Merax MX03431

Merax House Shape Full Size Montessori Metal Floor Bed

Model: MX03431

INTRODUCTION

Thank you for purchasing the Merax House Shape Full Size Montessori Metal Floor Bed. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

To ensure safe use of this product, please observe the following:

- Keep all children away from the assembly area until assembly is complete. Small parts may pose a choking hazard.
- Ensure all connectors are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight recommendation of 200 pounds.
- This bed is designed for use with a full-size mattress. No box spring is required.
- Do not allow children to climb on the house frame structure.
- Place the bed on a flat, stable surface.
- Canopy is not included with this product.

PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- House Platform Bed Frame Components (various metal tubes and connectors)
- Hardware Pack (screws, bolts, Allen wrench)
- Installation Manual (this document)

ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. Please follow the steps below carefully.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Refer to the parts list to identify each piece.

2. **Assemble Base Frame:** Connect the side rails and end rails to form the rectangular base of the bed. Ensure all connections are finger-tightened initially.
3. **Attach Fence Panels:** Secure the fence panels to the base frame using the provided hardware. Note the F-shaped column with reserved opening for easy access.
4. **Construct House Frame:** Assemble the roof-shaped frame components. Attach these to the four vertical posts of the bed frame.
5. **Final Tightening:** Once all components are in place, systematically tighten all screws and bolts using the provided Allen wrench. Do not overtighten.
6. **Inspect Assembly:** Ensure the bed frame is stable and all connections are secure before placing a mattress on it.

Image: Detailed view highlighting the stable 1.57" x 1.57" F-shaped columns, the odor-free paint finish, and the design without slats, indicating direct mattress placement on the floor.

OPERATING INSTRUCTIONS

This Montessori-style floor bed is designed for direct mattress placement on the floor within the frame. No box spring is needed.

- **Mattress Placement:** Place a standard full-size mattress directly onto the floor within the bed frame.
- **Weight Capacity:** The bed is designed to support a maximum weight of 200 pounds.
- **Child Access:** The F-shaped column with a reserved opening allows for easy and safe access for children.
- **Customization:** The house frame design allows for personalization with decorations (canopy not included). Ensure any added decorations are securely attached and do not pose a safety hazard.

CARE AND MAINTENANCE

Proper care will extend the life of your Merax bed.

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Inspection:** Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten as needed to maintain stability.
- **Environment:** Keep the bed in a dry environment. Avoid prolonged exposure to direct sunlight or extreme temperatures.

TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

- **Bed feels wobbly:** Check all connections and tighten any loose bolts or screws. Ensure the bed is on a level surface.
- **Missing parts:** Refer to the 'Package Contents' section. If parts are missing, contact Merax customer support immediately.
- **Difficulty assembling:** Review the 'Assembly Instructions' carefully. Ensure you are using the correct hardware for each step. Do not force parts together.

SPECIFICATIONS

Model Number	MX03431
Material	Metal
Color	White
Product Dimensions (L x W x H)	77.5" x 56.3" x 62.8"
Compatible Mattress Size	Full
Maximum Weight Recommendation	200 pounds
