TAGRY K08

TAGRY K08 AI Translation Earbuds User Manual

Model: K08

1. Introduction

The TAGRY K08 AI Translation Earbuds are designed to facilitate seamless communication across language barriers. Utilizing advanced AI translation technology, these earbuds offer real-time translation in multiple languages, alongside features for audio/video calls and high-fidelity music playback. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your K08 earbuds.

2. Package Contents

Please verify that all items are present in your package:

- TAGRY K08 AI Translation Earbuds (Left and Right)
- Portable Charging Case
- USB Charging Cable
- User Manual

3. Product Overview

Familiarize yourself with the components of your TAGRY K08 earbuds and charging case.

4. Setup

4.1 Initial Charging

Before first use, fully charge the earbuds and the charging case. Place the earbuds into the charging case and connect the USB charging cable to a power source. The LED display on the case will indicate the charging status.

4.2 Pairing with Your Device

1. Ensure the earbuds are charged and removed from the charging case. They will automatically enter pairing mode.
2. On your smartphone or tablet, enable Bluetooth.
3. Search for available devices and select "TAGRY K08" from the list.
4. Once connected, a voice prompt will confirm successful pairing.

4.3 App Installation

To utilize the full range of translation features and AI chat mode, download the dedicated TAGRY translation application from your device's app store. Follow the in-app instructions to connect your earbuds.

5. Operating Instructions

5.1 Power On/Off

- **Power On:** Remove the earbuds from the charging case. They will power on automatically.
- **Power Off:** Place the earbuds back into the charging case. They will power off automatically.

5.2 Touch Controls

The earbuds feature touch-sensitive controls for various functions. Refer to the in-app guide for detailed customization options.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Long press on either earbud.
- **Activate Voice Assistant/AI Chat:** Triple tap on either earbud (functionality depends on app settings).

5.3 Translation Modes

The TAGRY K08 earbuds support 164 languages and offer multiple translation modes via the dedicated application:

Image: Visual representation of the earbuds supporting 164 languages, indicated by various national flags.

- **Free Talk Mode:** Both users wear an earbud for real-time, face-to-face conversation translation.
- **Headphone+Phone Mode:** One user wears an earbud, and the other speaks into the phone for two-way conversation translation.

- **Audio/Video Call Translation:** Translate audio or video calls by sharing a link through the app.
- **Photo Translation:** Use your phone's camera through the app to translate text from images.
- **Translation Machine Mode:** Use the earbuds as a handheld translator, speaking into the phone and hearing the translation through the earbuds.

5.5 Multifunctional Design

The K08 earbuds integrate AI real-time translation, video calls, phone calls, and high-quality music playback into a single device.

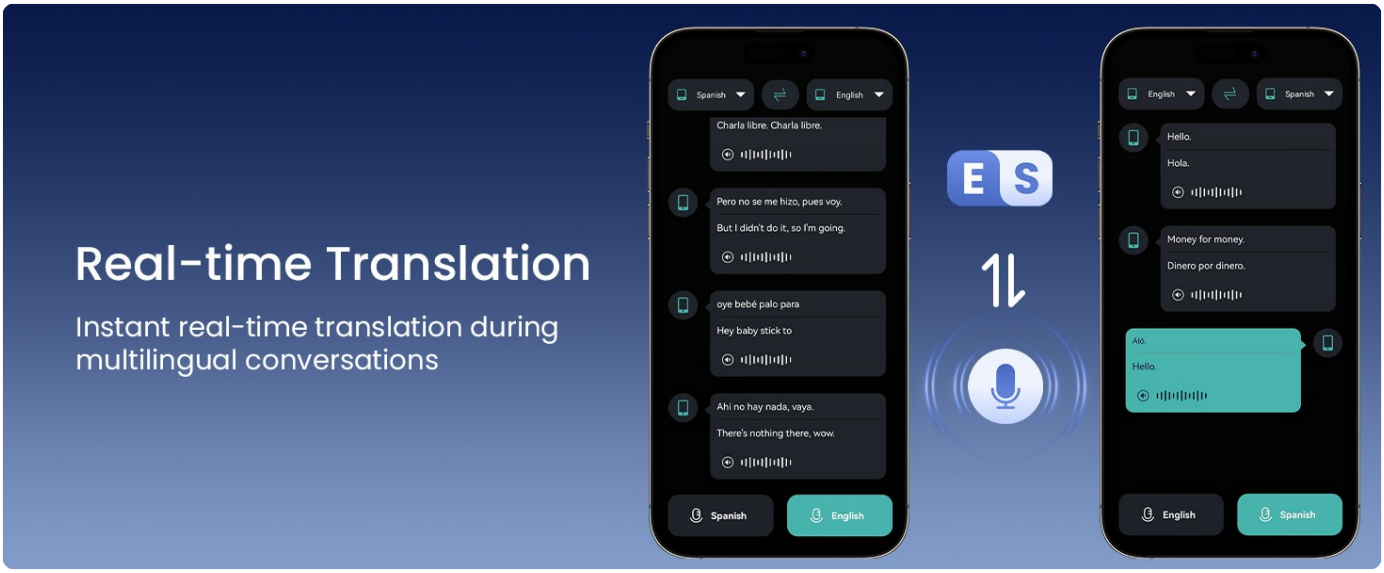

Image: An illustration highlighting the 4-in-1 functionality of the earbuds: AI Translations, Video Calls, Phone Calls, and Music.

6. Charging

The earbuds provide up to 13.5 hours of use on a single charge. The portable charging case extends the total battery life to approximately 80 hours. The charging case features an LED display to monitor battery levels.

- Place earbuds into the charging case to charge them.
- Connect the charging case to a USB power source using the provided cable to charge the case and earbuds simultaneously.
- The LED display on the charging case indicates the current battery percentage.

7. Maintenance

7.1 Cleaning

Regularly clean your earbuds and charging case to ensure optimal performance and hygiene.

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- Do not use abrasive materials, solvents, or aerosol sprays.
- Gently remove any debris from the charging contacts using a dry cotton swab.

7.2 Water Resistance

The TAGRY K08 earbuds are IPX7 waterproof, meaning they can withstand immersion in water up to 1 meter for 30 minutes. This makes them suitable for use during workouts or in light rain. However, they are not designed for swimming or prolonged submersion.

Image: The earbuds shown with water droplets, illustrating their IPX7 waterproof capability.

7.3 Storage

Store the earbuds in their charging case when not in use to protect them and keep them charged. Avoid storing them in extreme temperatures or high humidity.

8. Troubleshooting

If you encounter issues with your earbuds, refer to the following common solutions:

Problem	Possible Cause	Solution
Earbuds not pairing	Low battery, out of range, not in pairing mode, previous connection issue.	Charge earbuds, ensure device Bluetooth is on and within range, reset earbuds (refer to app for specific reset instructions), forget device in Bluetooth settings and re-pair.
No sound or poor sound quality	Low battery, volume too low, earbud placement, debris in speaker, connection issue.	Charge earbuds, adjust device/earbud volume, ensure proper fit, clean earbuds, reconnect Bluetooth.
Translation not working or inaccurate	App not open/connected, internet connection, incorrect language settings, background noise.	Ensure app is running and connected, check internet connection, verify language settings in app, speak clearly and reduce background noise.
Charging case not charging	Faulty cable/adapter, dirty charging port.	Try a different USB cable and power adapter, clean the charging port.

9. Specifications

Feature	Detail
Brand	TAGRY
