## Loomie H-101276

# Loomie 70-inch Corner Bar Cabinet with LED Lights Instruction Manual

Model: H-101276

## 1. IMPORTANT SAFETY INFORMATION

---

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Anti-Tip Kit:** Always secure the cabinet to the wall using the provided anti-tip kit to prevent tipping. This is crucial for safety, especially in households with children or pets.
- **Tempered Glass:** Exercise caution when handling the tempered glass components to avoid injury. Inspect glass for any damage before assembly.
- **Assembly:** Assemble the cabinet carefully, following the instructions provided. This cabinet is heavy and bulky; ensure you have assistance when moving or assembling it to prevent injury. Two people are recommended for assembly.
- **Weight Capacity:** Do not overload shelves. Distribute weight evenly.
- **Placement:** Place the cabinet on a level, stable surface. Avoid placing it in direct sunlight or near heat sources to prevent material damage.

## 2. PRODUCT OVERVIEW

---

The Loomie H-101276 Corner Bar Cabinet is a 70-inch tall, 6-tier modern storage solution designed to fit seamlessly into corner spaces. It features LED lighting, tempered glass doors, glass holders, and adjustable shelves.

### Product Dimensions

The cabinet measures approximately 18.9 inches (D) x 26.8 inches (W) x 69.6 inches (H).

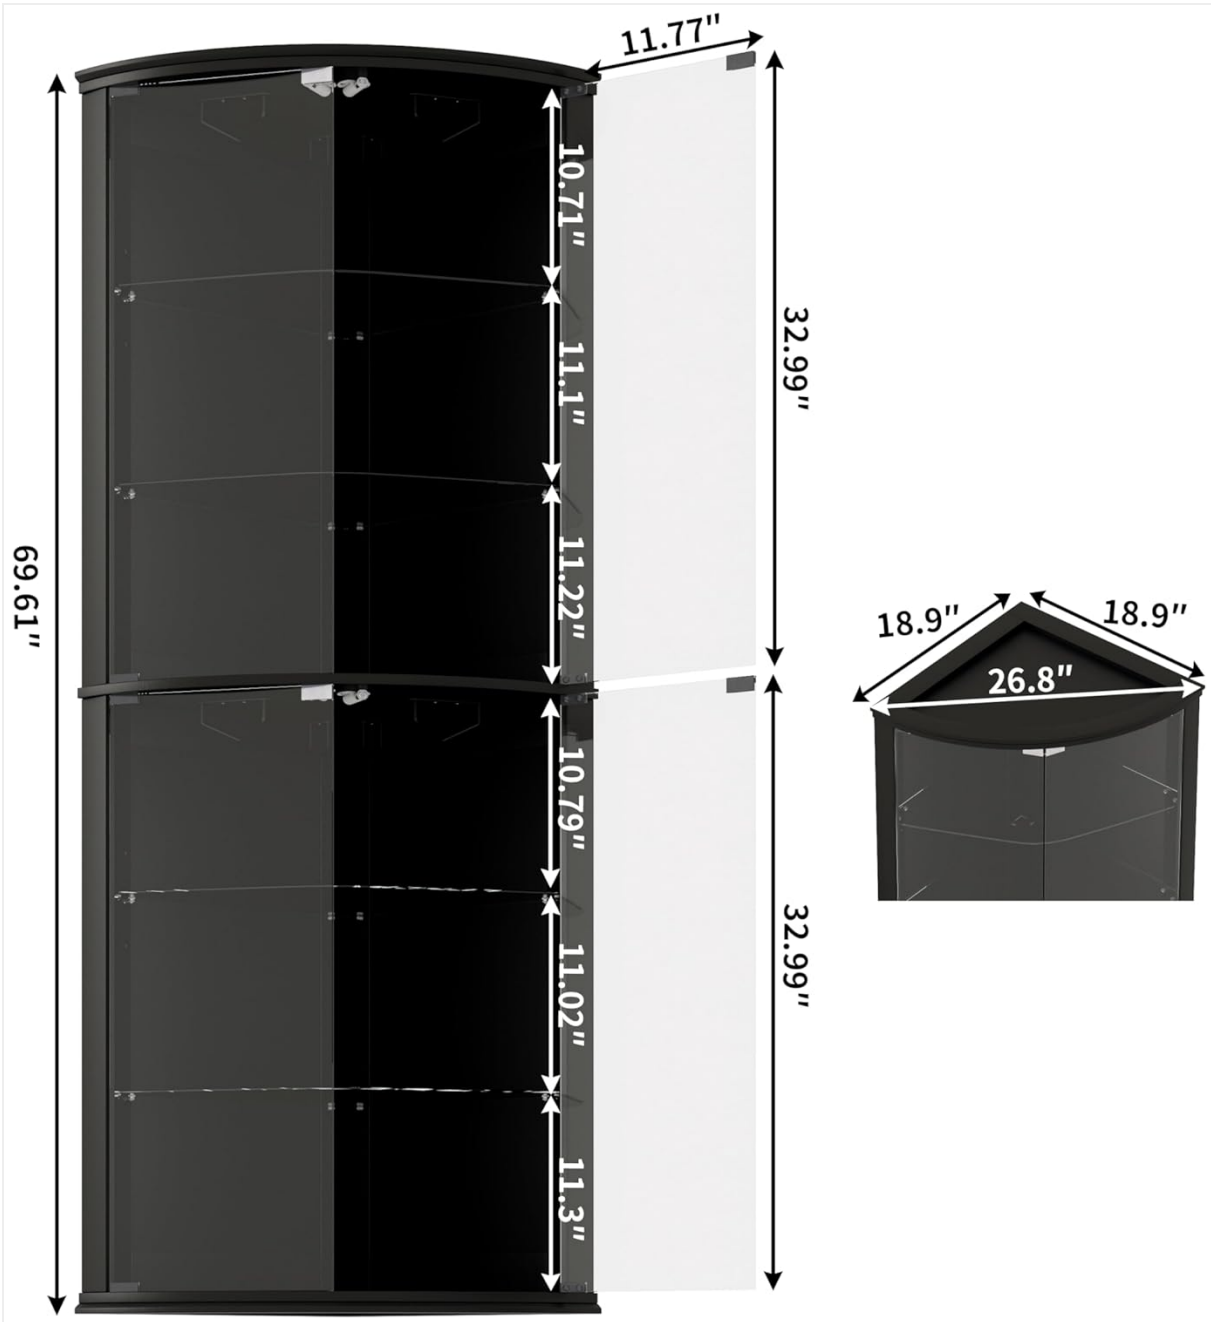

Figure 2.1: Cabinet Dimensions. The diagram illustrates the depth, width, and height of the cabinet, including individual shelf heights.

## Key Features

- **Space-Saving Design:** Triangular shape fits perfectly into room corners.
- **Ample Storage:** Six tiers provide generous space for bottles, glassware, and decor.
- **Adjustable Shelves:** Two tempered glass shelves can be adjusted to accommodate various item sizes.
- **Wine Glass Holders:** Dedicated racks for wine glasses on the top and middle sections.
- **LED Lighting:** Integrated LED strip with over 60,000 color options, controllable via buttons or a mobile app.
- **Durable Construction:** Crafted from thickened MDF and tempered glass for stability and longevity.

### 3. PARTS LIST

---

Before beginning assembly, ensure all parts and hardware are present and undamaged. Refer to the included accessory kit bag for numbered components.

#### Included Components:

- Corner Bar Cabinet panels (numbered)
- Tempered Glass Shelves (2)
- Wine Glass Holders (2 sets)
- LED Light Strip with Controller
- Accessory Kit Bag (contains screws, dowels, hinges, anti-tip kit, etc.)
- User Manual (this document)

If any parts are missing or damaged, please contact Loomie customer support immediately.

### 4. ASSEMBLY INSTRUCTIONS

---

Assembly requires two people. Follow the detailed, step-by-step instructions provided in the accessory kit bag. All parts are numbered for easy identification.

### General Assembly Steps:

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the numbering system.
2. **Assemble Frame:** Connect the main frame panels using the provided hardware. Ensure all connections are secure.
3. **Install Shelves:** Insert the fixed shelves and then the adjustable tempered glass shelves. The adjustable shelves allow for flexible placement.
4. **Attach Glass Holders:** Secure the wine glass holders to the designated areas (top and middle sections).
5. **Install Doors:** Attach the tempered glass doors using the hinges. This step often requires careful alignment and patience.
6. **Apply LED Lights:** Adhere the LED light strip along the interior edges of the cabinet as instructed. Connect the controller.
7. **Install Anti-Tip Kit:** Secure the cabinet to the wall using the anti-tip kit. This is a critical safety step.

Figure 4.3: Corner Fit. This image demonstrates how the cabinet is designed to fit efficiently into a room's corner, maximizing space.

## 5. OPERATING INSTRUCTIONS (LED LIGHTS)

---

The integrated LED lighting system offers extensive customization for ambiance.

### Controlling the LED Lights:

- **Key Control:** Use the physical control buttons located on the LED strip's controller to cycle through colors, adjust brightness, and select modes.
- **App Control:** Download the dedicated mobile application (refer to the LED light manual for app name and QR code) to access over 60,000 colors, custom styles, music modes, and timing functions.

Figure 5.1: LED Light Control Options. This image illustrates the key control and app control methods for the LED lighting, along with icons representing various functions like color selection, custom styles, and music mode.

## 6. MAINTENANCE

Proper care will ensure the longevity and appearance of your Loomie Corner Bar Cabinet.

### Cleaning:

- **Wood Surfaces:** Wipe engineered wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Glass Surfaces:** Clean tempered glass with a standard glass cleaner and a lint-free cloth.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood.

### General Care:

- Periodically check all screws and connections to ensure they remain tight.

- Re-verify the security of the anti-tip kit attachment to the wall.
- Avoid dragging the cabinet when moving it; always lift with assistance.

## 7. TROUBLESHOOTING

This section addresses common issues you might encounter.

Problem	Possible Cause	Solution
Cabinet is wobbly or unstable.	Loose connections; uneven floor.	Ensure all screws are tightened. Adjust leveling feet if present, or place shims under the cabinet on uneven floors. Verify anti-tip kit installation.
Glass doors do not align or close properly.	Hinges are misaligned; cabinet frame is not square.	Adjust the hinges according to the detailed assembly instructions. Ensure the cabinet is on a level surface.
LED lights are not working.	Power connection issue; faulty controller/strip.	Check if the power adapter is securely plugged into the wall outlet and the LED controller. Ensure the LED strip is properly connected to the controller. If issues persist, contact customer support.

For any product problems not listed here, please contact Loomie customer support. All problems will be addressed within 24 hours.

## 8. SPECIFICATIONS

Feature	Detail
Brand	Loomie
Model Number	H-101276
