T4TREAM RCC3TDRDS-DWT

T4TREAM 32-inch Fluted Nightstand with Charging Station (Set of 2)

INSTRUCTION MANUAL - MODEL: RCC3TDRDS-DWT

1. Introduction

Thank you for choosing the T4TREAM 32-inch Fluted Nightstand with Charging Station. This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new furniture. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

2. Safety Information

- **Assembly:** Assemble the nightstand on a soft, clean surface to prevent scratches. Ensure all hardware is securely tightened before use. Do not overtighten screws.
- **Stability:** This nightstand is designed for indoor use. To prevent tipping, always place the nightstand on a level surface. Consider using anti-tip hardware (not included) if children are present in the household.
- **Weight Capacity:** The top surface has a maximum load capacity of 100 lbs. Each drawer has a maximum load capacity of 25 lbs. Do not exceed these limits.
- **Electrical Safety:** The integrated charging station includes 2 AC outlets and 2 USB ports. Only use the charging station with compatible devices. Do not overload the outlets. Keep liquids away from the charging station. If the power cord is damaged, discontinue use immediately and contact customer support.
- **Children:** Keep small parts and packaging materials away from children during assembly.

3. Package Contents

Verify that all components are present before starting assembly. If any parts are missing or damaged, please contact customer support.

4. Assembly Instructions

Assembly is required for this product. Each component is labeled with a serial number to assist with the process. A screwdriver is the recommended tool for assembly. Follow the steps below carefully.

1. **Prepare the Workspace:** Clear a spacious area and lay out all components and hardware. Use the provided spare parts if needed.
2. **Assemble the Frame:** Attach the side panels to the bottom panel using the designated hardware.

Ensure the fluted panels are facing the correct direction.

3. **Install Drawer Slides:** Secure the drawer slides to the inner sides of the nightstand frame according to the guide.
4. **Assemble Drawers:** Construct each of the three drawers by attaching the sides, back, and bottom to the drawer front. Install the drawer slides onto the assembled drawers.
5. **Insert Drawers:** Carefully slide the assembled drawers into the nightstand frame, ensuring they glide smoothly.
6. **Attach Handles:** Secure the metal handles to the front of each drawer.
7. **Install Charging Station:** Place the charging station into the designated cutout on the top surface of the nightstand. Route the power cord as instructed in the detailed assembly guide.
8. **Final Check:** Verify that all connections are secure and the nightstand is stable.
