Avoid placing excessively heavy items in a single drawer or on the top surface.
- **Stability:** Do not climb on or lean heavily on the chest of drawers, especially when drawers are open, as this can cause tipping.

Figure 5.1: Detail of the drawer fronts and handles.

## 6. MAINTENANCE

---

Regular maintenance will help preserve the appearance and functionality of your chest of drawers.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or excessive moisture, which can damage the finish.
- **Dusting:** Dust regularly with a dry, soft cloth.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Drawer Slides:** If drawer operation becomes stiff, a small amount of silicone-based lubricant can be applied to the telescopic slides.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish.

## 7. TROUBLESHOOTING

---

Here are solutions to common issues you might encounter:

- **Drawers not closing smoothly:**
  - Check if the drawer slides are properly aligned and free of obstructions.
  - Ensure all screws securing the slides are tight.
  - Verify that the drawer is not overloaded or unevenly weighted.
- **Chest of drawers feels wobbly:**
  - Confirm that all assembly hardware is fully tightened.
  - Ensure the unit is placed on a level surface.
  - Consider securing the unit to the wall with an anti-tip kit for added stability.
- **Minor scratches or dents:**
  - For minor imperfections, touch-up pens or furniture repair kits matching the finish color can be used.
