3. ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults and takes approximately 60 minutes. All necessary tools are included.

3.1 Pre-Assembly

- Unpack all components from the single box and place them on a clean, soft surface.
- Verify that all parts listed in Section 2 are present. If any parts are missing or damaged, contact customer support.
- Familiarize yourself with the different frame sections and hardware.

3.2 Step-by-Step Assembly

1. **Attach Legs:** Carefully turn each sofa frame section and the ottoman upside down. Attach the wooden legs to the designated corners using the provided screws and assembly tool. Ensure they are securely tightened.
2. **Connect Frame Sections:** Position the main sofa frame sections (e.g., armrests, middle sections) as desired. Use the included connectors to securely link the sections together. Ensure a snug fit.

3. **Place Seat Cushions:** Place the seat cushions onto the sofa frame. The cushions are designed to fit specific sections.
4. **Add Back Cushions:** Position the back cushions against the backrest of the sofa.
5. **Position Ottoman:** Place the ottoman in your desired configuration (left, middle, right, or separate).
6. **Final Check:** Ensure all connections are secure and the sofa is stable before use.

5. MAINTENANCE AND CARE

Proper care will help maintain the appearance and longevity of your sofa.

5.1 Fabric Care (Corduroy)

- **Regular Cleaning:** Vacuum the sofa regularly using a soft brush attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for corduroy or upholstery, following the product's instructions. Test on an inconspicuous area first.
- **Avoid Harsh Chemicals:** Do not use bleach, abrasive cleaners, or strong detergents, as these can damage the fabric.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading.

5.2 Frame and Legs Care

- Wipe the wooden legs and exposed frame parts with a soft, damp cloth. Dry immediately.
- Avoid using excessive moisture or harsh cleaning agents on wooden components.

6. TROUBLESHOOTING

If you encounter issues with your sofa, refer to the following common solutions:

- **Missing or Damaged Parts:** If you find any parts missing or damaged upon unboxing, do not proceed with assembly. Contact Homall customer support immediately for assistance.
- **Sofa Feels Unstable:** Ensure all screws and connectors are fully tightened. Periodically check and retighten all fasteners. Make sure the sofa is placed on a flat, even surface.
- **Cushions Not Fitting Correctly:** Verify that the seat and back cushions are placed in their correct positions. Allow some time for cushions to expand and settle after unpacking.
- **Screws Not Fitting:** Ensure you are using the correct screws for each part as indicated in the assembly instructions. If screws do not fit, double-check the part orientation or contact customer support for replacement hardware.
