PRODUCT OVERVIEW

The Furniway Walnut 8-Drawer Dresser is designed for modern living spaces, offering both aesthetic appeal and practical storage. Its dimensions are 15.7"D x 55"W x 37.4"H, providing ample space for various items.

Key Features:

- **Elegant Walnut Design:** Features a refined fluted panel design with smooth lines and golden handles.
- **Spacious Storage:** Eight drawers provide generous capacity for clothing, linens, and essentials.
- **Durable Construction:** Crafted from high-quality engineered wood for stability and longevity.
- **Smooth Slides:** Drawers operate on durable metal rails for easy and quiet opening/closing.
- **Waterproof Surfaces:** Designed for easy cleaning and maintenance.
- **Versatile Placement:** Suitable for bedrooms, living rooms, entryways, or closets.

SAFETY INFORMATION

To ensure safe use of your dresser, please adhere to the following guidelines:

- **Anti-Tip Device:** Always install the included anti-tip tethering straps to secure the dresser to the wall. This is crucial to prevent tipping, especially in households with children or pets.
- **Weight Distribution:** Place heavier items in lower drawers to improve stability.
- **Drawer Use:** Do not open all drawers simultaneously, as this can cause the dresser to become unstable and tip over.
- **Maximum Weight Capacity:** The tabletop supports up to 180 lbs. Each drawer has a capacity of 25 lbs. Do not exceed these limits.
- **Proposition 65 Warning:** This product can expose you to chemicals including formaldehyde, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

ASSEMBLY INSTRUCTIONS

Assembly is required for this dresser. Please follow the detailed instructions provided in the separate assembly manual included with your product. Ensure all parts are present and undamaged before beginning.

1. **Unpack Components:** Carefully unpack all parts and hardware. Verify against the parts list in your assembly manual.
2. **Prepare Workspace:** Assemble on a soft, clean surface (e.g., a blanket or carpet) to prevent scratches.
3. **Follow Step-by-Step Guide:** Adhere strictly to the numbered steps in the assembly manual. Each part is clearly labeled.
4. **Secure Connections:** Ensure all screws and fasteners are tightened securely, but do not overtighten.
5. **Install Anti-Tip Kit:** Once the dresser frame is assembled and in its final position, install the anti-tip device as instructed.

If you encounter any difficulties or missing parts, please contact Furniway customer support.

OPERATING INSTRUCTIONS

Using your Furniway dresser is straightforward. The drawers are designed for smooth operation.

- **Drawer Operation:** Gently pull the golden handles to open drawers and push to close. The smooth metal slides ensure effortless movement.
- **Storage Capacity:** Each drawer is designed to hold up to 25 lbs. The overall dresser tabletop can support up to 180 lbs.
- **Organizing:** Utilize the eight spacious drawers to organize clothing, accessories, or other household items.

MAINTENANCE

Proper care will ensure the longevity and appearance of your Furniway dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish. The waterproof surfaces make cleaning effortless.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the engineered wood.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading or discoloration.
- **Humidity:** Maintain a stable room temperature and humidity level to prevent warping or cracking of the wood.
- **Hardware Check:** Periodically check and tighten all hardware connections to ensure stability.

TROUBLESHOOTING

If you encounter issues with your dresser, refer to the following common solutions:

- **Uneven Drawers:** If drawers appear uneven or do not close smoothly, check the assembly of the drawer slides and ensure they are correctly aligned and securely fastened to both the drawer and the dresser frame. Re-adjust if necessary.
- **Wobbling Dresser:** Ensure the dresser is placed on a level surface. Check all assembly hardware to confirm they are tightened. If wobbling persists, verify the anti-tip device is correctly installed.
- **Stuck Drawer:** Do not force a stuck drawer. Empty the drawer and gently try to open it. Inspect the drawer slides for any obstructions or misalignment.
- **Odor:** New furniture may have a slight 'new product' odor. This is normal and will dissipate over time with good ventilation.

For persistent issues not covered here, please contact Furniway customer support.
