OPERATING AND FEATURES

Integrated Storage Solutions:

The DUMOS bed frame is designed with practical storage features to maximize your bedroom space.

- **Headboard Shelf:** A convenient shelf integrated into the headboard provides space for small items such as books, glasses, or a clock.
- **Under-Bed Drawers:** Two spacious under-bed drawers, each on lockable casters, offer 1.17 cubic feet of storage capacity and can hold up to 26 lbs. These are ideal for storing blankets, clothing, or linens, keeping your room tidy.

Comfort and Support:

The upholstered headboard provides comfort and support, while the sturdy frame ensures a stable sleeping surface.

- **Button-Tufted Headboard:** The headboard is fully wrapped in a breathable, soft linen-blend fabric with thick plush foam padding, offering resilient back support for reading or relaxing.
- **Wooden Slats Support:** The solid wooden slats provide excellent mattress support, eliminating the need for a box spring and contributing to the bed's overall stability.

Under-Bed Clearance:

The bed frame features an elevated under-bed space of 6.5 inches, allowing for easy cleaning and additional storage.

- **Robot Vacuum Friendly:** The clearance allows most robot vacuums to pass freely, simplifying floor cleaning.
- **Additional Storage:** This space can accommodate storage boxes or suitcases, further enhancing storage options.

MAINTENANCE

Proper maintenance will extend the life and appearance of your DUMOS bed frame.

- **Fabric Care:** For the upholstered headboard and frame, gently vacuum regularly to remove dust. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner. Do not use harsh chemicals.
- **Frame Care:** Wipe metal and wood components with a soft, damp cloth. Avoid abrasive cleaners.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary to maintain stability.
- **Drawer Maintenance:** Keep the wheeled casters of the storage drawers free from debris to ensure smooth operation.

TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common solutions.

Problem	Possible Cause	Solution
Bed frame is wobbly or unstable.	Loose connections or uneven floor.	Ensure all bolts and screws are securely tightened. Check if the bed is on a level surface; use shims if necessary.
Squeaking noises.	Loose hardware or friction between components.	Retighten all assembly hardware. Apply a small amount of lubricant (e.g., silicone spray) to contact points if necessary.
Storage drawers do not slide smoothly.	Debris in casters or uneven placement.	Clean any debris from the wheels and tracks. Ensure the drawers are properly aligned under the bed.
Missing parts during assembly.	Packaging error.	Contact DUMOS customer support with your model number and a description of the missing parts.
