MAINTENANCE

Proper care and maintenance will extend the life and appearance of your VONZOY patio furniture set.

Frame and Wicker Care:

- **Cleaning:** Wipe the resin wicker and powder-coated steel frame with a soft cloth dampened with mild soap and water. Rinse thoroughly with clean water and dry completely.
- **Protection:** The set is crafted from UV-resistant resin wicker and a rust-resistant, powder-coated steel frame, designed to withstand sun, rain, wind, and snow. However, covering the furniture when not in use or during harsh weather conditions is recommended for optimal longevity.

- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, bleach, or strong detergents, as these can damage the finish and material.

Cushion Care:

- **Cleaning:** The cushion covers are made from easy-care, waterproof fabric and feature zip-off covers for convenient cleaning. Spot clean with a mild soap solution and a soft brush. For deeper cleaning, remove covers and hand wash or machine wash on a gentle cycle with cold water. Air dry only; do not tumble dry.
- **Drying:** Ensure cushions are completely dry before storing or replacing covers to prevent mildew.
