2. Safety Instructions

- Ensure the chair is fully unfolded and all locking mechanisms are engaged before use.
- Do not exceed the maximum weight capacity of 300 lbs (136 kg).
- Place the chair on a stable, level surface to prevent tipping.
- Keep fingers clear of moving parts during folding and unfolding to avoid pinching.
- Do not stand on the chair.
- Supervise children around the chair.

3. Package Contents

Verify that all components are present before assembly and use:

- 1 x VINGLI 31" Tall Director's Chair
- 1 x Carrying Bag

4. Setup and Assembly

The VINGLI Director's Chair is designed for quick deployment and requires no tools for assembly.

1. **Unfolding the Chair:**

   Grasp the top of the chair frame and the bottom footrest bar. Gently pull them apart to extend the chair into its upright position. Ensure all four legs are firmly on the ground and the seat fabric is taut.

2. **Deploying the Side Table:**

   Locate the foldable tabletop on the side of the chair. Lift the table upwards and swing it out until it locks into a horizontal position. Ensure it is securely latched.

3. **Extending the Footrest:**

   The footrest is retractable. Pull the footrest bar outwards from beneath the chair until it extends fully. Push it back in to retract when not needed.

5. Operating Instructions

This section details the use of the chair's features.

- **Using the Side Table:** The foldable side table provides a stable surface for beverages, small tools, or personal items. Ensure it is fully extended and locked before placing items on it.
- **Utilizing Storage Pockets:** The multi-pocket storage unit attached to the side of the chair is designed to hold various essentials such as phones, brushes, or scripts. Organize items for easy access.

- **Adjusting the Footrest:** The retractable footrest can be extended for added comfort during long periods of sitting or retracted to save space.
- **Folding the Chair for Storage:** To fold, retract the footrest and fold the side table back into its stored position. Then, push the sides of the chair frame together until it collapses flat. Secure with the carrying bag for transport.

6. Maintenance

- **Cleaning:** Wipe the steel frame with a damp cloth and mild detergent. The 600D Oxford fabric can be spot cleaned with a mild soap solution and air-dried. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the chair in its carrying bag in a dry, cool place when not in use to protect it from elements and prolong its lifespan.
- **Inspection:** Periodically check all bolts, screws, and fabric for wear and tear. Tighten any loose fasteners.

7. Troubleshooting

Problem	Possible Cause	Solution
Chair feels unstable.	Not fully unfolded or placed on uneven ground.	Ensure the chair is fully extended and all legs are on a level surface.
Side table does not stay open.	Not locked into position.	Push the side table firmly until it clicks into its horizontal locked position.
Difficulty folding the chair.	Footrest or side table still extended.	Retract the footrest and fold the side table before attempting to collapse the main frame.
