

ONBRILL HB-116

ONBRILL Queen Headboard HB-116 Instruction Manual

1. INTRODUCTION

Thank you for choosing the ONBRILL Queen Headboard HB-116. This headboard is designed to enhance your bedroom with integrated features including bedside storage, RGB LED lighting, and a convenient charging station. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your product.

2. SAFETY INFORMATION

- Read all instructions carefully before assembly and use.
- Keep all packaging materials away from children to prevent choking hazards.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the storage shelves or drawers.
- Use only the provided power adapter for the LED lights and charging station.
- Avoid exposing electrical components to water or excessive moisture.
- Assembly may require two people for safety and ease.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Headboard Frame (Metal and Wood Panels)
- Upholstered Headboard Panel
- 2-Tier Storage Shelves

- Built-in Charging Station (2 AC Outlets, 2 USB Ports)
- RGB LED Light Strip
- Power Adapter for LED Light and Charging Station
- Assembly Hardware (screws, bolts, Allen wrench)
- 2 Bed Frame Adapters
- Installation Manual

4. SETUP AND ASSEMBLY

Each component of your headboard is numbered for easy identification. Follow the included installation manual step-by-step. It is recommended to have two people for assembly.

4.1 Dimensions Overview

Queen Size

61.42"L * 8.27"W * 43.31"H

120V/12A
[2 AC Outlets]

5V/2A
[2 Ports]

5-Foot
[Power Cord]

This diagram illustrates the overall dimensions of the Queen Headboard, including the storage shelves and the length of the power cord. Refer to these measurements for planning your bedroom layout.

4.2 Connecting to Your Bed Frame

The headboard includes 2 bed frame adapters for easy connection to various bed frames, specifically those with leg holes. Ensure your bed frame has compatible leg holes (round holes, vertical slots, or horizontal slots) for secure attachment.

For Bed Frames with Leg Holes Only

The adapter is suitable for bed frames with insufficient width

This image demonstrates the bed frame adapters and the types of leg holes they are compatible with. The adapters allow for a secure connection between the headboard and your existing bed frame.

4.3 Assembly Video Guide

This video provides a step-by-step demonstration of how to assemble the ONBRILL Headboard with Bedside Storage, guiding you through each part of the installation process.

5. OPERATING INSTRUCTIONS

5.1 RGB LED Lighting System

The integrated RGB LED system allows you to customize your bedroom ambiance. Control the light color, brightness, mode, and set timers using a dedicated smartphone application. Refer to the separate LED light manual for app download and pairing instructions.

This image displays the headboard with its RGB LED lights active, demonstrating the customizable lighting options and app control for creating various atmospheric effects.

5.2 Built-in Charging Station

The headboard features a built-in charging station with two standard AC power outlets and two USB ports (5V/2A). This allows you to conveniently charge your electronic devices directly from your bed.

Headboard with Charging Station

120V/12A
2 AC Outlets

5V 2A
2 Ports

Power Cord
5 FT

This image highlights the integrated charging station, showing the AC outlets and USB ports in use, providing a convenient power source for your devices.

5.3 Bedside Storage Shelves

The headboard includes 2-tier storage shelves on both sides, offering practical space for books, glasses, decorative items, or other personal belongings. The design allows for flexible organization.

Side Storage Cabinet

6. MAINTENANCE

- **Cleaning the Upholstery:** Gently vacuum the linen fabric regularly to remove dust. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner according to its instructions, testing on an inconspicuous area first.
- **Cleaning Wood and Metal Surfaces:** Wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Electrical Components:** Ensure the charging station and LED lights are unplugged before cleaning. Wipe with a dry cloth only.
- **Regular Checks:** Periodically inspect all connections and fasteners to ensure they remain tight. Re-tighten as needed to maintain stability.

7. TROUBLESHOOTING

7.1 Assembly Difficulties

- **Missing or Misaligned Holes:** Double-check the orientation of the parts against the manual's diagrams. If holes are genuinely missing or misaligned, contact customer support for assistance. Do not attempt to force parts together.
- **Parts Not Fitting:** Ensure you are using the correct hardware for each step. Some screws may look similar but have different lengths. Refer to the numbered parts and hardware list.
- **Unstable Structure:** Verify that all screws and bolts are fully tightened. Ensure the headboard is properly connected to the bed frame using the provided adapters.

7.2 Electrical Issues

- **LED Lights Not Working:** Ensure the power adapter is securely plugged into both the headboard and a working wall outlet. Check the connection of the LED strip to the control box. Verify the app is correctly paired and the lights are turned on.
- **Charging Station Not Working:** Confirm the headboard's power cord is fully plugged into a live wall outlet. Test the outlets and USB ports with different devices and cables to rule out device-specific issues.
