COSTWAY Picnic Table with Bench Set

COSTWAY Round Picnic Table with Umbrella Hole Instruction Manual

Model: Picnic Table with Bench Set

1. INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your COSTWAY Round Picnic Table with Umbrella Hole. Please read these instructions thoroughly before use and retain them for future reference. This picnic table is designed for outdoor use, comfortably seating 4 to 8 people, and features a central hole for a patio umbrella.

This image shows the assembled green round picnic table with its integrated benches, suitable for outdoor dining. A patio umbrella is shown inserted into the central hole, providing shade.

2. SAFETY INFORMATION

- Do not exceed the maximum load capacity of **300 lbs** for the table.
- Each seat has a maximum load capacity of **500 lbs**.
- Ensure the umbrella pole fits the **1.9-inch** hole diameter before securing.
- Keep away from sharp edges during assembly to prevent injury.
- Adult supervision is recommended for children using the picnic table.
- Always ensure all connections are securely tightened before use.
- Do not stand on the table or benches.

3. PACKAGE CONTENTS

The COSTWAY Round Picnic Table with Umbrella Hole is shipped in two packages. Please verify all components are

present before assembly. Refer to the included packing list for a detailed inventory of parts and hardware.

4. ASSEMBLY INSTRUCTIONS

Assembly of this picnic table requires two adults. Follow the step-by-step instructions provided in the separate assembly guide included in your package. Ensure all bolts and screws are tightened securely before use.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all parts against the packing list.
3. Assemble the main table frame according to the diagrams.
4. Attach the benches to the main frame.
5. Secure the tabletop to the assembled frame.
6. Ensure all connections are firm and stable.

This graphic illustrates the robust construction of the picnic table's frame, featuring wide U-shaped bases for stability, a stable X-shaped structure underneath the tabletop, and anti-slip foot pads to prevent movement and protect surfaces.

5. OPERATING INSTRUCTIONS

5.1 Seating Capacity

The picnic table is designed to comfortably seat 4 to 8 individuals. Distribute weight evenly across the benches and table surface.

5.2 Umbrella Hole Usage

A central 1.9-inch diameter hole is provided for inserting a patio umbrella. Ensure your umbrella pole fits this dimension. Use the integrated pole holder for added stability. Always close and secure your umbrella during strong winds or when not in use to prevent damage or injury.

This image highlights the central 1.9-inch diameter umbrella hole, demonstrating how a patio umbrella can be inserted to provide shade. An additional parasol holder is also visible for stability.

6. MAINTENANCE

6.1 Cleaning

The HDPE tabletop is waterproof and stain-resistant, making it easy to clean. Wipe spills immediately with a damp cloth. For general cleaning, use mild soap and water, then rinse thoroughly and dry. Avoid abrasive cleaners or harsh chemicals that may damage the surface.

6.2 Weather Resistance

The table is crafted from high-quality HDPE and a powder-coated metal frame, designed to resist cracking, fading, and rust. While suitable for year-round outdoor use, covering the table during extreme weather conditions or prolonged periods of non-use can extend its lifespan.

This image focuses on the high-density polyethylene (HDPE) tabletop, emphasizing its durability and ease of maintenance. Icons indicate it is sun-proof, waterproof, and easy to clean, with a hand wiping a spill.

7. TROUBLESHOOTING

- **Table feels wobbly:** Check all bolts and screws to ensure they are securely tightened. Ensure the table is placed on a flat, even surface.
- **Difficulty cleaning stains:** For stubborn stains, use a soft brush with mild soap and water. Avoid abrasive scrubbing pads.
- **Umbrella does not fit:** Verify your umbrella pole diameter is 1.9 inches or less. Do not force an oversized umbrella into

the hole.

8. SPECIFICATIONS

Material	Metal, HDPE (High-Density Polyethylene)
Color	Green
Umbrella Hole Diameter	1.9 inches
Table Diameter	43 inches
Bench Size (L x W)	38 inches x 11 inches
