2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Capacity:** Do not exceed the maximum weight recommendation of 300 pounds (136 kg) for the desktop. Distribute weight evenly.
- **Assembly:** Assemble the desk on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten fasteners.
- **Stability:** Place the desk on a level surface. Avoid placing heavy items on the edges or in a way that could cause the desk to tip.
- **Children:** Keep small parts and packaging materials away from children during assembly. Do not allow children to climb on or play with the desk.
- **Moving the Desk:** When moving the desk, lift it rather than dragging it to prevent damage to the legs and floor.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. All accessories are clearly labeled for easy identification.

The package should contain:

- Desktop panels
- Side support panels
- Center storage unit components (drawers, shelves)
- Hardware pack (screws, dowels, cam locks, drawer slides, handles)
- Assembly instructions manual

Note: Assembly tools are not included. Please prepare a Phillips head screwdriver and a hammer for assembly.

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Follow the step-by-step instructions provided in the included assembly manual. It is recommended to have two people for assembly due to the size of the desk components.

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface. Identify each part using the labels and the parts list in your assembly manual.
2. **Assemble Center Storage Unit:** Begin by assembling the central storage unit, including the drawer slides and shelf supports.
3. **Attach Side Panels:** Connect the side support panels to the main desktop sections.
4. **Install Drawers:** Assemble the two wood drawers and install them into the central storage unit using the pre-installed high-quality slide rails.
5. **Final Connections:** Securely connect all desk sections and ensure all fasteners are tightened.
6. **Place Desk:** Carefully move the assembled desk to its desired location.

6. MAINTENANCE

Proper care will help maintain the appearance and functionality of your SEDETA desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Heat and Moisture:** Avoid placing hot items directly on the desktop. Use coasters for drinks to prevent water rings.
- **Fasteners:** Periodically check all screws and connections to ensure they remain tight. Re-tighten as necessary.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.

7. TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common problems and solutions:

- **Desk is wobbly:**
 - Ensure the desk is on a level surface.
 - Check and tighten all assembly screws and fasteners.
- **Drawers do not slide smoothly:**
 - Verify that the drawer slides are correctly installed and aligned.
 - Ensure the drawers are not overloaded.
 - Check for any obstructions in the drawer tracks.
- **Missing parts:**
 - Double-check all packaging materials. If parts are still missing, contact customer support.
- **Damage during assembly:**
 - If a component is damaged, stop assembly and contact customer support for assistance.
