SETUP AND ASSEMBLY

1. **Unpack All Components:** Carefully remove all parts from the boxes. Lay them out on a clean, soft surface to prevent scratches.
2. **Identify Sections:** The sofa is modular. Identify each section (e.g., armrests, seat bases, backrests, ottoman).
3. **Attach Legs:** Securely attach the furniture legs to the bottom of each sofa section.
4. **Connect Sections:** Use the provided component connectors to link the modular sections together in your desired L-shape configuration. Ensure all connections are firm.
