Product Features

- **High-Definition Thermal Printing:** Produces crisp, clear labels at 203 DPI without the need for ink or toner.
- **Smart Labelnize App:** Features over 2500 icons, 3800 templates, and 430 fonts. Supports Excel import, batch printing, AI text-to-image, and OCR text recognition.
- **Automatic Label Recognition:** Built-in RFID chip in compatible TYPONOS labels allows the app to automatically detect label size, eliminating manual setup.
- **Multi-System Compatibility:** Connects via Bluetooth to iOS and Android phones/tablets, and via USB to Mac and Windows PCs.
- **Portable and Rechargeable:** Compact design (8.5D x 11.7W x 5.9H cm, 207g) with a built-in 1500mAh battery, offering up to 100 days of standby time per full charge.
- **Auto Paper Rewind:** Designed to prevent label waste and ensure smooth printing.
- **Durable Labels:** TYPONOS labels are waterproof, oil-resistant, tear-resistant, and BPA-free.

Setup

1. App Installation (Mobile Devices)

1. Download the "Labelnize" app from the App Store (iOS) or Google Play Store (Android).
2. Ensure Bluetooth is enabled on your mobile device.

2. Label Roll Installation

1. Open the upper cover of the label maker.
2. Insert the label roll into the holder. Ensure the label side faces upwards.
3. Pull out 2-3mm of the label paper, leaving it exposed outside the printer slot.
4. Close the cover firmly.
5. Turn on the printer. The device will automatically detect the label size if using TYPONOS labels with RFID chips.

3. Connecting to Device

- **For Phones/Tablets (Bluetooth):**
    a. Turn on the PM240 label maker.
    b. Open the Labelnize app on your device.
    c. Follow the in-app instructions to connect via Bluetooth.
- **For PC (USB):**
    a. Turn on the PM240 label maker.
    b. Visit the official Labelnize website (labelnize.com) to download the necessary driver and software.
    c. Install the driver and software on your PC.
    d. Connect the PM240 to your PC using the supplied USB Type-C cable. Use a direct USB port on your PC, avoiding multi-port adapters.

Note: Bluetooth and USB connections cannot be active simultaneously.

Operating Instructions

1. Printing via Labelnize App (Mobile)

1. Ensure the label maker is connected via Bluetooth.
2. Open the Labelnize app.
3. Select a template or create a new label design using the available icons, fonts, and borders.
4. Customize text, images, QR codes, or barcodes as needed.
5. Preview your label.
6. Tap the "Print" button to send the label to the PM240.

2. Printing via PC Software

1. Ensure the label maker is connected via USB and the driver/software are installed.
2. Open the Labelnize software on your PC.
3. Design your label or import data (e.g., from Excel for batch printing).
4. Adjust print settings as required.
5. Initiate printing from the software.

Maintenance

- **Cleaning:** Regularly clean the print head with an alcohol wipe to ensure optimal print quality. Ensure the device is off and cool before cleaning.
- **Storage:** Store the label maker and label rolls in a cool, dry place away from direct sunlight.
- **Battery Care:** Charge the device regularly to maintain battery health. Avoid fully discharging the battery for extended periods.

Troubleshooting

- **Device not connecting (Bluetooth/USB):**
  - Ensure only one connection type (Bluetooth or USB) is active.
  - For Bluetooth, check if the device is powered on and discoverable. Restart the app and device.
  - For USB, ensure the driver is installed and the cable is connected directly to a PC port.
- **Printing errors or blank labels:**
  - Verify the label roll is installed correctly, with the printable side facing the print head.
  - Ensure the green liner sticker on TYPONOS labels is not removed, as this can cause detection issues.
  - Check if the label roll is compatible with the PM240.
- **Device powers off automatically:**
  - The device has an auto power-off feature (default 30 minutes of inactivity). This can be adjusted (15/30/60 mins) or disabled via the Labelnize app settings.
- **Poor print quality:**
  - Clean the print head.
  - Ensure you are using compatible TYPONOS PM240 labels.
  - Check the label roll for any damage or wrinkles.

Specifications

Feature	Detail
Brand	TYPONOS
Model Name	PM240
Product Dimensions	8.5D x 11.7W x 5.9H cm
Item Weight	0.2 kg (207g)
