

KEIKI LH04944

KEIKI Queen Size Vertical Cabinet Murphy Bed

Model: LH04944

Brand: KEIKI

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Professional Installation Recommended:** This Murphy bed requires secure wall mounting. Professional installation is highly recommended to ensure stability and safety.
- **Assembly Personnel:** Assembly requires 2 to 4 people due to the size and weight of components. Do not attempt to assemble alone.
- **Weight Capacity:** The bed has a maximum weight capacity of 1102 lbs (approximately 500 kg). Do not exceed this limit.
- **Mattress Thickness:** Use a mattress with a recommended thickness of 8-10 inches.
- **Secure Wall Mounting:** Ensure the bed is securely anchored to a suitable wall structure. Consult a professional if unsure about wall type or anchoring methods.
- **Children and Pets:** Keep children and pets away from the bed during operation to prevent injury.

For additional safety guidelines, please refer to local building codes and safety standards.

2. PACKAGE CONTENTS

Your KEIKI Murphy Bed is shipped in 3 packages. Please verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer support immediately.

Included Components:

- MDF Cabinet Panels (White)
- Metal Bed Frame (Grey)

- Multi-layer Solid Wood Slats (26 pieces)
- Automatic Support Legs
- Hydraulic Rods (Two-stage)
- Mattress Straps
- Assembly Hardware Kit (screws, bolts, connectors)
- Assembly Tools (basic tools provided)

3. ASSEMBLY INSTRUCTIONS

This section provides general guidance for assembling your KEIKI Murphy Bed. Detailed, step-by-step instructions with diagrams are included in the separate assembly manual provided in the packaging. Always refer to that manual for precise steps.

1. **Preparation:** Clear a large, open workspace. Ensure you have 2-4 people available for assembly. Unpack all components and lay them out, comparing them against the parts list in the detailed manual.
2. **Cabinet Assembly:** Begin by assembling the main cabinet structure using the provided MDF panels and hardware. Ensure all connections are tight and secure.
3. **Wall Mounting:** This is a critical step. The cabinet must be securely anchored to a sturdy wall. Identify suitable wall studs or use appropriate wall anchors for your wall type. **Professional assistance is strongly recommended for this step.** Incorrect wall mounting can lead to instability and serious injury.
4. **Bed Frame Assembly:** Assemble the metal bed frame, including the multi-layer solid wood slats. Attach the automatic support legs and hydraulic rods as per the detailed instructions.
5. **Integration:** Carefully integrate the assembled bed frame into the cabinet structure. Connect the hydraulic rods and ensure all moving parts operate smoothly.
6. **Final Checks:** Before placing a mattress, perform a thorough check of all screws, bolts, and connections to ensure they are secure. Test the opening and closing mechanism several times.

Note: No additional product image URLs were provided in the input for embedding specific assembly steps. Please refer to the physical instruction manual for detailed diagrams.

4. OPERATING INSTRUCTIONS

Operating your KEIKI Murphy Bed is designed to be smooth and safe with its assisted support system.

1. Opening the Bed:

- Grasp the metal handle located on the front panel of the cabinet.
- Gently pull the bed downwards. The two-stage hydraulic rods will assist in a controlled descent, preventing sudden drops.
- As the bed lowers, the automatic support legs will deploy and land safely, providing stable support.
- Ensure the bed is fully extended and the legs are firmly on the floor before use.

2. Closing the Bed:

- Remove any bedding or pillows that might obstruct the closing mechanism.
- Grasp the metal handle and gently lift the bed upwards. The hydraulic rods will assist in lifting the bed smoothly.
- As the bed rises, the automatic support legs will retract.
- Continue lifting until the bed is fully vertical and securely latched into the cabinet.

3. **Mattress Straps:** Use the provided mattress straps to secure your mattress to the bed frame, preventing it from shifting when the bed is in the vertical position.

Note: No product video URLs were provided in the input for embedding. Please refer to the physical instruction manual for operational diagrams.

5. MAINTENANCE

Regular maintenance will help prolong the life and ensure the safe operation of your KEIKI Murphy Bed.

- **Cleaning:** Wipe down the MDF cabinet surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For the metal frame, use a mild cleaner if necessary.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections, especially those for wall mounting and the bed frame. Tighten any loose hardware.
- **Slat Inspection:** Check the wooden slats for any signs of damage or cracking. Replace any damaged slats immediately to maintain proper mattress support.
- **Hydraulic Rods:** Ensure the hydraulic rods operate smoothly. Do not apply lubricants unless specifically instructed by the manufacturer.
- **Moving Parts:** Keep the area around the bed's moving parts clear of obstructions.

6. TROUBLESHOOTING

If you encounter issues with your KEIKI Murphy Bed, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bed does not open/close smoothly.	Obstruction, loose hardware, hydraulic rod issue.	Check for obstructions. Inspect and tighten all hardware. If hydraulic rods seem faulty, contact customer support.
Bed feels unstable when open.	Improper wall mounting, loose connections, uneven floor.	Verify wall mounting is secure. Check all frame connections. Ensure the floor is level; use shims if necessary.
Mattress shifts when bed is closed.	Mattress straps not used or loose.	Ensure mattress straps are properly secured and tightened around the mattress.

If the problem persists after attempting these solutions, please contact KEIKI customer support for further assistance.
