3. SETUP INSTRUCTIONS

Follow these steps to correctly place your laptop into the Smatree T89T case and prepare it for use.

Inserting Your Laptop:

1. Unzip the case completely and lay it flat on a stable surface.
2. Carefully place your 15.6-inch laptop into the bottom section of the case. Ensure it sits snugly within the internal dimensions.
3. Secure the laptop using the internal support straps. These straps are designed to hold the laptop in place and allow the top shell to conform to your laptop's angle when opened.
4. Close the case by zipping it up. Ensure no cables or objects are caught in the zipper.

4. OPERATING INSTRUCTIONS

The Smatree T89T case is designed for both protection and functional use of your laptop.

Using the Adjustable Stand:

1. With your laptop secured inside the case, open the case.
2. Adjust the angle of the top shell to create an elevated stand for your laptop. The internal support straps will allow for flexible positioning.
3. Position the stand to achieve a comfortable viewing angle and to promote better airflow underneath your laptop, aiding in heat dissipation. The stand can elevate the laptop from a minimum of 4cm to a maximum of 7cm.

5. MAINTENANCE

Proper care will extend the life and maintain the appearance of your Smatree T89T case.

Cleaning Instructions:

- For general cleaning, wipe the exterior with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the PU leather or other materials.
- For the interior velveteen lining, a lint roller or soft brush can be used to remove dust or debris.

Water Resistance:

The case features a waterproof coating designed to repel accidental spills and light rain. While it offers protection against moisture, it is not fully submersible. Avoid prolonged exposure to heavy rain or submersion in water.
