

Merax ZT00784

Merax Upholstered Full Size Daybed with LED Lights, Trundle & 3 Drawers Instruction Manual

Model: ZT00784

1. INTRODUCTION

Thank you for choosing the Merax Upholstered Full Size Daybed. This manual provides detailed instructions for the safe assembly, operation, and maintenance of your new daybed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

This daybed is designed for indoor use and features an upholstered frame, integrated LED lighting, a pull-out trundle bed, and three storage drawers. Ensure all components are present and undamaged before proceeding.

2. SAFETY INFORMATION

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep children away during assembly.
- **Weight Capacity:** Do not exceed the recommended weight capacity for the main bed and trundle. Refer to specifications for details.
- **Stable Surface:** Assemble and use the daybed on a flat, stable, and level surface.
- **Electrical Safety:** Ensure the LED light power adapter is connected to a suitable power outlet. Do not overload electrical circuits. Keep liquids away from electrical components.
- **Pinch Points:** Be aware of pinch points when operating the trundle and drawers.
- **Ventilation:** Ensure adequate ventilation around the LED light power supply to prevent overheating.
- **Mattress Compatibility:** Use mattresses of appropriate size and thickness for both the main bed and trundle to ensure proper fit and safety.

3. PACKAGE CONTENTS

Before assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

- Upholstered Headboard and Side Panels
- Bed Frame Components (Rails, Slats)
- Trundle Frame and Slats
- 3 Storage Drawers (Fronts, Sides, Backs, Bottoms, Wheels)
- LED Light Strip and Power Adapter
- Hardware Pack (Screws, Bolts, Allen Wrench, etc.)
- Instruction Manual

4. SETUP AND ASSEMBLY

Assembly typically requires two adults. Clear a spacious area for assembly and lay out all components on a soft, clean surface to prevent scratches.

4.1. Frame Assembly

1. Attach the side rails to the headboard and footboard using the provided bolts and Allen wrench. Ensure all connections are secure.
2. Install the center support beam(s) if included, ensuring they are properly aligned with the pre-drilled holes.
3. Place the wooden slats across the bed frame. Secure them using the provided screws or plastic caps, ensuring even spacing for mattress support.

4.2. Trundle Assembly

1. Assemble the trundle frame according to the separate instructions for the trundle unit. Attach the wheels to the bottom of the trundle frame.
2. Install the trundle slats onto the trundle frame.
3. Slide the assembled trundle into position under the main daybed frame.

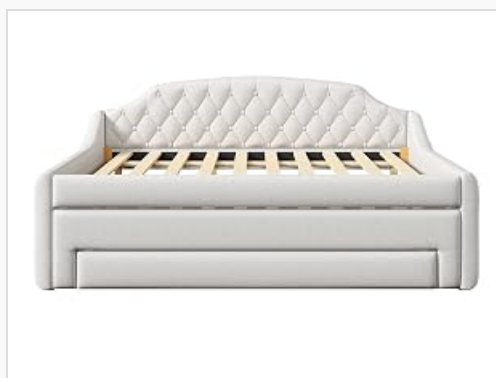

Image 2: Trundle and storage drawers extended from the daybed.

4.3. Drawer Assembly

1. Assemble each of the three storage drawers by attaching the sides, back, and bottom to the drawer front.
2. Attach the small wheels or glides to the bottom of each drawer.
3. Slide the assembled drawers into their designated compartments under the daybed.

4.4. LED Light Installation

1. Carefully unroll the LED light strip.
2. Adhere the LED strip to the designated areas on the daybed frame, typically along the bottom edge of the side panels. Ensure the surface is clean and dry before applying.
3. Connect the LED strip to the provided power adapter.
4. Plug the power adapter into a wall outlet.

5. OPERATING INSTRUCTIONS

5.1. Using the Trundle Bed

To use the trundle bed, gently pull the handle or front panel of the trundle outwards from under the main daybed. The trundle is equipped with wheels for smooth movement. To store, push the trundle back into its compartment until it is fully recessed.

5.2. Using the Storage Drawers

The three storage drawers operate independently. To open a drawer, pull the front panel outwards. To close, push the drawer back into its compartment until it is flush with the daybed frame.

5.3. Operating the LED Lights

The LED lights are controlled via a remote control or an integrated switch (depending on the model). Refer to the separate LED light controller manual for specific instructions on changing colors (7 adjustable colors), brightness, and modes. Ensure the power adapter is plugged in for the lights to function.

6. MAINTENANCE

6.1. Upholstery Care

- **Regular Cleaning:** Vacuum the upholstered fabric regularly using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner specifically designed for upholstery. Test on an inconspicuous area first. Do not rub vigorously.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading.

6.2. Wooden Components

- Wipe wooden surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Periodically check and tighten all bolts and screws to ensure structural integrity.

6.3. LED Lights

- Keep the LED light strip and power adapter dry.
- If the LED lights malfunction, check the power connection and the remote control battery (if applicable).

7. TROUBLESHOOTING

- **LED Lights Not Working:**
 - Ensure the power adapter is securely plugged into a working outlet.
 - Check all connections between the LED strip and the adapter.
 - If using a remote, replace the battery.
- **Trundle or Drawers Sticking:**
 - Check for any obstructions (e.g., bedding, clothing) preventing smooth movement.
 - Ensure the wheels/glides are clean and free of debris.
 - Verify that the trundle/drawers were assembled correctly and are aligned.
- **Bed Frame Wobbles:**
 - Re-tighten all assembly bolts and screws. Do not overtighten.
 - Ensure the daybed is on a level surface.
- **Missing Parts:**
 - Do not attempt to substitute parts. Contact customer support for replacements.

8. SPECIFICATIONS

Feature	Specification
Brand	Merax
Model Number	ZT00784
