SAFETY INFORMATION

- Always assemble the table on a soft, clean surface to prevent scratches.
- Ensure all bolts and screws are securely tightened before using the table. Periodically check and re-tighten as needed.
- Do not stand or sit on the table.
- Keep small parts away from children during assembly to avoid choking hazards.
- Do not exceed the maximum weight capacity of 350 pounds.
- Use caution when moving the table to prevent injury or damage. Lift, do not drag.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Tabletop (Faux Marble MDF)

- Table Legs (Rubber Wood) - 2 units
- Assembly Hardware (screws, washers, etc.)
- Installation Tool (Allen wrench, etc.)
- Assembly Guide (this document)

SETUP AND ASSEMBLY

Follow these steps to assemble your dining table:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface like a carpet or blanket to prevent scratches.
2. **Identify Parts:** Refer to the included parts list and diagrams to identify each component.
3. **Attach Table Legs:** Position the tabletop upside down on your protected surface. Align the pre-drilled holes on the table legs with the corresponding holes on the underside of the tabletop.
4. **Secure Legs:** Using the provided hardware (screws, washers) and the installation tool, securely attach the table legs to the tabletop. Do not overtighten initially.
5. **Final Tightening:** Once all legs are in place, gradually tighten all screws until they are firm. Avoid overtightening to prevent damage to the wood.
6. **Upright the Table:** With assistance, carefully flip the table upright.
7. **Adjust Foot Pads:** The table is equipped with adjustable foot pads. Turn these pads to level the table and prevent wobbling on uneven floors.

OPERATING AND USAGE

This GDFStudio dining table is designed for indoor use in dining rooms, kitchens, or living areas. It comfortably accommodates 6-8 people.

- **Seating Capacity:** The table is designed to seat 6 to 8 individuals comfortably.
- **Weight Distribution:** Distribute weight evenly across the tabletop. Avoid placing heavy objects on one concentrated area.
- **Surface Protection:** While the faux marble top is durable, using placemats, coasters, and hot pads is recommended to protect against spills, heat, and scratches.

Faux Marble Look, Easy Everyday Care

MAINTENANCE

Proper care will extend the life and appearance of your dining table.

- **Faux Marble Top:** Wipe clean with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or excessive moisture. Promptly wipe up spills to prevent staining.
- **Rubber Wood Legs:** Clean with a soft, dry cloth. Avoid direct sunlight and extreme temperature changes to prevent warping or cracking.
- **General Care:** Periodically check and tighten all hardware to ensure stability.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Table wobbles	Uneven floor or loose hardware.	Adjust the foot pads on the bottom of the legs until the table is stable. Check and tighten all assembly screws.
Scratches on tabletop	Sharp objects or abrasive cleaning.	Use placemats and coasters. Avoid dragging objects across the surface. For minor scratches, consult a furniture repair specialist.
Loose connections	Hardware has loosened over time.	Periodically check and re-tighten all bolts and screws using the provided tool.
