Instruction Manual

1. INTRODUCTION

Welcome to the BLOKEES Star Wars The Mandalorian and Grogu Champion Class Model Kit 75805. This highly detailed collectible figure allows you to assemble and display the iconic characters Din Djarin and Grogu from the Star Wars universe. Designed for fans and collectors, this model kit offers an engaging building experience and a visually appealing, authentic representation of the characters.

Safety Information

WARNING:

- Not recommended for children under 3 years due to small parts that may cause choking.
- Use under adult supervision, especially with young children.
- Retain packaging, as it contains important product information.
- Do not place parts in mouth, nose, or ears.
- Keep away from fire, heat sources, and liquids.
- Periodically check for missing or damaged parts before use.
- This product is designed exclusively for play and collection; it is not a protective item.

3. ASSEMBLY INSTRUCTIONS

Assembly is required for this model kit. Follow these general steps for construction. Refer to the visual guides for detailed part identification and placement.

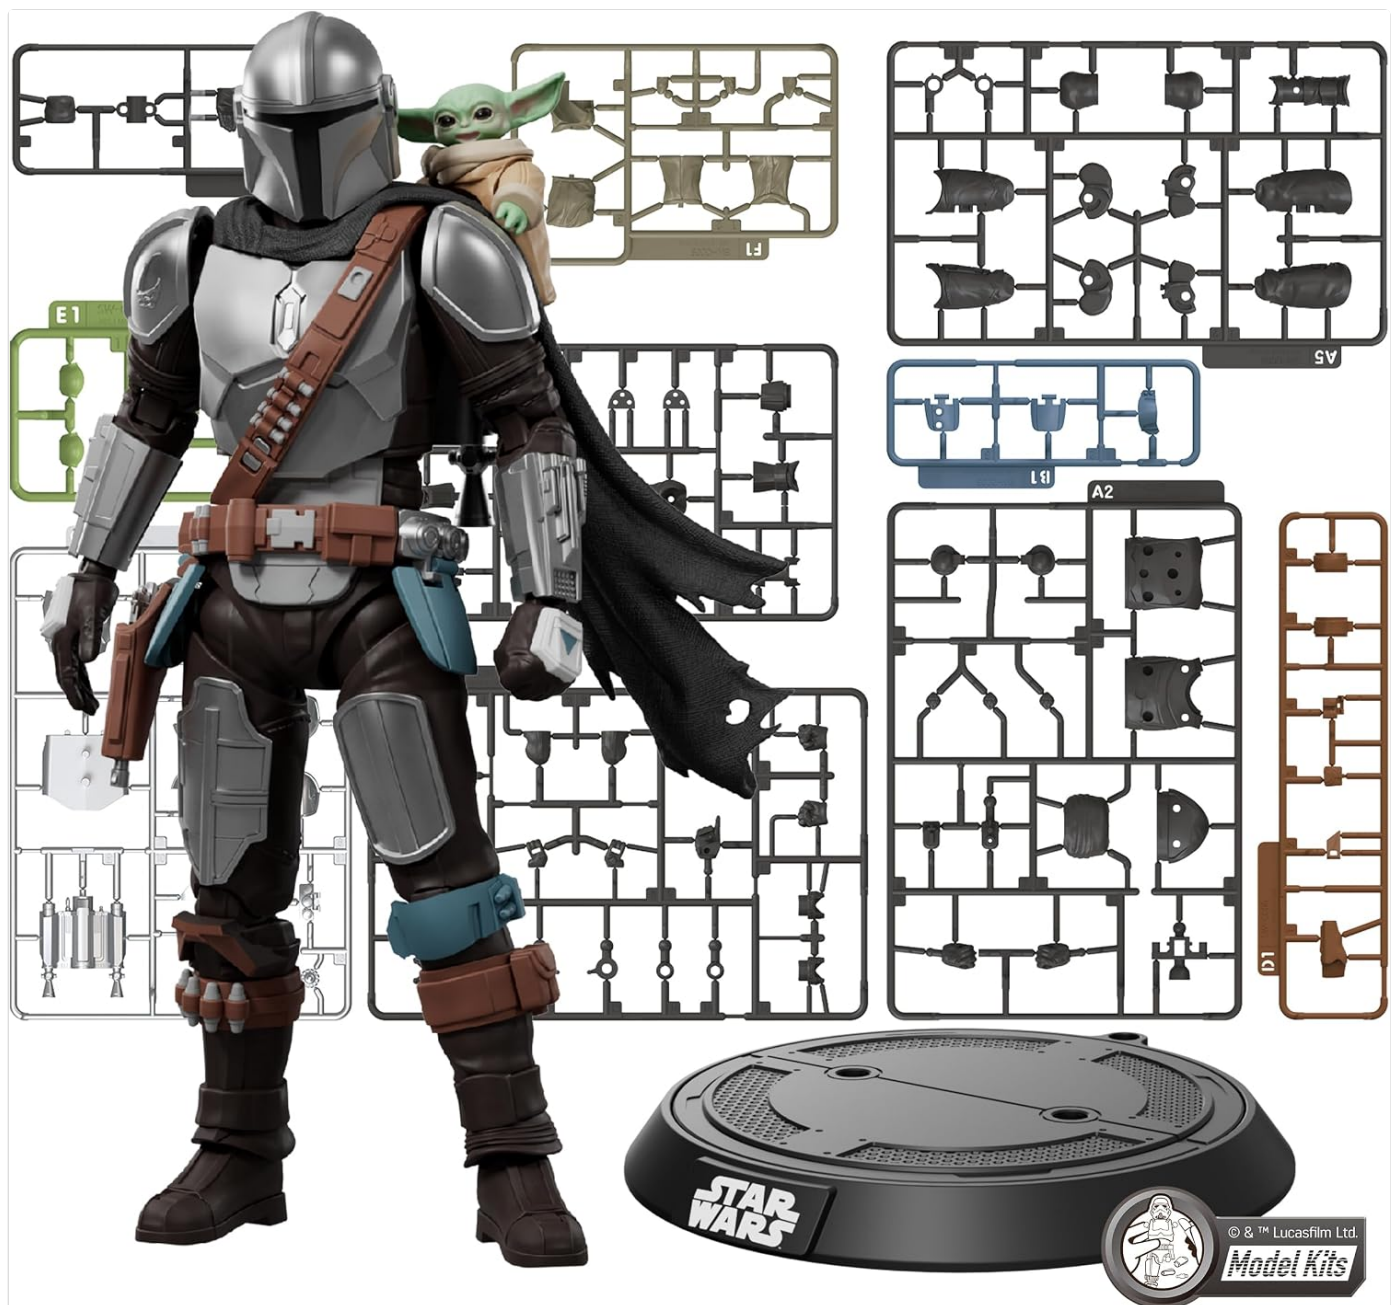

Figure 3.1: Overview of the model kit, showing parts on sprues and the completed figures.

1. **Preparation:** Carefully remove all parts from their sprues using hobby nippers or a craft knife. Smooth any rough edges with a hobby file or sandpaper if necessary.
2. **Identify Parts:** Refer to the included diagrams to identify each component. Parts are typically labeled on the sprues (e.g., A1, B2).
3. **Assemble Core Body:** Begin by assembling the main body sections of Din Djarin and Grogu. Pay attention to the orientation of each piece.
4. **Attach Limbs and Armor:** Connect the arms, legs, and armor pieces to the core body. Ensure joints are securely fitted but allow for movement if the part is designed to be posable.
5. **Head and Cape:** Attach the heads to the respective bodies. For Din Djarin, carefully attach the fabric cape as indicated in the diagrams.
6. **Accessories:** Attach weapons, interchangeable hands, and other small details. Grogu can be placed in Din Djarin's arm or other designated positions.
7. **Display Base:** Secure the assembled figures onto the provided display base.

Tip: Dry-fit parts before applying any adhesive (if using) to ensure proper alignment. Do not force parts together if they do

not fit; re-check the instructions.

4. OPERATING AND DISPLAY GUIDELINES

Once assembled, your BLOKEES figure is ready for display. The figure features posable joints, allowing for various dynamic poses.

Figure 4.1: Assembled figure in a neutral pose, showcasing the details.

- **Posing:** Gently manipulate the joints to achieve desired poses. Avoid excessive force to prevent breakage.
- **Display:** Use the included display base for stability. Position the figure on a flat, stable surface away from direct sunlight, extreme temperatures, and high humidity.
- **Interchangeable Parts:** The kit includes interchangeable hands and accessories. Carefully remove and attach these

parts to customize your display.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your collectible figure.

- **Cleaning:** Gently dust the figure with a soft, dry brush or cloth. Avoid using water, harsh chemicals, or abrasive cleaners, as these can damage the paint or material.
- **Storage:** Store the figure in a cool, dry place away from direct sunlight, which can cause discoloration or material degradation over time.
- **Handling:** Handle the figure by its main body parts rather than small, delicate accessories to prevent accidental breakage.

6. TROUBLESHOOTING

If you encounter any issues during assembly or display, refer to the following common solutions:

- **Loose Joints:** If a joint feels too loose, a very small amount of clear nail polish or hobby cement applied to the joint and allowed to dry completely can help tighten it. Apply sparingly to avoid restricting movement.
- **Difficulty Assembling Parts:** Ensure that you are using the correct parts for each step and that they are oriented correctly. Do not force parts together. Check for any excess plastic (flash) on the connection points and carefully trim it if present.
- **Missing or Damaged Parts:** Double-check the packaging and sprues for any overlooked parts. If a part is genuinely missing or damaged upon opening, contact BLOKEES customer support for assistance.
