## Garvee I2bfb\_aNI918MXsY037079df

# Garvee Black 6-Drawer Dresser with LED Lights and Power Outlet

Model: I2bfb\_aNI918MXsY037079df

## INTRODUCTION

---

Thank you for choosing the Garvee Black 6-Drawer Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new dresser. Please read these instructions carefully before beginning assembly and retain them for future reference.

## SAFETY INFORMATION

---

- **Anti-Tipping Device:** Always install the included anti-tipping device to prevent accidental tipping and ensure stability. This is crucial for safety, especially in households with children or pets.
- **Weight Capacity:** Do not overload drawers or the top surface. Refer to the specifications for maximum weight limits.
- **Placement:** Place the dresser on a flat, stable surface. Avoid placing it near heat sources or in direct sunlight to prevent material damage.
- **Electrical Safety:** Ensure the power cord for the charging station is not pinched or damaged. Do not use the power outlet with wet hands.

## Wood Grain Finish

Scratch-resistant, waterproof, and easy to clean

## Anti-Tipping Device

Reducing potential damage from accidental tipping

## Metal Sliding Rail

Easy to open and close, smooth and noiseless

## Elevated Ventilation Design

Make your housework easily

**Anti-Tipping Device:** This image illustrates the installation of the anti-tipping device, which secures the dresser to the wall, significantly reducing the risk of accidental tipping. Other features like the wood grain finish, smooth metal drawer slides, and elevated design for easy cleaning are also highlighted.

## PACKAGE CONTENTS

---

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Dresser Panels (Top, Side, Bottom, Back)
- Drawer Components (Fronts, Sides, Backs, Bottoms)
- Hardware Pack (Screws, dowels, cam locks, drawer slides, handles)
- LED Light Strip with Remote Control
- Power Outlet Unit with 6.5 ft Power Cord
- Anti-Tipping Device
- Assembly Instructions

## SETUP AND ASSEMBLY

---

Assembly of the Garvee dresser is designed to be straightforward with detailed, numbered instructions provided in

the package. We recommend assembling the dresser with a partner.

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided assembly diagram.
2. **Assemble Frame:** Follow the step-by-step instructions to connect the main frame panels using the designated hardware.
3. **Construct Drawers:** Assemble each drawer according to the instructions, ensuring the metal sliding rails are correctly attached.
4. **Install LED Lights:** Attach the LED light strip to the designated area, typically under the top panel, following the specific instructions for wiring and placement.
5. **Install Power Outlet:** Secure the power outlet unit into its designated slot on the top surface of the dresser.
6. **Insert Drawers:** Carefully slide the assembled drawers into the frame, ensuring smooth operation.
7. **Attach Anti-Tipping Device:** Securely fasten the anti-tipping device to the back of the dresser and to a wall stud, as per the instructions.

**Dresser Dimensions:** This diagram provides the overall dimensions of the 6-drawer dresser (47.3"W x 15.6"D x 31.5"H) and the internal dimensions of a single drawer (21"L x 11.8"W x 7.6"H, with a 5.9" front panel height).

## OPERATING INSTRUCTIONS

### LED Lighting System

The integrated RGB LED light strip offers customizable illumination for your dresser.

- **Power On/Off:** Use the included remote control or the button on the light strip to turn the LEDs on or off.
- **Color Selection:** Choose from millions of colors using the remote control.
- **Brightness Adjustment:** Adjust the light intensity to your preference.
- **Dynamic Modes:** Select from various modes such as Flashing, Jump, or Fade to create different ambiance.
- **Music Sync:** The lights can synchronize with music rhythm for an interactive experience.

#### CONTROL THE SMART LIGHT WITH REMOTE

Hundreds of Colors

25 Dynamic Modes

Fluctuates with music

Timing Function

**LED Light Control:** This image displays the dresser with its LED lights illuminated, along with the remote control used to manage the light's color, brightness, and dynamic modes.

### Integrated Power Outlet

The dresser features a convenient power outlet for charging your electronic devices.

- **Ports:** The unit includes 1 USB port, 1 Type-C port (20W Fast Charging), and 2 standard AC outlets.
- **Power Cord:** Connect the 6.5 ft power cord to a wall outlet.
- **Usage:** Use the ports to charge laptops, mobile phones, power small lamps, or other compatible appliances.

**Power Outlet Detail:** A close-up view of the integrated power outlet, highlighting its features: two AC outlets, one USB port, and one Type-C port, along with the power cord length.

## MAINTENANCE

---

To ensure the longevity and appearance of your Garvee dresser, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the scratch-resistant finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Drawer Slides:** Periodically check and clean the metal drawer slides to ensure smooth operation. Lubrication is generally not required.
- **Hardware:** Occasionally check all screws and fasteners to ensure they are tight. Retighten if necessary.

## TROUBLESHOOTING

---

If you encounter any issues with your dresser, refer to the following common problems and solutions:

- **LED Lights Not Working:**
  - Check if the power cord for the LED strip is securely plugged into the power outlet.

- Ensure the remote control battery is functional.
  - Verify the LED strip is properly connected to its power source.
- **Power Outlet Not Functioning:**
    - Ensure the dresser's main power cord is securely plugged into a working wall outlet.
    - Check if the wall outlet itself is receiving power (test with another device).
    - Avoid overloading the outlets with high-power devices.
- **Drawers Stick or Don't Close Smoothly:**
    - Ensure the drawer slides are properly aligned and free of obstructions.
    - Check that the drawer components are assembled correctly and not warped.
    - Verify the dresser is on a level surface.
- **Dresser Wobbles:**
    - Ensure all assembly hardware is tightened.
    - Confirm the dresser is on a level floor.
    - Re-check the installation of the anti-tipping device.

If these steps do not resolve the issue, please contact Garvee customer service for further assistance.
