SETUP INSTRUCTIONS

Follow these steps for assembling your Huuger Electric Standing Desk. Assembly typically takes about 30 minutes.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify all components are present against the included parts list.
2. **Attach Legs:** Securely attach the desk legs to the frame using the provided hardware. Ensure all screws are tightened.
3. **Secure Desktop:** Place the desktop onto the assembled frame and secure it using the designated bolts.
4. **Connect Power Outlet and Cable Management:** Install the built-in power outlet and integrate the cable management system as per the detailed diagram in the separate assembly guide.
5. **Adjust Feet:** Adjust the leveling feet at the bottom of the desk legs to ensure the desk is stable and level on your floor.
6. **Connect Power:** Plug the desk into a standard electrical outlet.

OPERATING INSTRUCTIONS

Your Huuger Electric Standing Desk is designed for ease of use with its intuitive control panel and smart features.

Height Adjustment

The desk features a height range of 28.7 inches to 46.5 inches, allowing for comfortable sitting and standing positions.

- **Raise Desk:** Press and hold the **Up Arrow** button to raise the desk to your desired height.
- **Lower Desk:** Press and hold the **Down Arrow** button to lower the desk to your desired height.
- The current height is displayed on the LED screen.

Product Dimensions

MAX Load: 220 LBS

Built-in Power Outlets and Cable Management

The desk features a built-in charging station and cable management system for a tidy workspace.

- **Power Outlets:** Utilize the 4 AC outlets, 1 USB port, and 1 Type-C port to power and charge your devices directly from the desk.
- **Cable Management:** Route cables through the integrated system to keep them organized and prevent clutter. Two headphone hooks are also provided for convenience.

MAINTENANCE

Regular maintenance helps ensure the longevity and optimal performance of your Huuger Electric Standing Desk.

- **Cleaning:** Wipe the desk surface and frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Check Connections:** Periodically inspect all screws and bolts to ensure they remain tight. Retighten if necessary.
- **Cable Management:** Ensure cables are neatly organized and not pinched or stressed, which can affect desk movement or damage wires.

- **Motor Care:** The motor is designed for maintenance-free operation. Avoid disassembling the motor housing.

TROUBLESHOOTING

If you encounter issues with your Huuger Electric Standing Desk, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Desk does not move	Power cable disconnected; Overload; Motor error	Check power connection. Reduce weight on desk. Unplug for 10 seconds, then plug back in.
Uneven height adjustment	Uneven load; Obstruction; Unlevel feet	Distribute weight evenly. Check for obstructions. Adjust leveling feet.
Anti-collision activates frequently	Sensitive setting; Obstruction	Ensure no objects are in the desk's path. Refer to the full manual for adjusting anti-collision sensitivity if available.
Noise during operation	Loose components; Normal motor sound	Check and tighten all assembly screws. A low hum is normal for electric motors.

If the problem persists after attempting these solutions, please contact customer support.

WARRANTY AND SUPPORT

Huuger products are manufactured to high-quality standards. For specific warranty details, please refer to the warranty card included with your purchase or visit the official Huuger website. Keep your purchase receipt as proof of purchase. For technical support, replacement parts, or any questions not covered in this manual, please contact Huuger customer service through the retailer where you purchased the product or via the contact information provided on the Huuger brand store page.
