WOLTU MB6137ws

WOLTU MB6137ws Dressing Table User Manual

Model: MB6137ws

Brand: WOLTU

1. INTRODUCTION

Thank you for choosing the WOLTU MB6137ws Dressing Table. This modern dressing table is designed to enhance your daily routine with its adjustable LED mirror, dynamic RGB ambient lighting, ample storage, and convenient integrated power station. Please read this manual carefully before assembly and use to ensure safe operation and optimal performance.

Image 1.1: The WOLTU MB6137ws Dressing Table, showcasing its overall design with the LED mirror, storage cabinets, and drawers. The table is white with a glass top and features subtle RGB lighting accents.

2. SAFETY INSTRUCTIONS

- Always follow the assembly instructions carefully. Incorrect assembly can lead to instability and injury.
- Do not overload drawers or shelves. Distribute weight evenly to prevent tipping.
- Keep all electrical components away from water or excessive moisture.
- Ensure the power cord is not pinched or damaged during assembly or use.
- Only use the integrated power outlets for devices within the specified voltage and current limits.
- This product is intended for indoor use only.
- Keep small parts and packaging materials away from children to prevent choking hazards.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, contact WOLTU customer service.

- 1 x Dressing Table with Mirror
- 1 x Accessory Kit (screws, connectors, tools if applicable)
- 1 x Assembly Manual

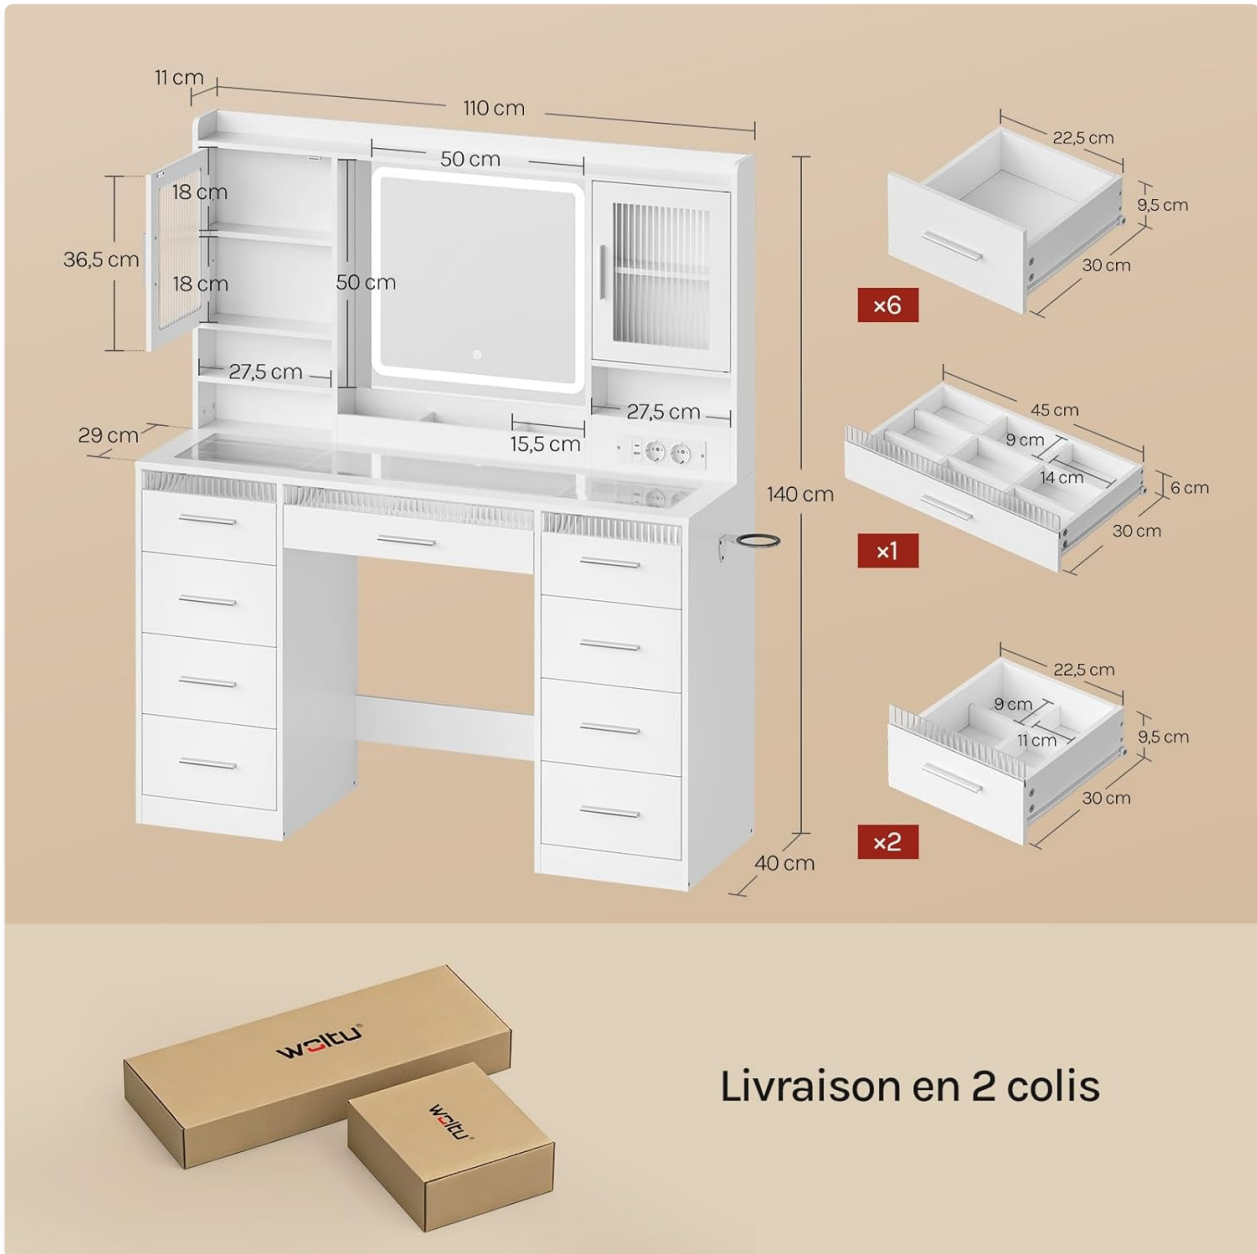

Image 3.1: An exploded view diagram illustrating the overall dimensions of the dressing table (110 cm width, 40 cm depth, 140 cm height) and the individual sizes of the six standard drawers, one large partitioned drawer, and two smaller partitioned drawers. The image also shows two boxes indicating the product ships in two packages.

4. SETUP & ASSEMBLY

Assembly of the WOLUTU MB6137ws Dressing Table is required. Please follow the step-by-step instructions provided in the included Assembly Manual. It is recommended to have two people for assembly to ensure safety and ease of construction.

General Assembly Tips:

- Clear a spacious area for assembly.
- Lay out all components and hardware, checking against the parts list.

- Use the appropriate tools as specified in the manual.
- Do not overtighten screws unless instructed, as this may damage the material.
- Ensure all connections are secure before moving or using the table.

5. OPERATING INSTRUCTIONS

5.1. Adjustable LED Mirror

The integrated LED mirror offers customizable lighting for various makeup needs.

- **Color Temperature Adjustment:** Briefly press the touch button on the mirror to cycle through three color temperatures: cool light (6000K), natural light (4000K), and warm light (3000K).
- **Brightness Adjustment:** Press and hold the touch button on the mirror to smoothly adjust the brightness level from 10% to 100%. Release the button when the desired brightness is reached.

Image 5.1: This image illustrates the adjustable LED mirror, showing a user adjusting the brightness by long-pressing the touch button. It also displays the three available color temperatures: cool light, natural light, and warm light, each suitable for different lighting conditions and makeup applications.

5.2. RGB Ambient Lighting

The dressing table features multi-color RGB ambient lighting to create a desired atmosphere.

- **Control Methods:** The RGB lights can be controlled via a remote control or through a Bluetooth-connected application on your smartphone.
- **Functions:** Adjust color, brightness, activate flashing modes, music synchronization, and set a timer.

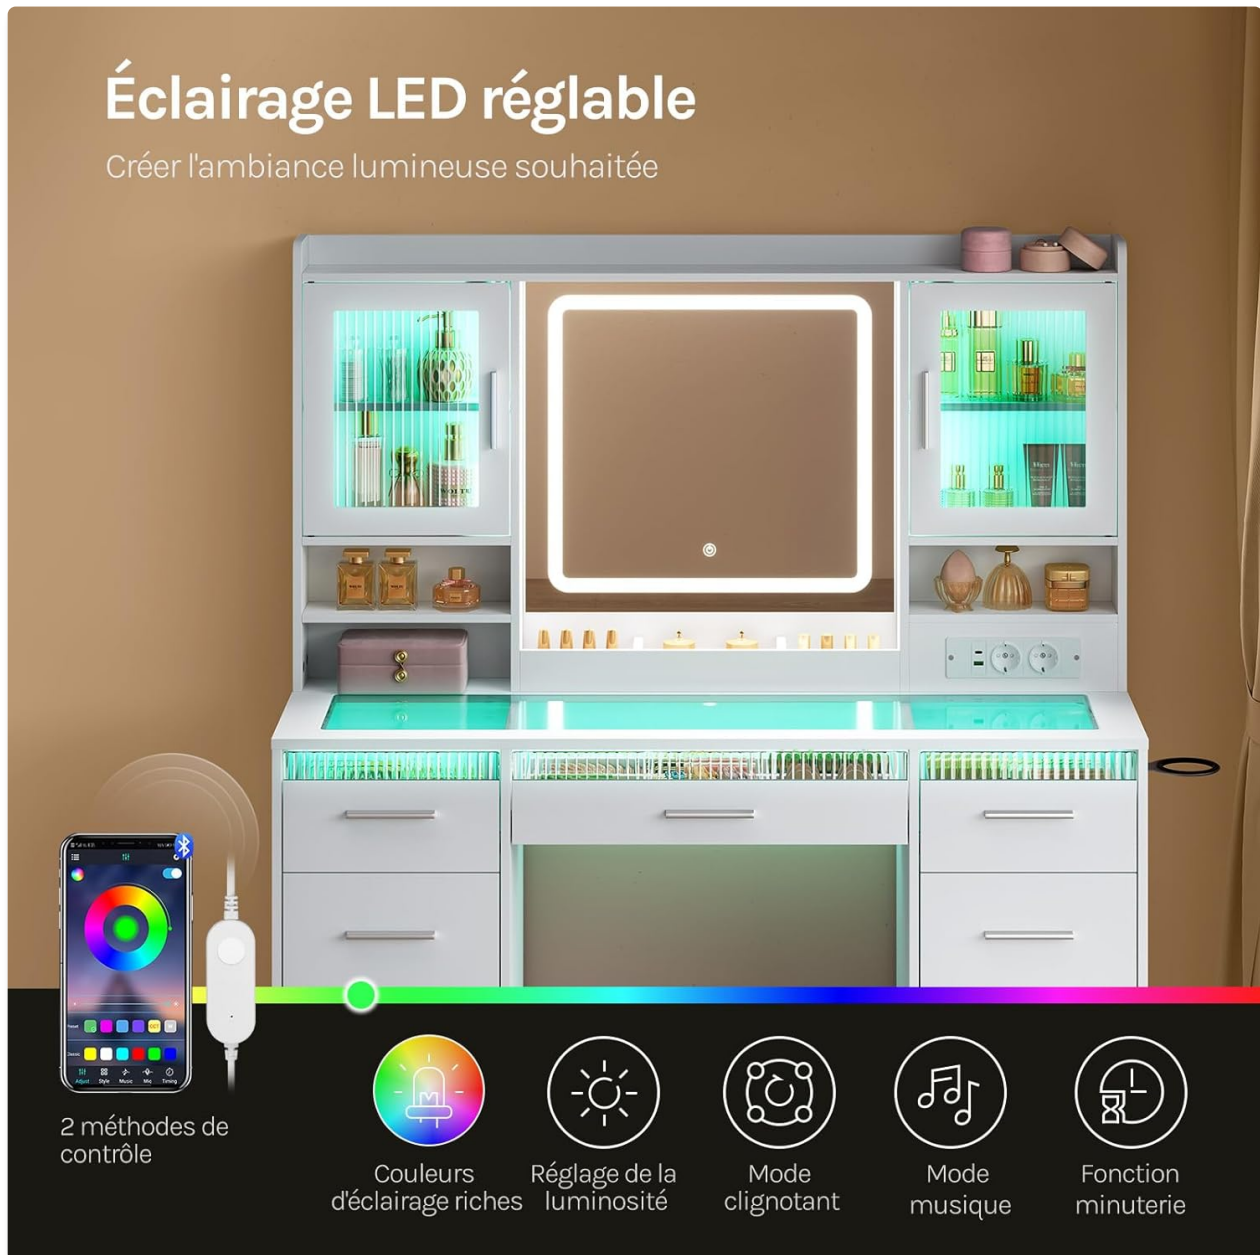

Image 5.2: This diagram highlights the adjustable RGB lighting, showing icons for rich color options, brightness control, flashing mode, music synchronization, and a timer function. It also depicts the two control methods: a physical remote and a smartphone application via Bluetooth.

Image 5.3: A close-up view of the two control methods for the RGB lighting: a smartphone displaying a color selection wheel for Bluetooth app control, and a physical inline controller. The image emphasizes the rich color options and various lighting modes.

5.3. Integrated Power Station

The dressing table includes a convenient power station for charging electronic devices and powering styling tools.

- **AC Outlets:** 2 x 240V / 10A AC power sockets.
- **USB Ports:** 1 x USB-A port and 1 x Type-C port (5V / 2A total output).
- **Hairdryer Holder:** A dedicated holder is provided for a hairdryer or curling iron.

Image 5.4: A detailed view of the practical charging station, featuring two 240V/10A AC outlets, one 5V/2A USB-A port, and one 5V/2A Type-C port. A smartphone is shown charging, and a hairdryer holder is visible on the side, emphasizing its utility for various electronic devices and styling tools.

6. STORAGE FEATURES

The WOLTU MB6137ws Dressing Table offers extensive and organized storage solutions.

- **9 Drawers:** The table includes nine spacious drawers, some with removable dividers, for organizing various items.
- **Tempered Glass Top:** A durable and easy-to-clean tempered glass tabletop allows for display and easy access to frequently used items.
- **Open Compartments:** Several open compartments on the tabletop provide additional accessible storage.
- **2 Cabinets with Doors:** Two upper cabinets with doors offer concealed storage.
- **Adjustable Shelves:** The cabinets feature shelves that can be adjusted to 3 different heights, accommodating items of various sizes.

7. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your dressing table.

- **Cleaning Surfaces:** Wipe all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish or glass.
- **Glass Top:** For the tempered glass top, use a glass cleaner and a microfiber cloth to prevent streaks.
- **Electrical Components:** Ensure the dressing table is unplugged before cleaning near any electrical outlets or lighting components. Do not spray liquids directly onto electrical parts.
- **Dusting:** Regularly dust the table with a dry, soft cloth to prevent buildup.

8. TROUBLESHOOTING

If you encounter any issues with your WOLTU MB6137ws Dressing Table, refer to the following common

solutions:

Problem	Possible Cause	Solution
LED mirror or RGB lights not working	Power cable not connected; loose connection; faulty power source.	Ensure the power cable is securely plugged into a working outlet. Check all internal connections. Test the outlet with another device.
RGB lights not responding to remote/app	Remote battery low; Bluetooth not connected; interference.	Replace remote battery. Ensure Bluetooth is enabled on your device and paired with the dressing table. Reduce distance to the table.
Power outlets not providing power	Table not plugged in; circuit breaker tripped; device drawing too much power.	Verify the dressing table is plugged into a live outlet. Check your household circuit breaker. Ensure devices are within the specified power limits.
Drawers are stiff or do not slide smoothly	Improper assembly of drawer slides; debris in slides; uneven floor.	Recheck drawer slide installation. Clean any debris from the slides. Ensure the table is on a level surface.

If the problem persists after attempting these solutions, please contact WOLTU customer support for further assistance.
