Baseus Bowie MC2 Air Open Earbuds

Baseus Bowie MC2 Air Open Earbuds Instruction Manual

Model: Bowie MC2 Air Open Earbuds

1. INTRODUCTION

Thank you for choosing the Baseus Bowie MC2 Air Open Ear Clip-on Earbuds. These earbuds are designed for comfortable, open-ear listening, featuring CloudComfort Air Cushions, 11mm drivers for enhanced bass, IP67 waterproofing, and up to 40 hours of playtime. This manual provides essential information for proper setup, operation, and maintenance of your device.

2. WHAT'S IN THE BOX

- Baseus Bowie MC2 Air Open Earbuds
- Wireless Charging Case
- USB-C Charging Cable

3. PRODUCT OVERVIEW

The Baseus Bowie MC2 Air earbuds feature an open-ear clip-on design for comfort and situational awareness. The compact charging case ensures portability and extended battery life.

Wear It Like Jewelry

More than earbuds—fashion accessories that elevate your OOTD.

4. SETUP

4.1 Charging the Earbuds and Case

1. **Charge the Case:** Connect the provided USB-C charging cable to the charging port on the case and a power source. The LED indicator on the case will show charging status. A full charge takes approximately 2 hours.
2. **Charge the Earbuds:** Place the earbuds into their respective slots in the charging case. Ensure they are properly seated. The earbuds will begin charging automatically. The case provides up to 40 hours of total playtime with SuperBass 2.0 enabled. A quick 10-minute charge can provide 2 hours of playtime.

4.2 Pairing with a Device

1. **Initial Pairing:** Open the charging case. The earbuds will automatically enter pairing mode.
2. **Enable Bluetooth:** On your device (smartphone, tablet, laptop), enable Bluetooth.
3. **Select Device:** Search for available Bluetooth devices and select "Baseus Bowie MC2 Air" from the list.
4. **Confirm Connection:** Once connected, you will hear an audio prompt, and the earbuds will be ready for use.
5. **Reconnection:** After initial pairing, the earbuds will automatically connect to the last paired device when removed from the case and Bluetooth is enabled on the device.

5. OPERATING INSTRUCTIONS

5.1 Wearing the Earbuds

Gently clip the earbuds onto your earlobes. Adjust the flexible C-ring for a comfortable and secure fit. The open-ear design allows you to remain aware of your surroundings while enjoying audio.

5.2 Button Controls

The Baseus Bowie MC2 Air earbuds feature physical button controls for reliable operation.

- **Play/Pause:** Single press on either earbud.
- **Next Track:** Double press on either the left or right earbud.
- **Previous Track:** Triple press on either the left or right earbud.
- **Answer/End Call:** Single press on either earbud.
- **Reject Call:** Press and hold on either earbud.
- **Activate Voice Assistant:** (Functionality may vary, refer to Baseus App for customization).

5.3 Sound Features

Equipped with 11mm custom dynamic drivers and AI-powered SuperBass 2.0, these earbuds deliver crisp highs, rich detail, and enhanced bass. The AI-powered SuperBass 2.0 dynamically enhances low frequencies for an immersive listening experience.

Bass-Heavy Punchy Sound

AI-powered dynamic tuning tech delivers adaptive, heart-thumping bass that moves with you.

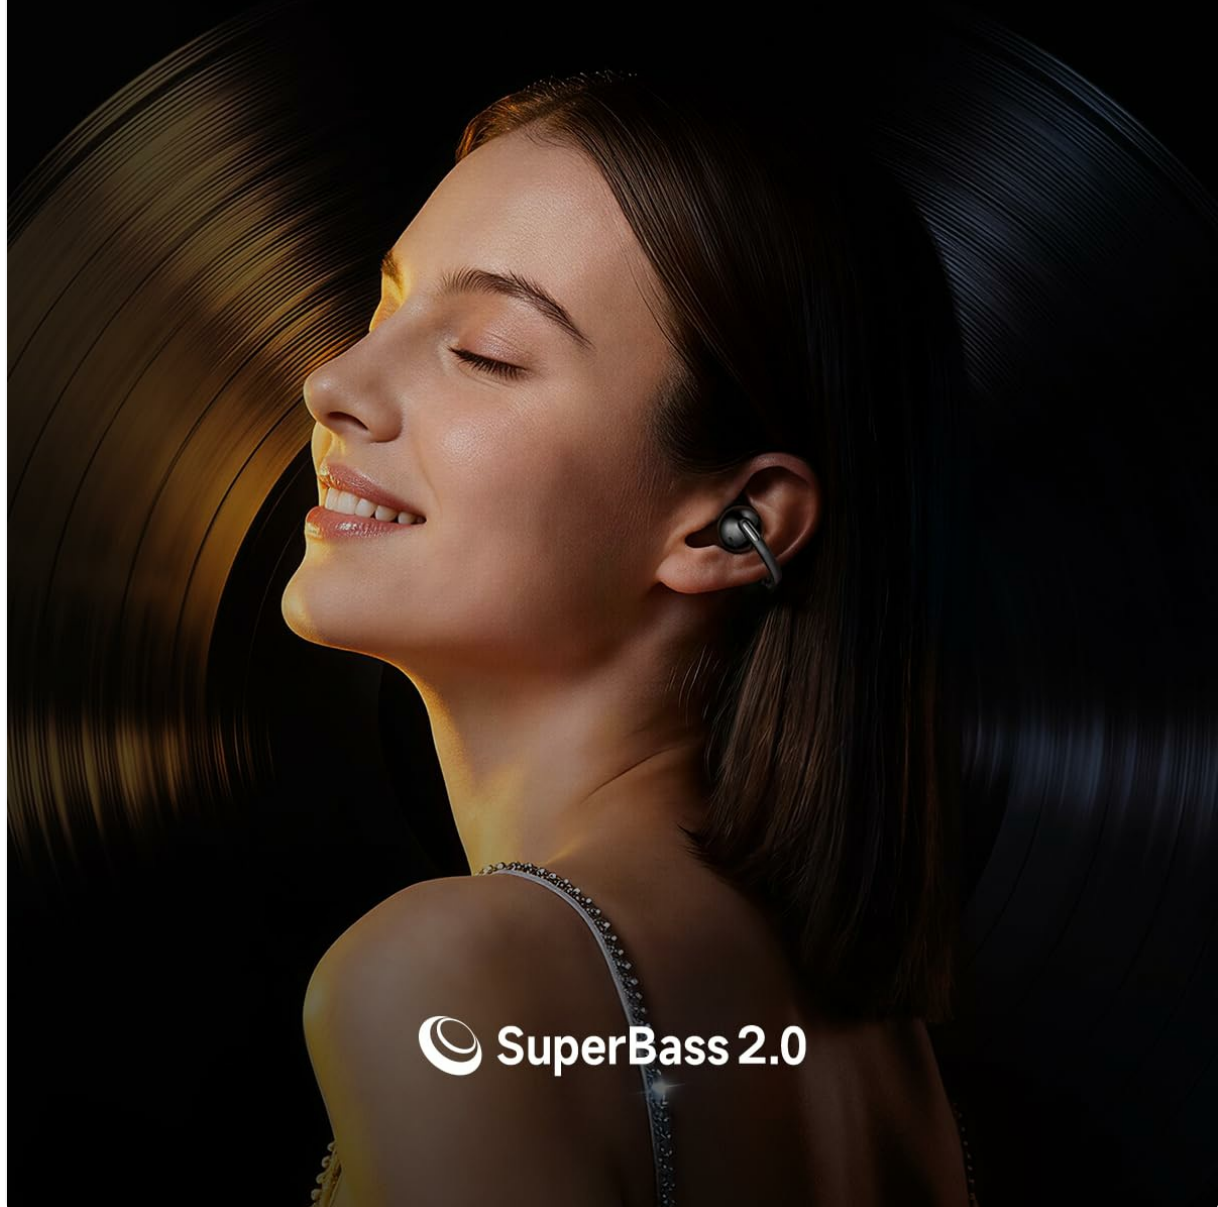

Image: An illustration depicting the 'Bass-Heavy Punchy Sound' feature, with sound waves emanating from an earbud, emphasizing the deep bass provided by the 11mm drivers and SuperBass 2.0 technology.

5.4 Clear Calls

The 4-mic AI with matrix microphone array intelligently filters background noise and wind, ensuring your voice is captured clearly during calls.

5.5 Baseus Smart Connect App

For enhanced functionality and customization, download the Baseus Smart Connect application. The app allows for firmware updates, EQ adjustments, and personalized control settings. It also enables seamless switching between two connected devices.

6. MAINTENANCE

6.1 Cleaning

- Wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Avoid using abrasive materials, solvents, or aerosol sprays.
- Ensure charging contacts are clean and free of debris for optimal charging.

6.2 Water Resistance

The earbuds are IP67 water and sweat resistant, making them suitable for workouts and use in light rain. This rating means they are protected from dust and can withstand immersion in water up to 1 meter for 30 minutes. However, they are not designed for swimming or prolonged submersion in water. Ensure the earbuds are dry before placing them back in the charging case to prevent damage.

7. TROUBLESHOOTING

- **Earbuds not pairing:** Ensure earbuds are charged and in pairing mode. Turn off and on your device's Bluetooth. Try resetting the earbuds (refer to the Baseus App or product support for specific reset instructions).
- **No sound or low volume:** Check the volume level on both your device and the earbuds. Ensure earbuds are properly connected. Clean any debris from the earbud speakers.
- **Charging issues:** Verify the charging cable and power source are working. Ensure the charging contacts on both the earbuds and case are clean and dry.
- **Button controls not responding:** Ensure the earbuds are connected to your device. If specific controls like 'previous track' are inconsistent, check for firmware updates via the Baseus Smart Connect App, as updates can resolve such issues.
- **Intermittent connection:** Keep the earbuds within range of your device. Avoid obstacles that may interfere with the Bluetooth signal.
