Periodically check for software updates via the device's Wi-Fi connection. Updates often include performance improvements and bug fixes.

## 7. TROUBLESHOOTING

### 7.2 Screen Does Not Light Up

The XTEINK X3 does not feature a built-in backlight. It relies on ambient light for reading, similar to a physical book.

While the X3 supports PDF, the small screen size may make some PDF documents difficult to read. Consider converting PDF files to EPUB or TXT format for a better reading experience.

### 7.4 Charging Issues

Ensure the magnetic pogo-pins on both the device and the charger are clean and free from debris. Verify that the charger is properly connected and functioning.
