Solo Stove FPSURROUND-GAS

Solo Stove Infinity Flame Propane Fire Pit User Manual

Model: FPSURROUND-GAS | Brand: Solo Stove

1. IMPORTANT SAFETY INFORMATION

Read and understand all safety warnings and instructions before assembling, operating, or servicing this fire pit. Failure to follow these instructions may result in fire, explosion, property damage, personal injury, or death.

- **Outdoor Use Only:** This fire pit is designed for outdoor use in a well-ventilated area. Do not operate indoors or in enclosed spaces.
- **Clearance:** Maintain adequate clearance from combustible materials. Do not operate near overhangs, trees, or other flammable structures.
- **Stable Surface:** Always place the fire pit on a stable, level, and non-flammable surface.
- **Children and Pets:** Keep children, pets, and objects at a safe distance from the fire pit during operation and while it is cooling. Exterior surfaces become hot during use.
- **Gas Supply:** Turn off the gas supply at the propane tank and the control knob after each use. Allow the unit to cool completely before moving or covering.
- **Inspection:** Periodically inspect the hose, regulator, and all connections for leaks, damage, or wear. Replace any damaged components immediately.
- **Fuel Type:** Use only Liquefied Petroleum Gas (LPG) as specified. Do not use other fuel types.

2. PRODUCT OVERVIEW

The Solo Stove Infinity Flame Propane Fire Pit offers a unique outdoor heating experience with its signature smokeless flame design. Constructed from durable 304 stainless steel and powder-coated steel, it is built for longevity and weather resistance.

Key features include:

- **Smokeless Flame:** Innovative burner design with Black Pearl fire glass creates a mesmerizing flame without smoke, ash, or sparks.
- **Powerful Heat Output:** Produces up to 72,000 BTUs, providing consistent warmth for outdoor gatherings.
- **Durable Construction:** Made with 304 stainless steel and powder-coated steel for long-term outdoor performance.
- **Safe Tabletop Design:** A wide, heat-dispersing tabletop offers functional surface space while helping to reduce hot spots.

3. SETUP INSTRUCTIONS

3.1 Unpacking and Component Check

Carefully remove all components from the packaging. Verify that all parts are present and undamaged. Refer to the included assembly manual for a complete list of parts and diagrams.

3.2 Assembly

Assembly is required for this product. Follow the detailed step-by-step instructions provided in the separate assembly manual included with your fire pit. Ensure all connections are secure and components are correctly oriented, paying close attention to the door hinge direction if applicable.

3.3 Placement Guidelines

Select an outdoor location that is:

- Well-ventilated.
- On a stable, level, and non-flammable surface (e.g., concrete, patio pavers).
- Away from any combustible materials, structures, or overhead obstructions.

3.4 Propane Tank Connection

1. Ensure the fire pit's control knob is in the
