Lamshaw Domars S15

Lamshaw Magnetic Charger for Domars S15 Smartwatch - Instruction Manual

Model: Domars S15 | Brand: Lamshaw

1. PRODUCT OVERVIEW

This manual provides instructions for the Lamshaw Magnetic Charger, designed specifically for the Domars S15 2.06 Inch SmartWatch. This charger offers a convenient and secure method for powering your device.

Important Note: This charging cable is exclusively compatible with the Domars S15 smartwatch model. It is not compatible with other smartwatch models. Please verify your smartwatch model before purchase. The smartwatch itself is not included with the charger.

1.1 Key Features

- **Magnetic Design:** Ensures a strong and stable connection to your smartwatch for reliable charging.
- **Fast Charging:** Designed to fully charge your smartwatch in approximately 40 minutes.
- **Durable Construction:** Made from PVC and ABS materials for safe and long-lasting use.

- **Portable:** Lightweight and compact, ideal for travel and daily use.
- **Universal USB Connectivity:** Connects to any USB-A port on laptops, power banks, or wall adapters.

Strong Magnetic Charging for Smart Watch

Immediately Charge Once Touch

2. SETUP AND CONNECTION

Follow these steps to properly connect your Lamshaw Magnetic Charger to your Domars S15 SmartWatch.

2.1 Verifying Compatibility

Before connecting, ensure the magnetic charging pins on your smartwatch align with the charger. The distance between the charging points on the Domars S15 is 2.84mm.

Image 2.1: Guide on how to measure the distance between the charging contacts on your smartwatch to confirm compatibility.

NEVER RUPTURE

Image 2.2: Illustration of the Domars S15 smartwatch's charging interface and the corresponding charger, indicating the 2.84mm pin spacing.

2.2 Connecting the Charger

1. Connect the USB-A end of the charging cable to a compatible power source (e.g., computer USB port, power bank, or USB wall adapter).
2. Align the magnetic charging head with the charging area on the back of your Domars S15 smartwatch. The strong magnetic design will help secure the connection.
3. Ensure the magnets attract and hold the charger firmly in place. If the magnets repel, try rotating the charging head 180 degrees and re-attaching it.

Magnetic Charging Interface

If the charging magnets repel, the device will not charge.

You can charge correctly if the magnets attract whilst charging,

While charging

3. OPERATING INSTRUCTIONS

Once connected, the charger will automatically begin charging your Domars S15 smartwatch.

3.1 Charging Process

- The charger provides various protections during the charging process to ensure the safety of your smartwatch.
- A full charge for your Domars S15 smartwatch typically takes approximately 40 minutes.
- The smartwatch display will usually indicate charging status.

Image 3.1: Illustration of the strong magnetic connection and immediate charging activation when the charger touches the smartwatch.

4. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your Lamshaw Magnetic Charger, follow these maintenance guidelines.

4.1 Durability and Materials

- The cable is constructed with durable PVC and ABS materials, designed for safe and reliable charging.
- The flexible PVC cable is easy to roll and convenient for storage without damage.
- The cable has undergone bend tests, demonstrating resilience for over 6000 bends.

Measurement method

Please measure the distance
from the charging
position of the watch

Image 4.1: The charger cable's bend test, highlighting its robust and non-rupturing design for extended service life.

4.2 Cleaning and Storage

- Keep the charging contacts clean and free from dust or debris to ensure efficient charging.
- Store the charger in a cool, dry place when not in use.
- Avoid extreme temperatures and direct sunlight.

5. TROUBLESHOOTING

If you encounter issues while charging, refer to the following troubleshooting tips.

5.1 Charging Not Initiating

- **Check Magnetic Polarity:** If the magnetic poles appear to repel, preventing a secure connection, try rotating the charging head 180 degrees. This will reverse the polarity and allow the magnets to attract, ensuring proper

charging.

- **Verify Connection:** Ensure the USB-A end is securely plugged into a working power source.
- **Inspect Contacts:** Check for any debris or obstruction on the charging pins of both the charger and the smartwatch.
- **Test Power Source:** Try connecting the charger to a different USB port or power adapter to rule out issues with the power source.

6. SPECIFICATIONS

Product Specifications

Feature	Detail
Brand	Lamshaw
Model Number	Domars S15
Compatibility	Domars S15 2.06 Inch SmartWatch
Connector Type	USB Type A
Cable Length	1 meter (3.3 feet)
Input Voltage	10 Volts
Output Current	5 A
Output Voltage	10 Volts
Materials	PVC, ABS
Color	Black

7. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the documentation provided with your purchase or contact Lamshaw customer service directly. Contact details can typically be found on the manufacturer's official website or on your purchase receipt.
