3. MAINTENANCE

3.1 Cleaning

To clean the desk surfaces, wipe with a damp cloth, then immediately wipe dry with a clean, dry cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.

3.2 General Care

- Do not overload the desk or place excessively heavy items on any part of the desk.
- Keep the charging station dry and free of debris.
- Unplug the charging station when not in use or during electrical storms.
- Periodically check all screws and fasteners to ensure they remain tight.

4. TROUBLESHOOTING

4.1 Charging Station Not Functioning

- Ensure the desk's main power cord is securely plugged into a functional wall outlet.
- Verify that the master on/off switch on the charging station is in the 'ON' position.
- Check if the device you are trying to charge is properly connected and functional.
- If the issue persists, try plugging another device into the charging station to isolate the problem.

4.2 Drawers or Cabinet Not Opening/Closing Smoothly

- Check for any obstructions inside the drawers or cabinet.
- Ensure the desk is on a level surface. Uneven surfaces can affect drawer alignment.
- Verify that the drawer slides are clean and free of debris.

4.3 Desk Instability

- Ensure all assembly screws and fasteners are tightened securely.
- Verify the desk is placed on a flat, level surface.
- Confirm that the desk has been properly anchored if applicable.
