SONGMICS ULGS031B101S

SONGMICS BELLAH Collection TV Stand User Manual

Model: ULGS031B101S

INTRODUCTION

Thank you for choosing the SONGMICS BELLAH Collection TV Stand. This manual provides essential information for the safe assembly, operation, and maintenance of your new entertainment center. Please read these instructions carefully before assembly and retain them for future reference.

SONGMICS

by SONGMICS HOME

Fits TVs up to 55"

PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged:

- 1 x TV Stand (main components)
- 1 x Accessory Kit (hardware, screws, tools)
- 1 x Anti-Tip Kit
- 1 x Instructions Manual (this document)

SAFETY INFORMATION

To ensure safe use and prevent injury or damage, please adhere to the following safety guidelines:

- **Anti-Tip Kit:** Always secure the TV stand to the wall using the included anti-tip kit. This prevents accidental tipping, especially in households with children or pets.
- **Weight Capacity:** Do not exceed the maximum static load capacities for each section:
 - Top Surface: 88 lb (40 kg)
 - Each Open Shelf: 88 lb (40 kg)
 - Drawer: 17.6 lb (8 kg)
- **Ventilation:** If a "new" smell is present upon unboxing, air out the unit in a well-ventilated area for a few hours.
- **Environment:** Do not use outdoors or place in damp environments for extended periods.
- **Stability:** The unit features adjustable feet to help keep it level on uneven floors. Adjust as needed for optimal stability.

SETUP AND ASSEMBLY

This TV stand is designed for straightforward assembly. Follow the clear instructions provided in the separate assembly

guide, which includes numbered parts and necessary tools. Ensure all parts are correctly oriented and securely fastened.

1. Unpack all components and verify against the package contents list.
2. Identify each part using the labels or diagrams in the assembly guide.
3. Assemble the frame structure according to the step-by-step instructions.
4. Attach the shelves and drawer components.
5. Install the LED strip and connect the power supply.
6. Secure the anti-tip kit to the wall and the TV stand.
7. Adjust the feet for stability on your floor surface.

OPERATING INSTRUCTIONS

LED Lighting System

The TV stand features an integrated LED strip for ambient lighting. Control options include both an app and a physical button.

- **App Control:** Download the dedicated mobile application (scan the QR code usually found near the LED switch or in the assembly guide). The app allows you to choose from over 60,000 colors, adjust brightness, set timers, and synchronize the lights with music or microphone input for dynamic effects.
- **Button Control:** A physical button on the unit provides basic control over the LED lights, typically for power on/off and cycling through preset modes or colors.

Built-in Charging Ports

The entertainment center includes convenient charging options to power your devices.

- **AC Outlets:** Two (2) standard AC outlets (250V/15A) are provided for powering your TV, game consoles, or other

electronics.

- **USB Ports:** One (1) USB-A port (5V/2A) and one (1) USB-C port (5V/2A) are available for charging smartphones, tablets, and other USB-powered devices.

MAINTENANCE

Proper care will extend the life and appearance of your TV stand:

- **Cleaning:** Wipe the surfaces with a dry cloth. For the non-woven fabric drawers, clean them with a damp cloth and allow to air dry completely. Do not wash the drawers.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or strong chemical solutions, as these can damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the material.

TROUBLESHOOTING

If you encounter any issues with your TV stand, consider the following common solutions:

- **Wobbling/Instability:** Ensure all screws are tightened. Adjust the leveling feet on the bottom of the stand to compensate for uneven floors. Verify the anti-tip kit is securely installed.
- **LED Lights Not Working:** Check that the power adapter is securely plugged into both the stand and a working wall outlet. If using app control, ensure your device is properly paired via Bluetooth.
- **Charging Ports Not Functioning:** Confirm the TV stand's power cord is plugged into a live electrical outlet. Test with different devices and cables to rule out device-specific issues.
- **Drawer Issues:** Ensure the drawer is correctly inserted into its runners. Check for any obstructions preventing smooth operation.

For persistent issues not resolved by these steps, please contact customer support.

SPECIFICATIONS

Model Number	ULGS031B101S
Color	Ink Black
Material	MDF (Medium Density Fiberboard), Particleboard, Steel, Non-Woven Fabric
Product Dimensions (D x W x H)	11.8" x 44.8" x 23.6" (30 x 113.8 x 60 cm)
