Step 1: Prepare Components

Unpack all building blocks and sort them by color and shape. This will help streamline the assembly process. Ensure you have a clean, flat surface to work on.

Step 2: Construct Tulip Buds and Blooms

Follow the detailed diagrams in your instruction manual to assemble the individual tulip components. The set includes pieces to create tulips in various stages of bloom:

- **Tight Bud:** Assemble the pieces to form a closed, compact tulip bud.
- **Full Bud:** Construct a slightly opened bud, showing the initial hint of petals.
- **Unfolding Bloom:** Build tulips with partially opened petals, revealing the inner structure.
- **Full Bloom:** Create fully opened tulips with all petals extended, showcasing the intricate center.

Maintenance

To keep your SupreOwls Dark Purple Tulip Flower Building Set looking its best, follow these simple maintenance guidelines:

- **Cleaning:** Dust the assembled flowers regularly with a soft, dry cloth or a soft brush. For more stubborn dirt, gently wipe with a slightly damp cloth and then dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss or damage.
- **Handling:** While durable, avoid excessive force when adjusting or handling the flowers to prevent breakage of small parts.

Troubleshooting

Most issues can be resolved by carefully reviewing the assembly instructions. If you encounter any of the following, please refer to the solutions below:

- **Difficulty connecting pieces:** Ensure pieces are correctly oriented and aligned. Apply gentle, even pressure. Do not force pieces together.
- **Loose connections:** Double-check that pieces are fully seated. If a piece consistently feels loose, ensure it is the correct part for that step.
- **Missing or damaged parts:** If you find that any components are missing or damaged upon opening the package, please contact customer support immediately. Refer to the "Support and Warranty" section for contact details.
