

Gizoon BF46

Gizoon Full Size Upholstered Bed Frame with LED Lights and Charging Station (Model BF46) - User Manual

Model: BF46 | Brand: Gizoon

1. INTRODUCTION

Thank you for choosing the Gizoon Full Size Upholstered Bed Frame. This bed frame is designed to provide comfort and convenience with its integrated LED lighting, storage headboard, and charging station. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your product.

2. SAFETY INFORMATION

- Do not exceed the maximum weight capacity of **850 lbs**. Overloading may cause damage or injury.
- Exercise caution during assembly to avoid injury from sharp edges or heavy components. It is recommended to assemble with two people.
- Ensure LED lights are not covered or blocked to prevent overheating.
- Keep all electrical components (charging station, LED power supply) away from liquids.
- Regularly check all bolts and screws to ensure they remain tight.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package includes:

- Bed Frame components
- Upholstered Headboard with integrated storage shelf
- LED Strip Light kit
- Charging Station unit
- Wood slats and metal support structure
- Assembly hardware (screws, bolts, tools)

- Installation Manual

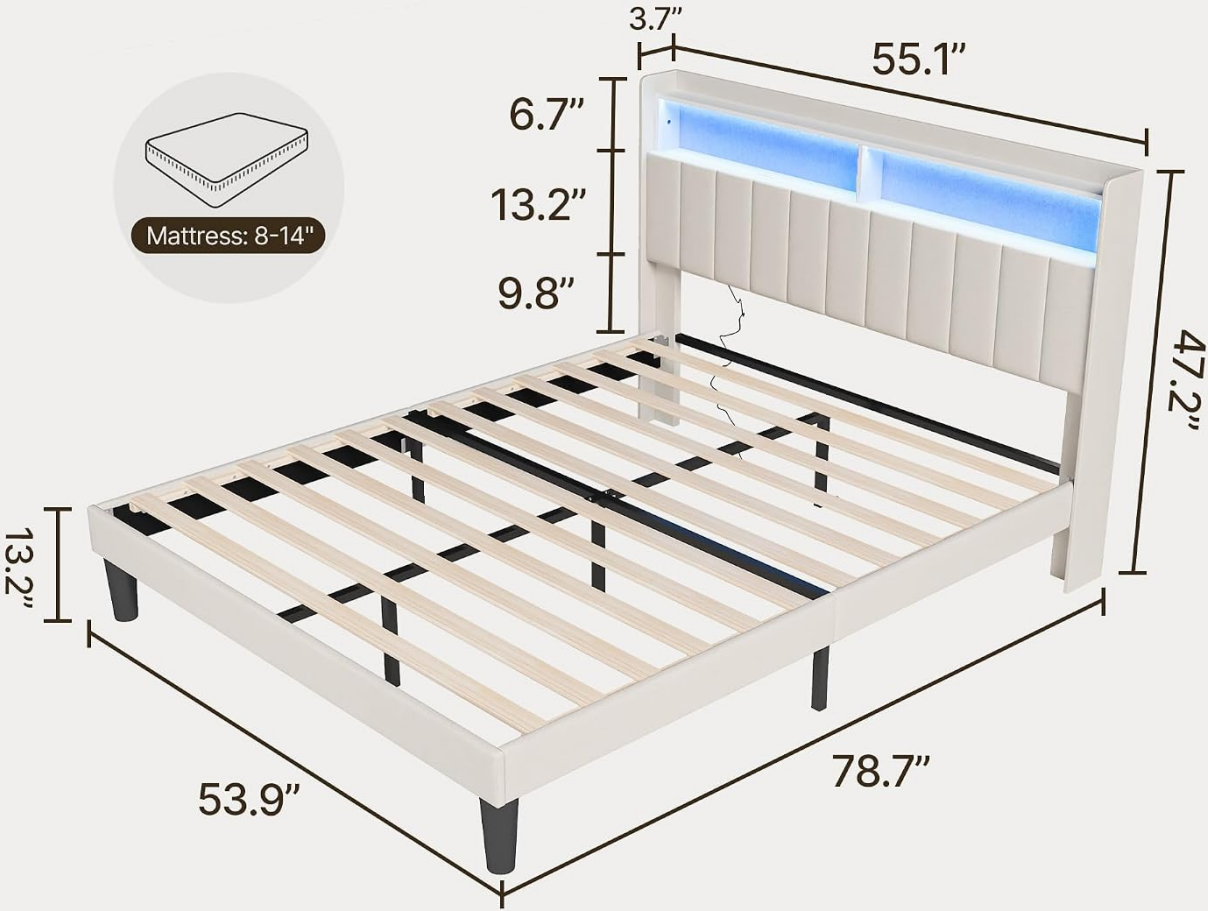

4. SETUP AND ASSEMBLY INSTRUCTIONS

The Gizoon Full Size Bed Frame is designed for easy assembly, typically taking approximately 1 hour with two people. All necessary parts and tools are included in a single box. Follow the step-by-step instructions provided in the included Installation Manual.

Key Assembly Points:

- **Frame Construction:** Assemble the metal and wood frame components securely using the provided hardware.
- **Headboard Attachment:** Attach the upholstered headboard to the main frame. Ensure the charging station and LED light wiring are accessible.
- **Slat System:** Install the solid wood slats. The upgraded EVA silent tape on the slats helps eliminate noise. The sturdy slat system supports your mattress directly, eliminating the need for a box spring.
- **LED and Charging Station:** Connect the LED strip light and charging station according to the manual.

5. OPERATING INSTRUCTIONS

5.1 LED Lighting System

The integrated RGB LED lights in the headboard offer customizable illumination for your bedroom. Control options include:

- **Smart App Control:** Download the dedicated app to your smartphone to access a wide range of colors (60,000 options), brightness adjustments, and dynamic lighting modes.
- **Voice Control:** Compatible with smart home assistants for hands-free operation (specific compatibility details in the LED manual).
- **Music Sync:** The lights can synchronize with music for an immersive experience.
- **Timers:** Set schedules for the lights to turn on or off automatically.

5.2 Charging Station

The headboard includes a convenient charging station to power your devices. It features:

- **2 USB Ports**
- **1 Type-C Port**

Simply plug your device's charging cable into the appropriate port. Ensure the bed frame's power cord is connected to a functional wall outlet.

6. MAINTENANCE AND CARE

To maintain the appearance and functionality of your Gizoon bed frame, follow these simple care instructions:

- **Cleaning:** Wipe the upholstered surfaces and frame with **dry cloth**. Avoid using harsh chemicals or abrasive cleaners, which may damage the fabric or finish.
- **Spills:** For spills on the linen fabric, blot immediately with a clean, dry cloth. Do not rub.
- **Structural Check:** Periodically inspect all connections and hardware to ensure they are tight. Re-tighten if necessary.
- **Under-bed Area:** The 7.9 inches of under-bed clearance allows for easy cleaning underneath the frame.

7. TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common troubleshooting tips:

7.1 LED Lights Not Working

- **Check Power Connection:** Ensure the LED strip light is securely plugged into its power source and the main power outlet.
- **Remote/App Battery:** If using a remote, check its battery. For app control, ensure your device is properly paired via Bluetooth or Wi-Fi.
- **Obstructions:** Verify that the LED strip is not covered or damaged.

7.2 Charging Station Not Functioning

- **Power Supply:** Confirm the bed frame's main power cord is plugged into a live electrical outlet.
- **Cable Connection:** Ensure your device's charging cable is fully inserted into the USB or Type-C port.
- **Device Compatibility:** Test with a different device or cable to rule out issues with your specific device.

7.3 Squeaking Noises

- **Tighten Hardware:** Re-tighten all bolts and screws on the bed frame, especially those connecting the frame and slats.
- **Slat Placement:** Ensure all slats are correctly positioned and secured. The EVA silent tape is designed to minimize noise.
- **Mattress Position:** Adjust your mattress to ensure it is evenly distributed on the slats.
