VASAGLE UHSC601KC01

VASAGLE ELLAN Collection Shoe Cabinet

Model: UHSC601KC01

Brand: VASAGLE

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your VASAGLE ELLAN Collection UHSC601KC01 Shoe Cabinet. Please read these instructions carefully before assembly and use to ensure safe and correct operation. Keep this manual for future reference.

Safety Information

- **Anti-Tip Kit:** Always secure the shoe cabinet to the wall using the included anti-tip kit to prevent accidental tipping, which can cause serious injury.
- **Weight Capacity:** Do not exceed the maximum static load capacity for the top surface (27 kg / 59.5 lbs) or for each flip drawer (15 kg / 33 lbs). Overloading can lead to instability and damage.
- **Assembly:** Follow all assembly steps precisely. Ensure all parts are correctly installed and tightened before use.
- **Placement:** Place the cabinet on a level, stable surface. Avoid placing it in areas with high humidity or direct sunlight to prevent material degradation.
- **Children:** Keep children away from the product during assembly. Do not allow children to climb on or play with the cabinet.

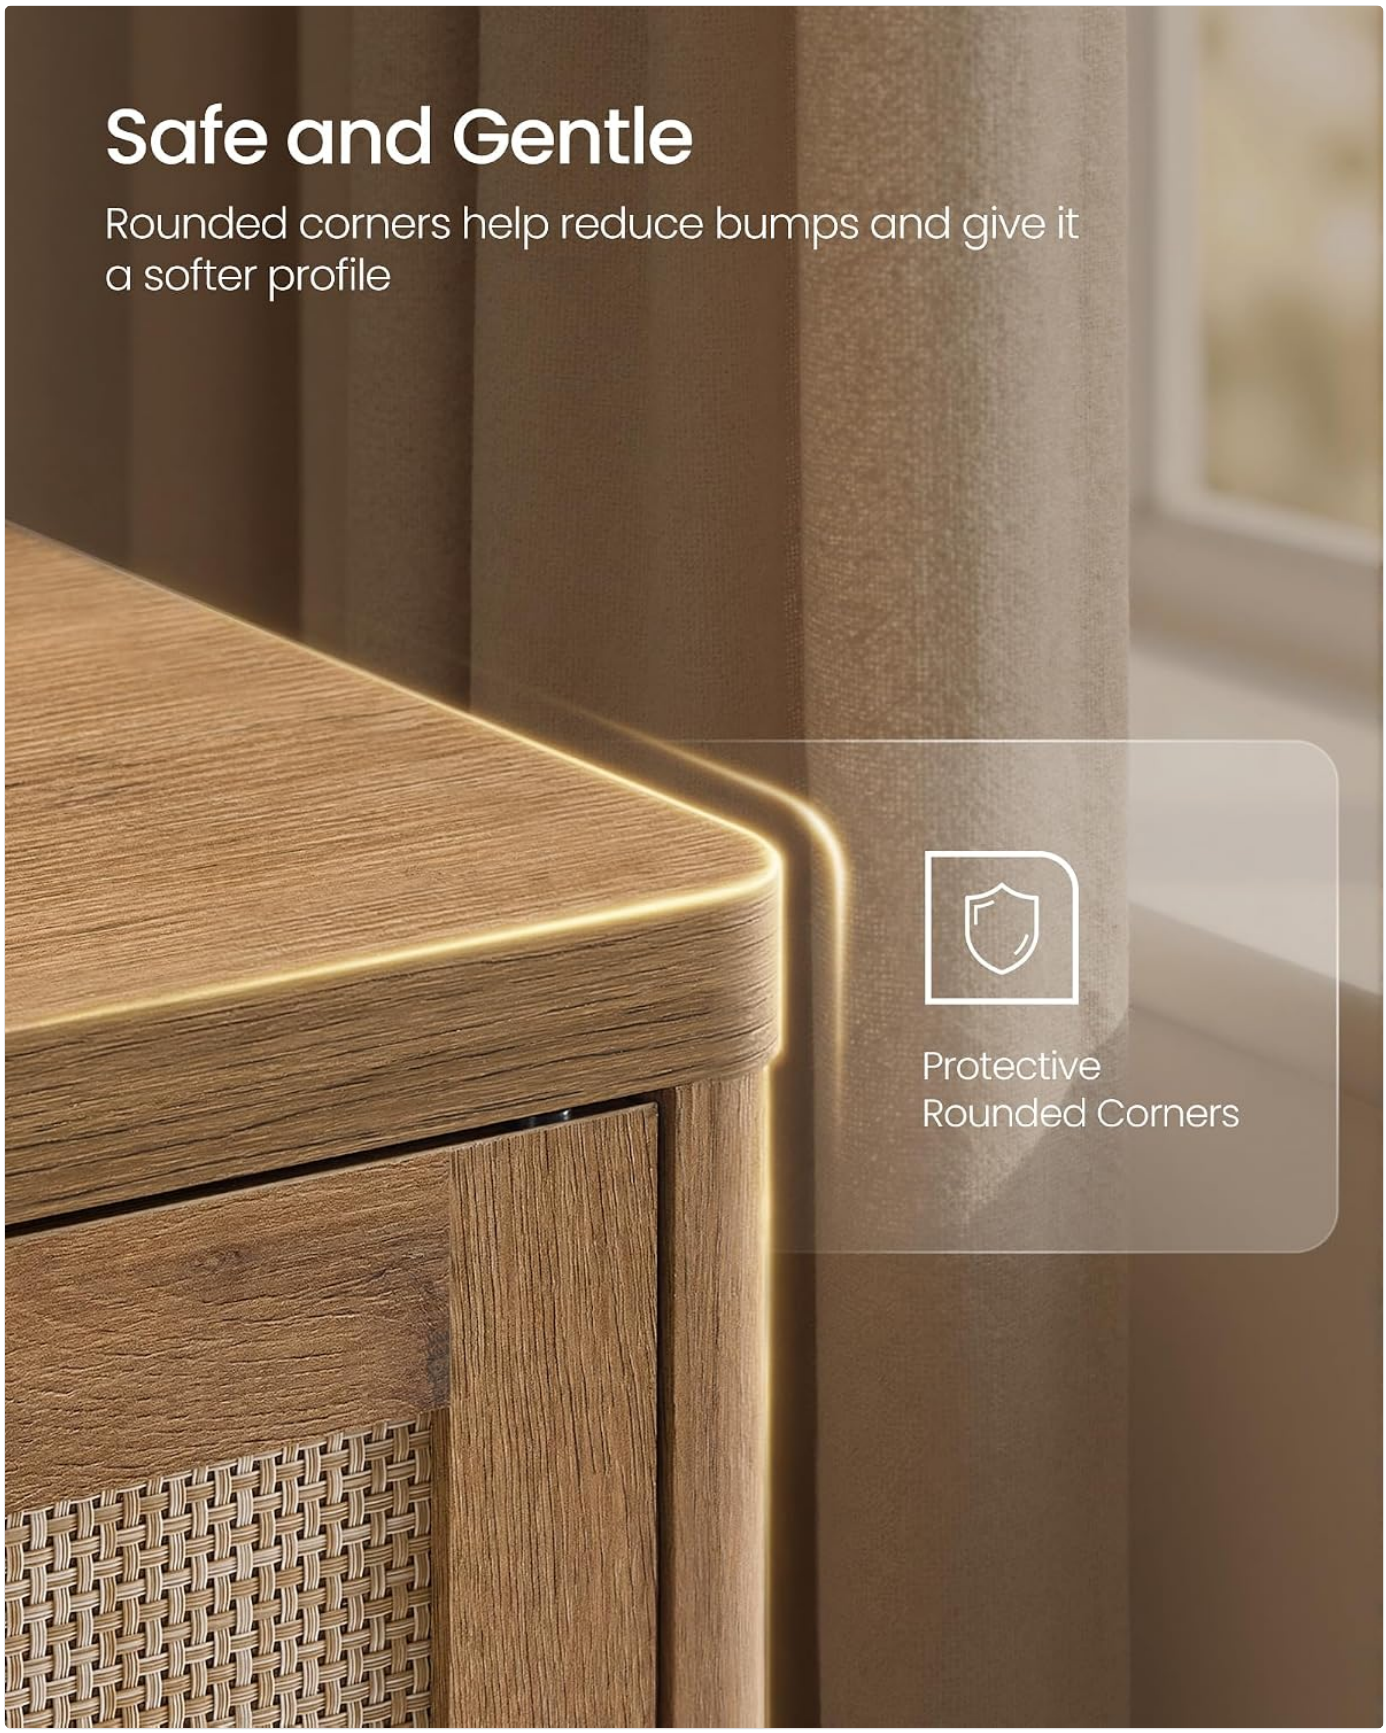

Image: The cabinet features rounded corners for enhanced safety and a softer profile.

Package Contents

Before beginning assembly, verify that all components listed below are present and undamaged:

- 1 x Shoe Cabinet (main unit)

- 1 x Assembly Kit (hardware and tools)
- 1 x Anti-Tip Kit (for wall mounting)
- 1 x Instruction Manual

Setup and Assembly

Assembly is required for this product. Please follow the illustrated manual provided in the package. All parts are labeled for easy identification.

1. **Unpack:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in the included manual to identify each component.
3. **Assemble Frame:** Follow the step-by-step diagrams to assemble the main frame of the shoe cabinet. Ensure all screws are tightened securely.
4. **Install Drawers:** Assemble and install the two flip-down drawers according to the instructions.
5. **Attach Anti-Tip Kit:** This is a critical safety step. Securely attach the anti-tip device to the back of the cabinet and to a solid wall stud using the provided hardware. This prevents the cabinet from tipping over.

Note: Two people are recommended for assembly to ensure stability and ease of handling.

Image: Product dimensions are approximately 86 cm (33.9 inches) wide, 24 cm (9.4 inches) deep, and 83.5 cm (32.9 inches) high. Maximum shoe size capacity is US Size 9.5. Please measure your shoes to ensure fit.

Operating Instructions

Using the Flip-Down Drawers

The cabinet features two flip-down drawers designed for shoe storage. Gently pull the handle to open each drawer. The drawers are equipped with internal dividers.

Customizable Storage

Each flip-down drawer includes an adjustable divider. This allows you to customize the storage space to accommodate various shoe types and sizes. The divider can be set at different heights or removed entirely.

- For standard women's shoes, each drawer can hold up to 8 pairs (total 16 pairs).
- For standard men's shoes, each drawer can hold up to 6 pairs (total 12 pairs).
- To store taller items like boots, remove the internal divider. This will reduce the total shoe capacity per drawer.

Image: The cabinet offers customizable storage with removable shelves, allowing for various shoe types including boots when shelves are removed.

Space Efficiency

The slim profile of this cabinet is designed to maximize space efficiency in narrow areas such as entryways and hallways, while providing ample storage.

Image: The cabinet's slim design (9.4 inches / 24 cm deep) allows it to fit efficiently in tight spaces.

Maintenance

- **Cleaning:** Wipe the surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish and synthetic rattan.

- **Spills:** Promptly wipe up any spills to prevent staining, especially on the synthetic rattan surfaces which are designed to resist water and stains.
- **Durability:** The cabinet is constructed with 1.2-inch thick panels for enhanced strength and durability. Regular checks of all connections and hardware are recommended to ensure long-lasting use.
- **Environment:** Keep the cabinet away from direct heat sources and prolonged exposure to sunlight to prevent warping or fading.

Image: The cabinet features 1.2-inch (3 cm) thick panels, contributing to its sturdy and stable structure.

Troubleshooting

Problem	Possible Cause	Solution
Drawer does not open smoothly or catches.	Incorrect assembly of drawer mechanism; obstruction inside the drawer.	Review assembly steps for the flip-down drawers. Ensure all components are aligned correctly. Check for any items obstructing the drawer's movement.
Handles are loose or screws are too short.	Screws not fully tightened; incorrect screws used; manufacturing variation.	Ensure the correct screws are used for the handles and tighten them firmly. If screws are genuinely too short, contact customer support for replacement parts.
Cabinet feels unstable or wobbly.	Not all screws are tightened; cabinet not placed on a level surface; anti-tip kit not installed.	Check and tighten all assembly screws. Ensure the cabinet is on a flat, stable floor. Install the anti-tip kit to secure the cabinet to the wall.
Missing or damaged parts.	Packaging error; shipping damage.	Do not proceed with assembly. Contact customer support immediately for replacement parts.

Specifications

Model Number	UHSC601KC01
Brand	VASAGLE
Color	Natural Brown
Material	MDF (Medium Density Fiberboard), Particleboard, Synthetic Rattan
Product Dimensions (D x W x H)	23.9 cm x 86.1 cm x 83.6 cm (9.4 in x 33.9 in x 32.9 in)
