# Flieks Full Size Floor Bed with Fence and Door - Instruction Manual

Model: W504P286378-MZJ

## 1. INTRODUCTION

---

Thank you for choosing the Flieks Full Size Floor Bed with Fence and Door. This manual provides essential information for the safe assembly, operation, and maintenance of your new floor bed. Designed for children, this bed offers a secure sleeping environment and facilitates the transition to independent sleeping. Please read all instructions carefully before assembly and retain this manual for future reference.

## 2. SAFETY INFORMATION

---

**Always supervise children when using the bed. Be cautious of the fence and door to prevent entrapment. Follow assembly instructions carefully to ensure stability and prevent collapse.**

- Ensure all screws and bolts are tightened securely before use.
- Regularly check all connections to ensure they remain tight.
- Do not allow children to hang or climb on the bed frame or fence.
- Place the bed on a flat, stable surface.
- Keep small parts away from children during assembly to prevent choking hazards.
- The bed is designed for a maximum weight capacity of 400 lbs. Do not exceed this limit.

## 3. PRODUCT OVERVIEW

---

The Flieks Full Size Floor Bed is constructed from premium rubber wood and quality engineered wood, ensuring durability and stability. It features a full surrounding fence and a revolving door with hinges and a steel latch for safe and easy access. The bed platform includes 7 strengthened slats for mattress support.

## 4. SETUP AND ASSEMBLY

---

The floor bed is delivered in a single package with all necessary hardware and a manual to guide you through the assembly process. Assembly is required. The two-piece side rail design facilitates compact packaging.

### Assembly Steps:

1. **Attach Legs:** Securely attach the bed legs using the provided screws.
2. **Tighten Connections:** Use the provided tool to ensure all leg screws are fully tightened.
3. **Connect Headboard to Side Rails:** Use bolts to connect the headboard to the side rails.
4. **Secure Footboard:** Attach the footboard to complete the main frame.
5. **Place Slats:** Position the bed slats across the frame to create the mattress support. Ensure they are evenly spaced and secured if applicable.
6. **Install Fence and Door:** Attach the fence panels and the revolving door, ensuring the hinges and steel latch

operate smoothly and securely.

## 5. OPERATING INSTRUCTIONS

---

This floor bed is designed for ease of use and safety. The low height allows children to enter and exit independently, fostering autonomy. The integrated fence provides a secure boundary, and the revolving door offers convenient access for both children and caregivers.

### Using the Door:

- To open the door, unlatch the steel mechanism and gently swing the door outwards.
- To close the door, swing it back into position and secure the steel latch firmly.
- Always ensure the door is latched when the child is unsupervised in the bed.

## 6. MAINTENANCE

---

Proper maintenance will extend the life of your Flieks Floor Bed.

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the wood finish.
- **Inspections:** Periodically check all screws, bolts, and connections to ensure they are tight. Re-tighten if necessary.
- **Wood Care:** Protect the wood from extreme temperature changes and direct sunlight to prevent warping or fading.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your floor bed, please refer to the following common solutions:

- **Bed feels wobbly:** Ensure all assembly screws and bolts are fully tightened. Check that the bed is placed on a level surface.
- **Door not closing properly:** Inspect the hinges and latch for any obstructions or misalignment. Ensure the door is properly seated in its frame before latching.
- **Missing parts:** Double-check all packaging materials. If parts are genuinely missing, contact customer support with your model number and a description of the missing items.
