Homiflex 72-inch Double Dog Crate Furniture Instruction Manual

Model: MAHfle79l2z

Brand: Homiflex

1. INTRODUCTION AND OVERVIEW

This manual provides detailed instructions for the assembly, operation, and maintenance of your Homiflex 72-inch Double Dog Crate Furniture. This versatile unit is designed to serve as a secure enclosure for your pets and a functional piece of furniture for your home.

The crate features two separate compartments, each suitable for a large dog. A removable central divider allows for conversion into a single, larger space if needed. The robust construction ensures durability and safety for your pets.

2. SAFETY INFORMATION

- **Secure Locking Mechanism:** Always ensure all door locks are properly engaged to prevent accidental escapes.
- **Rounded Corners:** The furniture is designed with rounded corners to enhance safety for both pets and family members.
- **Pet-Safe Bottom Net:** The intensive bottom net is designed to protect your pet's paws and provide a comfortable surface. Consider adding appropriate bedding for additional comfort.
- **Supervision:** Always supervise your pets, especially during initial use, to ensure they adapt safely to the crate.
- **Weight Capacity:** Do not exceed the recommended weight capacity for the top surface when using it as a TV stand or side table.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or

damaged, please contact customer support.

- Double Dog Crate Frame (various panels and metal bars)
- 2 x Pull-Out Trays
- Secure Locks and Hinges
- Assembly Hardware (screws, bolts, etc.)
- Assembly Tools (if included, otherwise standard household tools may be required)

4. SETUP AND ASSEMBLY

Assembly of the Homiflex Double Dog Crate Furniture is designed to be straightforward. Follow the included graphical instructions carefully. It is recommended to have two people for assembly.

4.1 Initial Setup

Unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided parts list.

4.2 Assembling the Frame

Connect the side panels to the base and top panels using the provided hardware. Ensure all connections are secure but do not overtighten until the entire frame is assembled.

Sturdy and Durable Structure

The combination of heavy metal and solid wood makes it even more sturdy.

Image: The sturdy construction combines heavy metal bars with solid wood panels for enhanced durability.

4.3 Installing the Divider

The central divider can be installed to create two separate compartments or omitted for a single large space. If installing, slide it into the designated grooves and secure it as per the instructions.

Spacious Desktop

The middle door can be disassembled

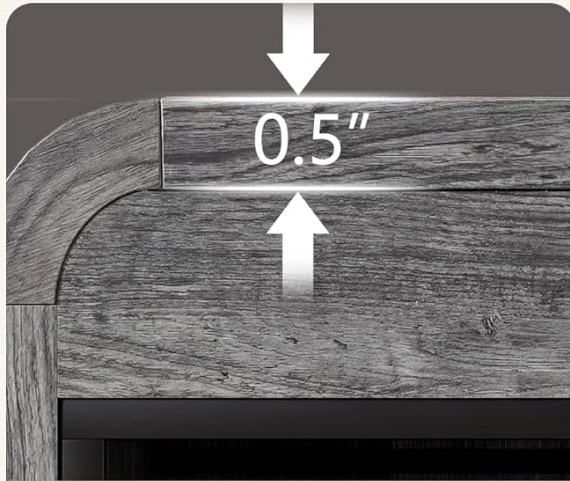

Image: The removable central divider allows for flexible space configuration, from two separate rooms to one large open area.

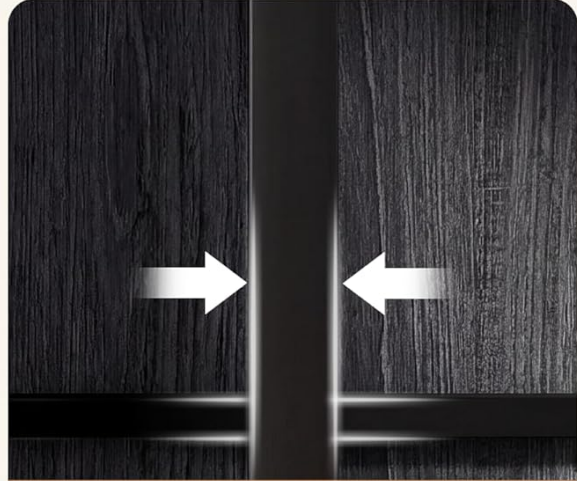

4.4 Attaching Doors and Locks

Attach the doors using the hinges and install the secure locking mechanisms. Test each lock to ensure smooth operation.

4.5 Inserting Pull-Out Trays

Slide the two pull-out trays into their respective slots at the bottom of each compartment. These trays are designed for easy cleaning.

5. OPERATING INSTRUCTIONS

5.1 Using as a Dog Crate

Open the doors by disengaging the secure locks. Guide your dog into the compartment. Close the door and ensure the lock is fully engaged. For a single large space, remove the central divider during assembly or later if desired.

5.2 Using as Furniture

The sturdy wooden top surface can be utilized as a TV stand, side table, or display area for decorative items. Ensure items placed on top are stable and do not exceed the unit's weight capacity.

6. MAINTENANCE

6.1 Cleaning the Pull-Out Trays

The two pull-out trays are designed for easy removal and cleaning. Simply slide them out, empty any debris, and wash with mild soap and water. Rinse thoroughly and dry before reinserting.

6.2 General Care for Wood and Metal

Wipe down wood surfaces with a soft, damp cloth. Avoid harsh chemicals that may damage the finish. The tabletop is made of FSC-Certified Wood and is designed to be waterproof, allowing for easy cleanup of spills.

For metal components, use a dry cloth to remove dust. If necessary, a slightly damp cloth can be used, followed by immediate drying to prevent rust.

7. TROUBLESHOOTING

- **Door Not Closing Properly:** Check hinges for proper alignment. Ensure all assembly screws are tightened correctly. If a hinge appears bent, contact customer support.
- **Lock Mechanism Issues:** Verify that the lock components are aligned and free of obstructions. If the lock grooves are flattened or damaged, gentle reshaping with a tool may be possible, but exercise caution to avoid further damage. For persistent issues, contact customer support.
- **Unstable Structure:** Recheck all connections and ensure all screws are securely fastened. Make sure the unit is placed on a flat, level surface.
- **Insufficient Space for Pet:** Refer to the 'How to Choose the Crate Size' guide in the specifications section. Ensure the crate size is appropriate for your dog's breed and dimensions.

8. SPECIFICATIONS

PRODUCT SIZE

HOW TO CHOOSE THE CRATE SIZE?

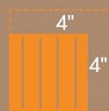

STEP 1: LENGTH

When the dog stands, measure from their nose to the bottom of the tail.

STEP 2: HEIGHT

While the dogs are sitting, measure from the ground to the top of their heads.

STEP 3

Please remember add 4" to the final measurement for comfort & mobility.
