

Hzuaneri EBF40199B

Hzuaneri EBF40199B Bed Frame Instruction Manual

Model: EBF40199B

1. INTRODUCTION

Thank you for choosing the Hzuaneri EBF40199B Bed Frame. This manual provides essential information for the safe assembly, proper use, and maintenance of your new bed frame. Please read these instructions carefully before beginning assembly and retain them for future reference.

The Hzuaneri EBF40199B is a modern bed frame designed for comfort and durability, featuring a fabric-covered headboard and robust alloy steel construction. It includes practical under-bed storage space and is engineered for quiet operation.

2. SAFETY INFORMATION AND WARNINGS

Your safety is paramount. Please observe the following warnings and safety guidelines:

- **Wear Protective Gloves:** It is recommended to wear protective gloves during assembly to prevent injury.
- **Follow Instructions:** Always follow the assembly and usage instructions provided in this manual to ensure proper and safe operation of the product.
- **Keep Parts Away from Children:** All small parts and packaging materials should be kept out of reach of babies and children to prevent choking hazards or other injuries.
- **Maximum Weight Capacity:** Do not exceed the maximum recommended weight of 363 kg (approximately 800 lbs) for this bed frame. Overloading can cause damage and potential injury.
- **Regular Checks:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary.

This image displays crucial safety warnings and recommendations in multiple languages, advising users to wear protective gloves during assembly, follow instructions carefully, and keep all parts and packaging away from children.

3. PACKAGE CONTENTS

The Hzuaneri EBF40199B Bed Frame package includes all necessary components for assembly. Please verify that all parts are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

Included Components:

- Bed Frame Structure (various metal components)
- Fabric-covered Headboard
- Support Legs (9 pieces)
- Silent Installation Clips
- Assembly Hardware (bolts, screws, washers, Allen key)
- Assembly Instructions (detailed guide)

This image shows the bare structure of the Hzueneri EBF40199B bed frame, highlighting its durable metal slat support system and the fabric-covered headboard, ready for a mattress.

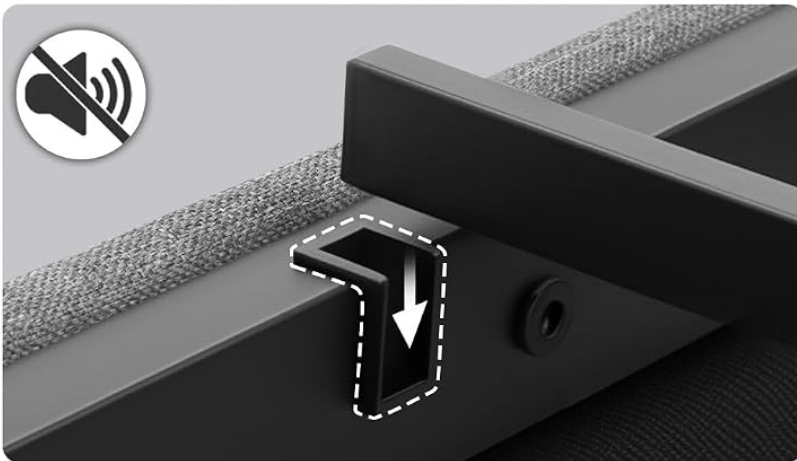

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this bed frame. While detailed instructions are included in the package, here are general steps and important considerations:

1. **Preparation:** Clear a spacious area for assembly. Lay out all components and hardware. It is recommended to assemble the bed frame with at least two people.
2. **Frame Assembly:** Connect the main frame components using the provided bolts and screws. Ensure all connections are secure but do not fully tighten until the entire frame is assembled.
3. **Slat Installation:** Attach the metal slats to the frame. Utilize the silent installation clips as indicated in the detailed instructions to ensure a quiet and stable sleeping surface.
4. **Leg Attachment:** Securely attach the nine support legs to the designated points on the bed frame.
5. **Headboard Attachment:** Connect the fabric-covered headboard to the main frame.
6. **Final Tightening:** Once all components are in place, systematically tighten all bolts and screws. Do not overtighten.

STURDY AND QUIET BED FRAME

- Non-slip, quiet strips
- No noise when turning over

Silent Installation Clips

Sturdy Bed Legs

This image displays the robust construction of the bed frame, emphasizing its sturdy design and quiet operation. It features silent installation clips to prevent noise and nine strong support legs for enhanced stability and weight distribution, capable of supporting up to 500 kg.

This image presents the Hzueneri EBF40199B bed frame fully assembled within a contemporary bedroom setting, showcasing its dark grey fabric finish and overall aesthetic.

5. OPERATING INSTRUCTIONS

The Hzueneri EBF40199B Bed Frame is designed for straightforward use once assembled.

- **Mattress Placement:** Place your suitable mattress (recommended size 190x140 cm) directly onto the metal slat support system. No box spring is required.
- **Under-Bed Storage:** Utilize the 11 cm (approximately 4.3 inches) clearance beneath the bed for storage. This space is also convenient for robot vacuum cleaners to access and clean.
- **Quiet Operation:** The bed frame is designed with silent installation clips and a sturdy structure to minimize noise during use.

This image illustrates the generous 11 cm (approximately 4.3 inches) clearance beneath the bed frame, providing ample space for storage or for robot vacuum cleaners to operate, keeping your bedroom tidy and organized.

AMPLE STORAGE SPACE

Everything you need for cleaning and organizing

This image highlights the soft and comfortable fabric covering of the bed frame, featuring a breathable texture and high resilience for enhanced comfort and durability. A person is shown relaxing on the bed, demonstrating its comfort.

6. MAINTENANCE

Proper maintenance will extend the life and appearance of your bed frame.

- **Cleaning the Fabric:** For general cleaning of the fabric headboard and frame, use a soft brush or vacuum cleaner

with an upholstery attachment to remove dust and debris. For spills, gently blot with a clean, damp cloth and mild soap, then air dry. Avoid harsh chemicals.

- **Cleaning the Metal Frame:** Wipe metal parts with a soft, damp cloth. Avoid abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically (e.g., every 3-6 months) inspect all bolts and screws. If any feel loose, retighten them using the provided Allen key or appropriate tool. Do not overtighten.

7. TROUBLESHOOTING

If you encounter any issues with your Hzuaneri EBF40199B Bed Frame, refer to the following common solutions:

- **Squeaking or Noise:** If the bed frame makes noise, first ensure all assembly bolts and screws are securely tightened. Loose connections are the most common cause of squeaking. Check that the silent installation clips are correctly seated.
- **Instability/Wobbling:** Verify that all legs are firmly attached and making even contact with the floor. Ensure all frame connections are tight. If on an uneven surface, consider using furniture pads or shims under the legs.
- **Missing or Damaged Parts:** If you discover missing or damaged parts during assembly, do not proceed. Contact Hzuaneri customer support immediately for assistance.
